From humble beginnings in 1967, JIMS® has grown into one of the industry leaders producing performance parts, accessories, tools, transmissions, and high-performance engines all aimed at enhancing the Harley rider's experience. Originally, Jim Thiessen worked as a machinist with the aerospace industry. As bikes were brought to the shop in the early days for repairs and mechanical problems, customers would come to Jim looking for hard to find parts, or higher quality American made parts.

ORCA Engines: 113/132 and 139 EVO and 126 ... - RB Racing-RSR

Hell, a genuine Harley Davidson 80" motor can be bought complete for about \$3,000.00 so it looks like a lot of your \$8,810.00 is going for advertising and cnc machine tool payments. Not that we want to scare you to death, but there are engine builders that will screw together a 113" S&S motor for you for about \$5,500.00.
