every tour from 1955 to 2009, additional photographs and text, as well as a statistical section and an abridged history of the Lions. This is the history of the British & Irish Lions... in their own words. For 125 years the British & Irish Lions have stood out as a symbol of the ethics, values and romance at the heart of rugby union. To represent the Lions is the pinnacle for every international player in Britain and Ireland, and the dream of tens of thousands of

avid fans who follow them. A Lions tour, undertaken every four years to the southern hemisphere, is more than a series of rugby matches played out on foreign fields; it is an epic crusade where the chosen few face a succession of mental and physical challenges on their way to the Test arena, where they do battle with the superpowers of the world game. Behind the Lions sees four esteemed rugby writers from each of the Home Nations delve to

the very heart of what it means to be a Lion, using diaries and letters from those who pioneered the concept, to interviews with a vast array of players who have followed in their footsteps. In so doing they have uncovered the passion, pride and honour experienced when taking up the unique challenge of a Lions tour. This is a tale of heart-break and ecstasy, humour and poignancy that is at once inspirational, moving and utterly compelling. And it

is the only story worth hearing: the players' own.

Lee Denaro

has awakened suddenly to the fact that he is old.

The job market does not want him, despite his new PhD.

Young at heart, athletic, and reasonably good-looking, on occasion he finds himself still appealing to women much younger than his actual years. Now without rose-colored

glasses, he sees that plan A is a long shot. He has no plan B. But he is not giving up. He draws again closer to God to plead for a change in fate. To end a loser? No! It cannot be. Not one by nature to reminisce, nonetheless, Lee finds himself deep into introspection. Where did he go wrong? He is struggling in every manner of life. He is barely

hanging on financially and finds himself alone, without a wife or a girlfriend. Meanwhile, Abigail—Abby, Lee's childhood crush—has her own problems. Contrary to Lee, she is married, wealthy, and bored with life. And she has another major problem. She hates sex. To get Lee, that is a major hurdle. Sh-Boom is—and is not—a love story. Nor is

with fresh herbs, spices, and natural sweeteners. In *Clean Cocktails*, holistic health coaches Beth Ritter Nydick and Tara Roscioli bring a clean-living mindset to craft mixology. Their recipes use nothing but naturally low-calorie spirits; fresh juices loaded with vitamins; gentle sweeteners like honey and maple syrup; and anti-inflammatory spices like cinnamon, cayenne, and turmeric—the perfect alternative to drinks that are typically loaded with refined sugars, artificial flavors, and dyes. Much more than a compendium of cocktails, this book provides recipes for “clean” syrups and bitters so readers can easily build their own

delicious drinks. Nydick and Roscioli also highlight ingredients with health benefits, such as ginger (better digestion), cilantro (good for detox), and even vodka (metabolism booster, thanks very much). Many of the recipes offer pitcher-sized variations and feature innovative mixers like kombucha and iced tea.

**Happy Hours**  
**Robinson**  
“An impassioned case against a senseless system . . . Come for the cocktail recipes, stay for the call to arms.” —Clay Risen, author of *American Whiskey, Bourbon, and Rye*

“A potent, thought-provoking mixture of fun and ‘what the hell’ awareness.”  
—Lew Bryson, author of *Whiskey Master Class*

Across this nation, in breweries, liquor stores, bars, and even our own homes, we’re being stripped of our most basic boozy rights. Thanks to Prohibition and its 100-year hangover, some of the most outdated, bizarre, and laughably loony laws still on the books today center around alcohol and how we drink it. In New Mexico,

---

\$1 margaritas are illegal. In Utah, cocktails must be mixed behind a barrier called the “ Zion curtain. ” And forget about happy hour in Massachusetts—the state banned it in 1984. But we don ’ t have to stand down and dry up—it ’ s time to take to liquid protest. Created by the nation ’ s leading alcohol policy expert, Give Me Liberty and Give Me a Drink! combines the thirst-inducing pleasure of trivia with 65 recipes for classic and innovative cocktails. So arm yourself with a

mezcal-based One Pint, Two Pint, inspired by Vermont ’ s ban on beer pitchers, or The Boiling Point, a beer cocktail that is highly illegal in Virginia, and get ready to drink your way to a revolution on the rocks. Behind the Lions [enhanced edition] Notion Press and shroff publishers Happy HoursPenguin UK SPUNTINO Kensington Seems anything you do these days is an overture to trouble. Can't smoke or your lungs become festering cancer

depots. Can't eat your favorite food or your arteries turn into solid lead. Can't indulge in recreational drugs without some macho DEA officer banging down your door. But there is one thing left. You can drink. Yes, booze. Hooch. Spirits. And you can drink as much of it as you want, whether you're a happy-hour regular downing a few highballs, a beerswiggling frat boy, or a wine connoisseur who's been told to cut down or suffer the consequences. With nutritionist
