This startling early autobiography takes Dal í through his late 30s and "communicates the...total picture of himself (Dal í ) sets out to portray" — Books. Superbly illustrated with over 80 photographs and scores of drawings.

[Dali's Mustache](#) HarperCollins

"Everything we see hides another thing, we always want to see what is hidden by what we see." —Rene Magritte D.B. Johnson writes and illustrates the surreal story of famous surrealist painter Rene Magritte and his very mysterious (and mischievous!) hat. While the art reflects some of Magritte's own work, the text sets readers on a fun and accessible path to learning about the simpler concepts behind Mr. Magritte's work. This delightful picture book captures the playfulness and the wonderment of surrealist art.

Hidden faces Rizzoli Publications

All loved, and were loved by, their artists, and inspired them with an intensity of emotion akin to Eros. In a brilliant, wry, and provocative book, National Book Award finalist Francine Prose explores the complex relationship between the artist and his muse. In so doing, she illuminates with great sensitivity and intelligence the elusive emotional wellsprings of the creative process.

[Salvador Dalí, 1904-1989](#) Courier Corporation

This lushly illustrated graphic novel re-creates a lost Marx Brothers script written by modern art icon Salvador Dali. Grab some popcorn and take a seat...The curtain is about to rise on a film like no other! But first, the real-life backstory: Giraffes on Horseback Salad was a Marx Brothers film written by modern art icon Salvador Dali, who'd befriended Harpo. Rejected by MGM, the script was thought lost forever. Author and lost-film buff Josh Frank unearthed the original script, and Dali's notes and sketches for the project, tucked away in museum archives. With comedian Tim Heidecker and Spanish comics creator Manuela Pertega, he's re-created the film as a graphic novel in all its gorgeous full-color, cinematic, surreal glory. In the story, a businessman named Jimmy (played by Harpo) is drawn to the mysterious Surrealist Woman, whose very presence changes humdrum reality into Dali-esque fantasy. With the help of Groucho and Chico, Jimmy seeks to join her fantastical world—but forces of normalcy threaten to end their romance. Includes new Marx Brothers songs and antics, plus the real-world story behind the historic collaboration.

[The Official Catalog of the Graphic Works of Salvador Dali](#) Prestel Pub

Surrealist painter Salvador Dali was one of the most important artists of the twentieth century, as well as a cultural figure who challenged convention. This heavily-illustrated book is a fascinating foray into the life and works of a man whose ability to reveal the gap between reality and illusion was a huge influence on artists and pop culture.

[50 Secrets of Magic Craftsmanship](#) State University of New York Press

Cult classic and collector's item, Dali's Mustache is the result of the astonishing artistic collaboration between surrealist Salvador Dalí and experimental photography pioneer Philippe Halsman. Dalí and Halsman were friends as well as professional collaborators for more than three decades. Subtitled *A Photographic Interview*, the concept of the book is one short question presented to Dalí, which Dalí answers, followed by a corresponding black-and-white photograph by Halsman. The photographs are intentionally absurd and hilarious. Early editions of this book came with a warning on the back that said "Warning! This book is preposterous." Question: "I have the feeling, to have discovered your secret, Salvador. Could it be that you are crazy?" Answer: "I am certainly saner than the person who bought this book."

[Hidden Faces. Translated by Haakon M. Chevalier. \[A Novel.\]](#) Tiger Books

Dali is the most famous artist associated with the Surrealist movement, but his official association with the movement was brief, following his expulsion by Andre Breton after five years. *Oui* was first published in French in 1971, and elicited a reassessment of Dali. Here through short fictions, essays and poems, Dali shows his love for his Spanish comrades, Bunuel and Lorca, his passion for the emerging arts of photography and cinema (UN CHIEN ANDALOU), his Catalan roots and subsequent entry into the cosmopolitan world of Parisian Avant Garde.

[Hidden faces. Translated by Haakon Chevalier](#) Harry N Abrams Incorporated

As far back as 1922 the great poet Garcia Lorca had predicted that I was destined for a literary career and had suggested that my future lie precisely in the "pure novel." In *Salvador Dalí's* only novel, the reader enters the bizarre world already familiar to us from his paintings. Dalí describes, in vividly visual terms, the intrigues and love affairs of a group of dazzling, eccentric aristocrats who, with their luxurious and extravagant lifestyle, symbolize the decadence of the 1930s. The story of the tangled lives of the protagonists, from the February riots of 1934 in Paris to the closing days of World War II, constitutes a brilliant and dramatic vehicle for Dalí's vision and reads as an epitaph of pre-war Europe.

[The Lives of the Muses](#) Cambridge University Press

Sensible artistic advice and lively personal anecdotes in rare important work by famed Surrealist. Filled with Dali's outrageous egotism and unconventional humor, insights into modern art and his own drawings in the margins.

[The Collected Writings of Salvador Dalí](#) Yale University Press

"Each morning when I awake, I experience again a supreme pleasure—that of being Salvador Dalí." He was a force unto himself, an icon of outrageousness, artistic brilliance, eccentricity, and unmistakable style. Salvador Domingo Felipe Jacinto Dalí y Domènech, Marquis of Pubol, was one of the foremost artists of the twentieth century, and in this concise narrative acclaimed art historian Mary Ann Caws provides a sharply written survey of his life and work. Salvador Dalí examines every twist and turn in Dalí's long and multifaceted career and the pivotal artistic movements at whose center he stood. From his early life in the Catalan region and his expulsions from the School of Fine Arts in Madrid and other schools to the surrealist movement and his work with Buñuel on the films *Un chein andalou* and *L'Âge d'or*, Caws charts Dalí's influences and creative process. Dalí's turbulent personal life brought him in contact with a rich assortment of intellectual figures, and Caws considers his relationships with his family; his lovers, including the married Elena Diakonova; and with friends such as poet Federico Garcia Lorca. His writings, drawings, photography, and painted works offer up new clues about the artist under Caws's incisive eye, as she analyzes his lesser-known writings and creative works, as well as his Surrealist paintings and "hand-painted dream photographs" such as *The Persistence of Memory*. A masterfully written biographical study, Salvador Dalí paints an arresting portrait of one of the most elusive artists of our time.
