CONTRIBUTIONS TO THE
SOCIOLOGY OF LANGUAGE brings

to students, researchers and practitioners in all of the social and language-related sciences carefully selected book-length publications dealing with sociolinguistic theory, methods, findings and applications. It approaches the study of language in society in its broadest sense, as a truly international and interdisciplinary field in which various approaches, theoretical and empirical, supplement and complement each other. The series invites the attention of linguists, language teachers of all interests, sociologists, political scientists, anthropologists, historians etc. to the development of the sociology of language.

Aileana Chattan suffers a devastating loss, then discovers she is to wed neighboring chief and baron, James MacIntosh -- a man she despises and whose loyalty deprived her of the father she loved. Despite him and his traitorous clan, Aileana will do her duty, but she doesn't have to like it or him. But when the MacIntosh awakens something inside her so absolute and consuming, she is forced to question everything. James MacIntosh is a nobleman torn between tradition and progress. He must make a sacrifice if he is to help Scotland move forward as a unified country. Forced to sign a marriage contract years earlier binding Lady Aileana to him, James must find a way to break it, or risk losing all -- including his heart. From the wild and rugged Highlands near Inverness to the dungeons of Edinburgh Castle, James and Aileana's preconceptions of honor, duty and love are challenged at every adventurous turn.

One Christmas Night Alpha Edition

The Fortunes of Texas: Membership in this family has its privileges... and its price. But what a fortune can't buy, a true – bred Texas love is sure to bring! THE STORM Famous and fabulously wealthy Ciara Wilde had led a charmed life – – until the day she decided to run away from her own wedding. Desperate to escape the pursuing press, the glamorous single woman sought refuge in a secluded cabin. But her

snow – covered safe haven was soon invaded by dangerously attractive Jace Lockhart – – a man tending to his own emotional wounds. Forced together by a raging blizzard, their passions overheated their long – denied desires. And although Jace had the power to make Ciara feel like Cinderella, she knew her mysterious lover could never promise a fairy – tale ending. Unless beauty could find a way to tame a beast....

Angel Harlequin Treasury-Harlequin Historicals 90s

In Auld Lang Syne: A Song and its Culture, M. J. Grant explores the history of this iconic song, demonstrating how its association with ideas of fellowship, friendship and sociality has enabled it to become so significant for such a wide range of individuals and communities around the world.

This engaging study traces different stages in the journey of Auld Lang Syne, from the precursors to the song made famous by Robert Burns to the traditions and rituals that emerged around the song in the nineteenth and early twentieth centuries, including its use as a song of parting, and as a song of New Year. Grant ' s painstaking study investigates the origins of these varied traditions, and their impact on the transmission of the song right up to the present day. Grant uses Auld Lang Syne to explore the importance of songs and singing for group identity, arguing that it is the

active practice of singing the song in group contexts that has made it so significant for so many. The book offers fascinating insights into the ways that Auld Lang Syne has been received, reused and remixed around the world, concluding with a chapter on more recent versions of the song back in Scotland. This highly original and accessible work will be of great interest to non-expert readers as well as scholars and students of musicology, cultural and social history, social anthropology and Scottish studies. The book contains a wealth of illustrations and includes links to many more, including manuscript sources. Audio examples are included for many of the musical examples. Grant ' s extensive bibliography will moreover ease future referencing of the many sources consulted.

Malachite Harlequin Books

On the Move presents a rich history of one of the key concepts of modern life: mobility. Increasing mobility has been a constant throughout the modern era, evident in mass car ownership, plane travel, and the rise of the Internet. Typically, people have equated increasing mobility with increasing freedom. However, as Cresswell shows, while mobility has certainly increased in modern times, attempts to control and restrict mobility are just as characteristic of modernity. Through a series of fascinating historical episodes Cresswell shows how mobility and its regulation have been central to the experience of modernity.

