Winner, 1992 Association des Ecrivains de Langue Française Prix Européen "I have lived, alone, in a cell, 157,852,800 seconds of solitude and fear. Cause for screaming! They sentence me to live yet another 220,838,400 seconds! To live them or to die from them."--from The Silent Escape Victim of Stalinist-era terror, Lena Constante was arrested on trumped-up charges of "espionage" and sentenced to twelve years in Romanian prisons. The Silent Escape is the extraordinary account of the first eight years of her incarceration--years of solitary confinement during which she was tortured, starved, and daily humiliated. The only woman to have endured isolation so long in Romanian jails, Constante is also one of the few women political prisoners to have written about her ordeal. Unlike other more political prison diaries, this book draws us into the practical and emotional experiences of everyday prison life. Candidly, eloquently, Constante describes the physical and psychological abuses that were the common lot of communist-state political prisoners. She also recounts the particular humiliations she suffered as a woman, including that of male guards watching her in the bathroom. Constante survived by escaping into her mind--and finally by discovering the "language of the walls," which enabled her to communicate with other female inmates. A powerful story of totalitarianism and human endurance, this work makes an important contribution to the literature of "prison notebooks."

The fundamental conception of the drama "The Burgraves" is a dramatic struggle between two antithetical forces: fatality attempting to impose punishment on a degraded race and providence striving to pardon and to rehabilitate. The poet has embodied the force of fatality in an old slave named Guanhumara, a sorceress endowed with a knowledge of medicinal herbs. She has effected several cures, including that of Hatto the grandson of Job, who is the chief burgrave; and on this account, she is allowed much more freedom than is granted to the other slaves. Within the character of Guanhumara there is the contrast between the apparent weakness on account of her age, sex, and condition and the tremendous power that her mysterious and magical talents bestow together with her irresistible will to wreak vengeance.

First published in 1939. This book consists chiefly of extracts from Chuang Tzu, Mencius and Han Fei Tzu. Chuang Tzu's appeal is to the imagination; the appeal of mencius is to the moral feelings; realism, as expounded by Han Fei Tzu, finds a close parallel in modern Totalitarianism and as a result these extracts from a book of the third century B.C. nonetheless have a very contemporary connection.

Rare edition with unique illustrations. Hans Christian Andersen was a Danish author best known for writing children's stories including "The Little Mermaid" and "The Ugly Duckling." But he didn't just write short stories, and his intended audience wasn't restricted to children. In addition to his fairy tales, Andersen wrote poems, plays, novels, travel books, essays, and more. He hungered for recognition at home (Denmark) and abroad—and he got it! Eventually, today his stories can be read in over one hundred languages. But no matter what language they're in, Andersen's tales have got something for everyone. In them, you'll find beauty, tragedy, nature, religion, artfulness, deception, betrayal, love, death, judgment, penance, and—occasionally—a happy ending. They're complex tales, but since Andersen himself was pretty complex, we like to think that art imitates life. Or something like that. "The Emperor's New Clothes" (Danish: Kejserens nye Kl?der) is a short tale by Hans Christian Andersen about two weavers who promise an Emperor a new suit of clothes that is invisible to those who are unfit for their positions, stupid, or incompetent. When the Emperor parades before his subjects in his new clothes, no one dares to say that he doesn't see any suit of clothes until a child cries out, "But he isn't wearing anything at all!" The tale has been translated into over a hundred languages. **Looking Glass Universe Churchill Livingstone**

J.M. Coetzee's latest novel, The Schooldays of Jesus, is now available from Viking. Late Essays: 2006-2016 will be available January 2018. Set in post-apartheid South Africa, J. M. Coetzee’s searing novel tells the story of David Lurie, a twice divorced, 52-year-old professor of communications and Romantic Poetry at Cape Technical University. Lurie believes he has created a comfortable, if somewhat passionless, life for himself. He lives within his financial and emotional means. Though his position at the university has been reduced, he teaches his classes dutifully; and while age has diminished his attractiveness, weekly visits to a prostitute satisfy his sexual needs. He considers himself happy. But when Lurie seduces one of his students, he sets in motion a chain of events that will shatter his complacency and leave him utterly disgraced. Lurie pursues his relationship with the young Melanie—whom he describes as having hips “as slim as a twelve-year-old’s”—obsessively and narcissistically, ignoring, on one occasion, her wish not to have sex. When Melanie and her father lodge a complaint against him, Lurie is brought before an academic committee where he admits he is guilty of all the charges but refuses to express any repentance for his acts. In the furor of the scandal, jeered at by students, threatened by Melanie’s boyfriend, ridiculed by his ex-wife, Lurie is forced to resign and flees Cape Town for his daughter Lucy’s smallholding in the country. There he struggles to rekindle his relationship with Lucy and to understand the changing relations of blacks and whites in the new South Africa. But when three black strangers appear at their house asking to make a phone call, a harrowing afternoon of violence follows which leaves both of them badly shaken and further estranged from one another. After a brief return to Cape Town, where Lurie discovers his home has also been vandalized, he decides to stay on with his daughter, who is pregnant with the child of one of her attackers. Now thoroughly humiliated, Lurie devotes himself to volunteering at the animal clinic, where he helps put down diseased and unwanted dogs. It is here, Coetzee seems to suggest, that Lurie gains a redeeming sense of compassion absent from his life up to this point. Written with the austere clarity that has made J. M. Coetzee the winner of two Booker Prizes, Disgrace explores the downfall of one man and dramatizes, with unforgettable, at times almost unbearable, vividness the plight of a country caught in the chaotic aftermath of centuries of racial oppression.
