GoPro Hero 3. It appeared in  
three versions to be able to adapt  
without problems to the wide  
variety of market users. The  
queen of risk sports (and those  
who are not) could be achieved in  
Silver, Black or White version..  
The three had a minimalist design  
without breaking the line of the  
brand and did not differ  
practically in anything, visually  
speaking.
