A grammar school is one of
several different types of
school in the history of
education in the United
Kingdom and other English-
speaking countries, originally
a school teaching Latin, but
more recently an academically
oriented secondary school,
differentiated in recent years
from less academic secondary
modern schools. The main
difference is that a grammar
school may select pupils based
on academic achievement
whereas a secondary modern
may not. The original purpose
of medieval grammar schools

Grammar school - Wikipedia

Grammar for High School

Although based on grammatical structures commonly taught in secondary English classes, the sentence-composing approach differs greatly from traditional teaching of grammar. The activities in grammar books—naming of sentence parts and parsing of sentences—dissect dead sentences. For all your rhetorician's rules
