It ' s time to redefine success. " The book you ' re about to read is an absolute game changer, life changer, and outlook changer. . . . You will never view success the same way again. And that ' s a very good thing. " — ERNIE JOHNSON JR., Emmy Award winner and host of TNT ' s Inside the NBA There ' s a message getting a lot of airtime these days. It says to be successful, you have to step into the spotlight, climb the ladder, become the boss, or chase whatever version of success that ' s been dangled in front of you. But what if there ' s another way? What if fame, money, and power aren ' t all that we should be chasing? In The Secret Society of Success, Tim Schurrer invites you to reevaluate your definition of success and learn a new, freer way to go about achieving it. How do you learn this approach? With the Secret Society as your guide—a community of people who know how to make an impact, whether they have the spotlight or not. The Secret Society will teach you to define success for yourself; contribute to your team without minding who gets the credit; make an impact that spans far beyond yourself, regardless of the size of your platform; navigate living in the tension between contentment and striving; go from feeling anxious, overwhelmed, and restless in your job to being confident in the value you bring to the team; and discover meaning and fulfillment in the work that you do. Through powerful stories of people like the CEO of Apple Tim Cook, NBA all-star LeBron James, Fred Rogers of Mister Rogers ' Neighborhood, and people whose names you ' ve never heard of, you will discover that the success you ' re looking for is within your reach, wherever you are and whatever your role. " The Secret Society of Success is an important book that everyone should read. It is not only insightful; it ' s inspirational. This book captures what it really means to be successful. I am for one ready to up my game! Thank you, Tim, for giving me this gift! " — DAVID NOVAK, cofounder and former chairman and CEO of Yum! Brands (KFC, Taco Bell, Pizza Hut)

The Secret Society of Success Veloce Publishing Ltd
America has been at war for most of the 20th and 21st centuries and during that time has progressively moved towards a vicarious form of warfare, where key tasks are delegated to proxies, the military's exposure to danger is limited, and special forces and covert instruments are on the increase. Important strategic decisions are taken with minimal scrutiny or public engagement. This compelling account charts the historical emergence of this distinctive tradition of war and explains the factors driving its contemporary prominence. It contrasts the tactical advantages of vicarious warfare with its hidden costs and potential to cause significant strategic harm.

Nancy Drew 27: the Secret of the Wooden Lady

Katherine Tegen Books
A gripping, emotional book that asks the question: What does it take to be a parent? Brand new from the bestselling author of *The Last Days of Us* In one split second, Aidan Whelan's perfect world is changed forever when his wife Rowan and three-year old daughter Milly are involved in tragic accident. Helena O'Herlihy and her husband James have been struggling in their marriage but a knock on the door telling her that James has been involved in a car crash, has Helena rushing to his side. When Aidan and Helena bump into each other at Dublin City Hospital, they soon begin to wonder if it's more than just coincidence that brought them there. Why were Rowan and James in the car together on that fateful morning? Through their pain and tears, they form a bond as they try to piece together what really did happen on the morning of the crash. As the lies begin to unravel and secrets are uncovered, can Aidan save what's left of his family and Helena her marriage? Praise for Caroline Finnerty: 'A book that will break your heart and then piece it slowly back together.' Sinead Moriarty 'Touching and poignant, this book took me on an emotional ride. A gripping and absorbing read.' Leah Mercer 'A story that will stay with you long after the last page. Beautiful!' Brooke Harris

Parliament ' s Secret WarNational Geographic Books
Nell Gwyn, the most infamous mistress of Charles II, was a commoner raised from the dingy back alleys of London to the stage and into a king ' s arms. Hers was a true rags to riches story that saw a young girl rise from selling oranges to capturing the heart of a king. The Restoration period was one of change. After the troubled years of the English Civil War, it was time for pleasure, debauchery and entertainment with the ' Merry Monarch ' restored to the throne. Nell was one of the first actresses on stage; a loveable comedienne who wowed audiences with her wit and charm. She fell in love with Charles Hart (one of the leading actors of the time), had a torrid affair with Lord Buckhurst and ultimately ended up in the king ' s bed. She stayed on the stage for six years, but she stayed in the king ' s heart for seventeen – his only mistress who was faithful to him. Set against the backdrop of Restoration London, this book charts Nell ' s life and that of her family and friends – from her drunken mother and troublesome sister to the most notorious wits of the age John Wilmot, 2nd Earl of Rochester and George Villiers, 2nd Duke of Buckingham. Nell had a generous heart and a

mischievous spirit, and was friends with people from all walks of life. The only woman she really detested was another of the king's mistresses, Louise de Kerouaille, known as the French Spy. This highly entertaining book will tell the story of Nell's life – the good and the bad – and show why Nell truly embodies the spirit of the Restoration.

