Wren and Martin's High School  
English Grammar & Composition  
is one of the most popular  
and widely used reference  
books on English Grammar. It  
not only helps the students  
to use the language, but also  
gives detailed information  
about the language.

A High School English Grammar  
Forgotten Books

This book has been designed by  
combining the goodness of the  
original Wren & Martin text,  
High School Grammar &  
Composition, and specialized  
content developed by a panel of  
competitive examination experts  
in the area of the English  
language. The USP is therefore  
adapting a classical text to  
the needs of the various  
admission and recruitment  
competitive examination  
aspirants. Its exhaustive  
coverage ensures that virtually  
no competitive examination  
remains untouched. Students  
preparing for descriptive tests  
such as UPSC (Compulsory  
English and General English  
Papers of Main Exams) and state  
PCS examinations, Judicial  
Services examination, Indian  
Forest Service examination,  
Statistical Services and many  
other examinations in which  
subjective papers/tests are  
mandatory will find this book  
immensely useful. The book is  
also a boon for those students  
who are preparing for objective  
tests such as Banking and  
Insurance, SSC, UPSC  
preliminary, Defence Services,  
Law entrance, Business School  
entrance examinations, and many  
other admission and recruitment  
examinations. A unique feature  
of this book is demonstration  
of the connectedness of the  
concepts and their applications  
visually, with the help of  
arrows and pointers. The

---

aspirant will also find questions from recent examinations on virtually every page of the book. An index of examination-wise questions has been included so that the aspirant can choose the sections according to the targeted examination and focus more. Topic-wise distribution of questions in English examination papers - both descriptive and objective - will also help aspirants to undertake a very well directed test-prep program using the book.

Wren & Martin Middle School English Grammar and Composition  
Hansebooks

High School English Grammar & Composition is one of the most renowned reference guides to learn English Grammar in India. This is a part of the series of books by Wren and Martin, and it provides a comprehensive study of grammar. First published in 1935, this grammar book is now being used extensively in numerous schools across Pakistan, India, and Burma. This book has been divided into two sections, containing 84 chapters in total. The first part is about Grammar and the second part is about Composition. Some chapters include Synthesis of Sentences, Conjunctions, Direct and Indirect Speech, Comparison of Adverbs, and The Noun: Kinds of Nouns. The content of this book has been greatly influenced by The Manual of English Grammar and Composition authored by J. C. Nestfield. Through the course of this book, the authors have dealt with the very basics of grammar such as forming sentences, identifying subject and predicate,

verbs, using adjectives as nouns, relative pronouns, and much more. The readers are also provided with insights into writing an essay, autobiographies, letters, and stories. High School English Grammar & Composition contains numerous exercises on grammar and composition that will help the readers test themselves from every angle.

*The High School English Grammar*  
John Wiley & Sons

Excerpt from The High School English Grammar: Based on Whitney's Essentials of English Grammar Since the first edition of this grammar was published in 1886, the Ontario High School course of study has been altered, and philological research has modified the views of English scholars on a number of subjects. The present work is intended to meet the existing conditions. It contains also the results of the criticisms and suggestions which the author has received from teachers who have used the old book. Like the first edition, this one has been constructed in accordance with the view that, while English grammar is a science

---

with important practical applications, it is, when properly studied, an intellectual discipline of the highest order. Like the first edition, also, this one is on an historical basis. Only on this basis can the structure of the language be intelligently explained. "Old English," as Prof. Skeat truly says, "is the right key to the understanding of Modern English, and those who will not use the key, will never open the book with all their fumbling." But, although many of the earlier forms and constructions are given, it is not intended that they should be memorized. Those which exhibit the main facts in the development of the language deserve especial consideration; the others have been introduced merely to illustrate statements which might otherwise be imperfectly understood. In accordance with the best pedagogical opinion, definitions have been omitted in this edition also. The so-called definitions in Section II. are summaries of the discussions rather than definitions of the once favored but mind-numbing type. It would be impracticable to note in a preface all the changes which have been found necessary to bring the book into line with modern scholarship and the present requirements of secondary education. One or two may, however, be pointed out. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
