Higher Chemistry - Course overview and resources - SQA

Think I've lost more marks in the multiple choice than in the rest but nothing too major so should hopefully do well Thanks for that, though I'm not gonna look into it in too much detail, will no doubt cause paranoia. I think you've made a mistake on one of the MC questions though, the one

that asks you to compare sodium hydroxide to ammonia.

2008 Chemistry Advanced Higher Finalised Marking Instructions