International Conflict and Cyberspace Superiority Routledge

Speak up. Don't take it so personally. Just make a decision already. Every day, whether they're competing in the business world or serving in a nonprofit, women hear that they're not enough. Have you ever wondered, Why aren't things going the way I want them to? Why can't I create the change I long for? How can I move into a place of love, inner peace, and joyfulness? The *Divine Journey* offers a unique combination of thought-provoking ideas, real-life stories, targeted exercises, and guided meditations to catalyze your higher intuition and help you find your answers. Drawing from such diverse sources as the Ageless Wisdom teachings of Alice Bailey, *A Course in Miracles*, *The Urantia Book*, Seth, and the Christian Bible, author Janet Myatt offers a modern interpretation of complex spiritual concepts that can be applied to your daily experience. The *Divine Journey* takes you on a path of spiritual discovery to learn how the forces of creativity work within you and help you move out of painful ways of thinking and feeling into an awakened awareness that is limitless, loving, and powerful. You'll find tools to help you: Discover the divinity within you. Understand how your thoughts and desires determine your experience. Heal the mental and emotional patterns that cause suffering. Experience a deeper connection with yourself, others, and the world around you. Whether you are newly on the path of spiritual awakening or an experienced traveler, the concepts and techniques offered provide fertile ground for a transformational shift into your unlimited self.

Art and Aesthetics of Modern Mythopoeia V2 Atria/Emily Bestler Books

A sweeping tale of ambition and passion in the shattered world of post-war Paris - perfect for fans of Santa Montefiore and Kate Furnivall 1952. In the fragile atmosphere of post-war Paris, Sophie Bernot is training as a heart surgeon. A young woman in a man's world, Sophie is determined to bury her past and forge her medical career, whatever the costs. Across the channel, Sebastian Ogilvie is burning with ambition for his first architectural project. As his schemes lead him to France, and to a chance encounter with Sophie, his future seems full of promise. But when Sophie and Sebastian find themselves entangled in a brief, passionate affair, they each face a choice that will change their lives irrevocably, and a secret that will take years to be uncovered... Sweeping from Paris to London, to the snow-capped peaks of the Alps,

this is an unforgettable story of passion, heartache and forgiveness.

Sons of Cain American Girl Publishing Incorporated

A greater part of the feminist movement has considered traditional psychology to be both a product and a defense of the status quo, a patriarchal society. Here, Barbara Hill Rigney explores emerging feminist psychology by applying it to literary works by women who have depicted the relationship between madness and the female condition. The result is a fascinating and illuminating exposition, certain to be welcomed by students and scholars in literature and women's studies, as well as those in sociology and psychology whose interests include feminism and problems of women and society. Among the works Rigney considers are Charlotte Brontë's *Jane Eyre*, Virginia Woolf's *Mrs. Dalloway*, Doris Lessing's *The Four-Gated City*, and Margaret Atwood's *Surfacing*, all of which depict insanity in relation to sexual politics. These authors portray a patriarchal social system which, in itself, manifests symptoms of collusive madness in the form of war or sexual oppression and is thereby seen as threatening to female psychological survival. Each of Rigney's author subjects sees her protagonist as tragically divided between male society's prescribed roles for women and a sense of an authentic self. Thus emerges a pattern, common to all works, in which the divided self is reflected by the inevitable juxtaposition of the protagonist to a doppelgänger, an "insane" self, an extension of the protagonist who herself can be regarded as sane only by degree. A return to "true" sanity is traced through the patterns found in the selected works. Rigney explores the literary metaphor of the return of Demeter or the Amazon mother to restore the alienated female protagonists. In order to begin the return from psychosis, Rigney concludes, they must find the mother within themselves in the form of a feminist consciousness of self-worth.

The Measure of Success Harvest House Publishers

This book analyses the ways contemporary fiction writers draw on Shakespeare - the man, his work and his cultural legacy.

