How to Create a Pacing Guide for Your Course. Step 1: If you are not already familiar with the course, examine the course, textbooks, and any major projects that the course will include. Step 2: Look at your school's calendar for the year and figure out how many days of class you will have. If you don't want to take time to count each day, you can probably estimate around 170, but if you're able to be more accurate that's even better.