Fans of "romance a la Outlander" (RT Book Reviews), will love this sexy, action-packed Scottish historical as a battle-hardened Highlander will fight with all he has to save the woman he loves--even if she can never love him back. After being unceremoniously jilted by her betrothed, Lady Mairi MacKenzie is humiliated and heartbroken - but she's not desperate. As the

daughter of an earl, she won't give her hand to just anyone, and she definitely isn't swayed by a last-minute proposal from Laird Duncan MacRae. The powerful clan chieftain may be disarmingly handsome and charming, but he's not a nobleman. Mairi doesn't want his pity or his charity - even though his dark smoldering gaze makes her melt with desire. Dunn may be a battle-hardened clansman, but he's always had a soft spot for Mairi. For years, she tormented him with flirtation - only to reject him. But he's not giving up. When Mairi is attacked by redcoats, Dunn goes after the woman he loves. Through brute strength and fierce action, he will protect her life at any cost. But to win her heart, he will have to show her the tenderness in his own.

Diamond Harlequin

A GREAT READ FOR YOUNG PEOPLE INTERESTED IN ADVENTURE! This is the Saga of Eirik the Red or Eric the Red. This volume is more saga, or fact, than fiction. Despite this being a fact-based saga there is still plenty of action to enthral, for Eirik the Red and his two sons, Thorstein and Leif, were definitely men of action. It charts how his family first came to Iceland, his birth, his removal from Norway, his discovery of Greenland and the birth of his, more famous son Leif (Ericson/Erickson). It also

gives account for time spent in Vinland (Nova Scotia) and gives account of their interaction with and action defending against the people they called the Skrlingar, or, North American Indians. The translators have also supplied the modern geographic names of the area of Nova Scotia where dwellings were built. This volume also charts some of Leif Ericsons life. Also known as Leif the Lucky, he was the second son of Eirik the Red and certainly also displayed the Viking spirit of adventure and exploration. As a young man Leif Ericsson visited Norway, where he converted to Christianity. He was charged with returning to Greenland to convert the populace, but instead sailed further west and is believed to have landed somewhere in Nova Scotia. He spent a year in North America before returning home to Greenland, where he served as governor converting the island to the Christian belief (for a more complete account of Leif's saga try The Thrall of Leif the Lucky also republished by Abela Publishing). The film The Viking (1928) was based on the life story of Leif and incorporates a good deal of authentic Viking history.

"The Dance" by Margaret West Kinney is a book about dance as a form of art. The writing includes a chapter of explanation of the salient steps of the ballet. These steps, with superficial variations and additions, form the basis also of all-natural or "character" dances that can lay claim to any consideration as interpretative art. Direct practical instruction is furnished on the subject of present-day ballroom dancing, to the extent of clear and exact directions for the performance of steps now fashionable in Europe and America. Some notable titles are: The "Schuhplatteltanz" Classic Ballet Positions Fundamental Positions of the Feet The "Tango" Development of an Arch "À La Pirouette", etc.

One Christmas Night Silhouette

A Ruth Ryan Langan Historical Romance Classic. Abby Market and her family join a wagon train heading West, leaving behind all that is familiar. A gunman named Rourke, a loner, a battle-scarred Union veteran, hires on to guard the wagon train to its final destination, California. Rourke finds himself drawn against his will to the tough, determined Abby. Across the miles, as they face the perils of death, disease and attack by those who would destroy them, Abby and Rourke band together to survive, and discover a love as fierce as the land itself. But when Rourke's bitter past threatens to destroy them, they must do everything in their power to survive, even at the cost of the love they have come to treasure above all else.

Conor Walter de Gruyter

THE O'NEIL SAGA A family driven by destiny! Briana O'Neil... Regaled with tales of her brothers' adventures, Briana hoped to follow in their footsteps and fight for the freedom of their homeland. But while she'd dreamed of joining the fray, she'd never considered that she herself would ever fall victim to an enemy's sword... Keane O'Mara... When embittered Keane O'Mara found the wounded Briana, he

thought the fight for freedom had claimed another innocent, but her remarkable recovery lit a spark of hope deep within him. And he knew that with this woman by his side they would soon regain what was rightfully theirs!

Highland Barbarian Penguin

Conor, a young Irish aristocrat, was recruited by the Queen of England due to his incomparable looks and talent. Around the same time, Emma started attending the queen's court as a lady-in-waiting. However, she was actually sent there as a spy to investigate Conor, who has great influence over the queen! But the more she gets to know him, the more these forbidden feelings grow in her heart. "I can't believe I fell in love with him!"