Lady Comfrey & The Secret of Cambraige Castle Boldwood Books Ltd

Now a Lifetime series "Hypnotic and scary." —Stephen King "I am RIVETED, AGHAST, AROUSED, you name it. The rare instance when prose and plot are equally delicious." —Lena Dunham From debut author Caroline Kepnes comes *You*, one of *Suspense Magazine's* Best Books of 2014, and a brilliant and terrifying novel for the social media age. When a beautiful, aspiring writer strides into the East Village bookstore where Joe Goldberg works, he does what anyone would do: he Googles the name on her credit card. There is only one Guinevere Beck in New York City. She has a public Facebook account and Tweets incessantly, telling Joe everything he needs to know: she is simply Beck to her friends, she went to Brown University, she lives on Bank Street, and she'll be at a bar in Brooklyn tonight—the perfect place for a "chance" meeting. As Joe invisibly and obsessively takes control of Beck's life, he orchestrates a series of events to ensure Beck finds herself in his waiting arms. Moving from stalker to boyfriend, Joe transforms himself into Beck's perfect man, all while quietly removing the obstacles that stand in their way—even if it means murder. A terrifying exploration of how vulnerable we all are to stalking and manipulation, debut author Caroline Kepnes delivers a razor-sharp novel for our hyper-connected digital age. *You* is a compulsively readable page-turner that's being compared to *Gone Girl*, *American Psycho*, and Stephen King's *Misery*.

German Anti-Nazi Espionage in the Second World War Running Press Kids

Human culture has always weaved myths around its pattern of existence for multiple purposes. The interplay of religion and social practices have found their own space within the sphere of mythology. It is possible to read mythical texts to probe into the greater picture of human civilization. The contribution of myths towards the shaping of human beliefs, behavioural patterns are evident and assessing them often reveals a plethora of cultural histories unexplored and therefore unacknowledged before. The contribution of mythopoeia towards the construct of human socio-cultural identity has been largely accepted. Modern academia has thus taken a strong interest in revisionist literature to understand the hitherto unknown nuances of human civilization. In the edited anthology, *Art and Aesthetics of Modern Mythopoeia: Literatures, Myths and Revisionism (Vol-II)*, like the first volume, an attempt has been made to anthologize the works of a large number of authors who have talked about pertinent issues in the context of myth-making, the latent politics of mythopoeia and has

taken into account several under-explored texts that are rich in mythical content. This volume offers a wide range of critical studies involving classical as well as modern myths around the globe.

Secret Bude Candlewick Press

LADY COMFREY AND THE SECRET OF CAMBRAIGE CASTLE

Bitter and angry, Lady Laural Comfrey determines to discover her father's murderer. Instead she uncovers a plot so bold it leaves her shaking. Madness and Sexual Politics in the Feminist Novel ABC-CLIO

Meet Jerry Parr. In 1981, he was the agent standing next to Ronald Reagan when John Hinckley, Jr., stepped out of the crowd, intent on killing the president. In the Secret Service is an adrenaline-filled ride through the life of the agent who saved Ronald Reagan's life. Jerry spent much of his life as a silent eyewitness to history, with a gun at his fingertips. What motivates a man who is ready at a moment's notice to step into the path of a bullet? In *In the Secret Service*, you'll also follow Jerry's inner journey. That journey led him from the halls of the powerful to the streets of the poor in Washington, D.C., to the mountain passes of war-torn El Salvador to help orphans. You won't want to miss this insider's perspective on the Secret Service and a look into the heart of a man who was—and is—ready to sacrifice himself for another. At times heart-pounding, at times heartrending, this richly textured memoir of a Secret Service Agent will first move you to the edge of your seat, then to the depths of your soul.

The Divine Journey Univ of Wisconsin Press

The inspirational story of George Washington Carver and his childhood secret garden is brought to life in this picture book biography by the author-illustrator team behind Muhammad Ali: A Champion Is Born. When George Washington Carver was just a young child, he had a secret: a garden of his own. Here, he rolled dirt between his fingers to check if plants needed more rain or sun. He protected roots through harsh winters, so plants could be reborn in the spring. He trimmed flowers, spread soil, studied life cycles. And it was in this very place that George's love of nature sprouted into something so much more--his future. Gene Barretta's moving words and Frank Morrison's beautiful paintings tell the inspiring life and history of George Washington Carver, from a baby born into slavery to celebrated botanist, scientist, and inventor. His passion and determination are the seeds to this lasting story about triumph over hardship--a tale that begins in a secret garden.

All Our Hidden Gifts Penguin

Adventure abounds on the Bonny Scot in Boston Harbor as Nancy Drew helps Captain Easterly uncover the mystery of his ghostly visitors. From the moment the clever young detective and her friends, Bess and George, take up residence on the old clipper ship they are confronted with fire, theft, and other dangerous situations. Nancy faces an additional challenge: to find a clue to the clipper's missing figurehead. If she is successful, it will help her lawyer father to trace the history of the Bonny Scot and establish a clear title to the ship for Captain Easterly. But strangely there are no records of the Bonny Scot's past. Why? And why has the prime suspect in the recent robbery at Bess Marvin's home followed the three girls to Boston?

A Land Apart National Geographic Books

This book examines cyberspace superiority in nation-state conflict from both a theoretical and a practical perspective. This volume analyses superiority concepts from the domains of land, maritime, and air to build a model that can be applied to cyberspace. Eight different cyberspace conflicts between nation states are examined and the resulting analysis is combined with theoretical concepts to present the reader with a conclusion. Case studies

include the conflict between Russia and Estonia (2007), North Korea and the US and South Korea (2009) and Saudi Arabia and Iran in the Aramco attack (2012). The book uses these case studies to examine cyberspace superiority as an analytical framework to understand conflict in this domain between nation-states. Furthermore, the book makes the important distinction between local and universal domain superiority, and presents a unique model to relate this superiority in all domains, as well as a more detailed model of local superiority in cyberspace. Through examining the eight case studies, the book develops a rigorous system to measure the amount of cyberspace superiority achieved by a combatant in a conflict, and seeks to reveal if cyberspace superiority proves to be a significant advantage for military operations at the tactical, operational, and strategic levels. This book will be of much interest to students of cyber-conflict, strategic studies, national security, foreign policy and IR in general.

Thirteen Reasons Why: By Jay Asher (Trivia-On-Books) Routledge

It's Sunday in America is about the return of mandatory Sunday worship and rest to the center of American national life and how this will shape the future of America and the world. American greatness rests upon its constitutional guarantees of civil and religious liberty. Separation of church and state in America created favorable conditions for human flourishing. Despite this, American history records numerous attempts at the state level to undermine the principle of separation through the establishment of laws regulating Sunday. For half a century after 1888 persistent attempts to introduce national Sunday legislation were made. Today, proponents of the myth of separation suggest the founding fathers never intended a wall of separation between church and state. Two competing conceptions of American freedom and greatness are contending for the loyalty of Americans. The rise of the religious right is creating the space in which conceptions of freedom and greatness that ruled seventeenth-century New England are seeping back into national consciousness. Sunday observance is central to these conceptions. *It's Sunday in America* is a timely warning about the emerging threats to religious liberty in the world's greatest democracy.

Charles II's Favourite Mistress Bloomsbury Publishing

The invasion of Iraq in 2003, and the Coalition Government's failure to win parliamentary approval for armed intervention in Syria in 2013, mark a period of increased scrutiny of the process by which the UK engages in armed conflict. For much of the media and civil society there now exists a constitutional convention which mandates that the Government consults Parliament before commencing hostilities. This is celebrated as representing a redistribution of power from the executive towards a more legitimate, democratic institution. This book offers a critical inquiry into Parliament's role in the war prerogative since the beginning of the twentieth century, evaluating whether the UK's decisions to engage in conflict meet the recognised standards of good governance: accountability, transparency and participation. The analysis reveals a number of persistent problems in the decision-making process, including Parliament's lack of access to relevant information, government 'legalisation' of parliamentary debates which frustrates broader discussions of political legitimacy, and the skewing of debates via the partial public disclosure of information based upon secret intelligence. The book offers solutions to these problems to reinvigorate parliamentary discourse and to address government withholding of classified information. It is essential reading for anyone interested in war powers, the relationship between international law and domestic politics, and the role of the Westminster Parliament in questions of national security.

Whitaker House

This thought-provoking work analyzes the major debates surrounding counterinsurgency campaigns and uncovers the internal security problems derailing effective strategies for restoring stability. • Examines the key factors that determine the use of "hard" versus "soft" operations • Features assessments on how to measure counterinsurgency and internal security effectiveness • Describes the major controversies surrounding counterinsurgency strategies and associated operations • Analyzes the elements impacting successful internal security operations
