Few secrets can be kept forever. She married him for her cause- but her real identity puts them both at risk. Sacrifices and second chances in Medieval Scotland. Fyfa is tired of keeping secrets from her husband. However, her marriage to the steward of

Stirling Castle is based on a lie. Belonging to an order of druidesses sworn to protect Scotland from invaders, Fyfa's dedicated her life to preserving Scottish freedom. She wed him in order to gain access to those who rule Scotland-and now, five years later, she's locked in a marriage to a man who distrusts her. Hume Comyn thought he knew his wife-but with each passing year, he realizes he does not. Fyfa's mysterious ways lead him to believe she has taken a lover. He has no idea who she really is. Estranged and distrustful of each other, Fyfa and Hume are locked together in Stirling Castle as the English lay siege. But after Edward of England unleashes a new weapon that spells Scottish defeat, husband and wife must work together to help protect the man who will save Scotland. But can they also rescue the ruins of their marriage? Book Two of the Guardians of Alba series, FYFA'S SACRIFICE takes you back to 14th Century Scotland amidst the Wars of Scottish Independence. Immerse yourself in political intrigue, Celtic mysticism, betrayal, high-adventure, and steamy romance. Highland Dragon Warrior Harlequin Treasury-Harlequin Historicals 90s The guardians of the Stone of Destiny through the lineage of time have protected this ancient holy

relic up into modern times. From the stones introduction to human society to as far as ancient Egypt under the protection and stewardship of Princess Scota, daughter of Nefertiti and sister of Tutankhamun, the relic has traveled through many countries such as the Iberian Peninsula and Ireland, eventually coming to rest in Argyll, Scotland, where the Scots and Irish had adopted her name for their tribes and succession. Through the course of this

guardianship, the relic was eventually placed with the Knights Templar, Holy Order of Scotland, and overseen by the Earl of Fife, where we know that through the warring years known better by the scholars as the Hammer of the Scots and the year 1296 specifically, where Edward Longshanks had raided Scotland in order to acquire this important relic. However, if true history is to be known, we may find that all was not as Edward had planned, and having returned to

Scotland for a period covering seven years or so, King Longshanks was still not convinced that he had succeeded in his mission and eventually died near Lindisfarne before discovering the truth. As we move into modern times, we may discover that the guardians may have misplaced the holy relic during their tenure and the stone was secreted in various locations through the centuries across Scotland, including the River Tay near Dundee and Dunsinane Castle near Scone,

the disputed home of King MacBeth and his wife, Gruogh. In the account that is portrayed within this narrative, we may find that the relic has been, on occasions, vulnerable, and the guardians are pitched against an unknown enemy from within once more as they endeavor to save the stone from modern-day scientific study methods that could destroy the relic for eternity.

A History of Peeblesshire
Edinburgh
University Press
An Edinburgh

Classic edition to commemorate the 700th anniversary of the Battle of Bannockburn in 1314 Highland Wolf Pact Wheeler Publishing, Incorporated Shawn has a skyrocketing musical career, fans, fame, money, a beautiful girlfriend and all the women he wants. Everything changes when he falls asleep in a castle tower and wakes up in medieval Scotland. Mistaken for the castle's future laird, he is forced to make a dangerous cross-country trek with a beautiful woman wielding a knife, pursued by English soldiers and a Scottish traitor, to

raise men for the critical battle at Bannockburn. Niall Campbell, Shawn's opposite in everything except looks, is no more happy to find himself caught in Shawn's life, pursued by women, the target of an angry girlfriend, expected to play a sell-out concert, and hearing the account of his own death and Scotland's annihilation at Bannockburn. He vows to figure out what went wrong at the battle, and find a way back to change it. Blue Bells of Scotland is both an action-packed adventure and a tale of redemption that will be remembered long after the last

English enemies. Few know that Robbie Redcloak, the legendary highwayman who could find his way to hell and back, is in reality Sir Quinton Scott, scion of a powerful Scottish clan. Captured during a daring raid, he's sentenced to hang. Luck comes his way in the form of an

unlikely savior: a silver-blond beauty who risks her life to save his. Quin doesn't know why Janet Graham helped him escape. But now it isn't safe to leave her behind. Sworn to protect her on the dangerous road ahead, Quin is unprepared for the passion his lovely rescuer awakens. As

his notorious past catches up with him, he's ready to gamble everything for the price of his freedom—and the love he can no longer live without. *Border Fire* is the 2nd book in the *Border Trilogy*, but you may enjoy reading the series in any order. **The Highlander Is All That** iUniverse In this sexy

"The mix of hard-headed realism and fantasy in this novel is enchanting...
"—ELOISA JAMES for Barnes and Noble Reviews for Legend of the Highland Dragon Legend claims When Scotland fell to English rule The Highland dragons took a vow: Freedom at any price. The war may be over, but so long as English magic controls the Highlands, not even a dragon laird

can keep his clan safe. What Cathal MacAlasdair needs is a warrior fierce enough to risk everything, yet gifted enough to outwit an enemy more monster than man. What he needs is Sophia. Alchemist Sophia Metzger traveled to Loch Arach in search of knowledge. She never dreamed she'd learn to do battle, ride through the stars on the

back of a dragon, or catch the eye of a Highland laird. But as her quest turns to sizzling chemistry and inescapable danger, she'll soon discover the thrill of being caught in a dragon's claws... Dawn of the Highland Dragon Series: Highland Dragon Warrior (Book 1) Highland Dragon Rebel (Book 2) Highland Dragon Master (Book 3) What

People Are saying About Isabel Cooper: "Something magical happens when elements of romance and fantasy combine. Cooper's delicious Highland Dragon Rebel has it all, including a strong heroine, intriguing hero, heated sensuality and thrilling action/adventure." -RT Book Reviews for Highland Dragon Rebel "Will keep you turning

pages until you reach the very end." -Book Riot for Highland Dragon Master "Smartly written, fast-paced, and brimming over with magic and surprises, this is exactly what readers crave." -RT Book Reviews 4 1/2 Stars, TOP PICK! for Night of the Highland Dragon *Highland Burn* Loveswept In the pre-dawn hours of August 24th, 1305, in London's

Smithfield Prison, the outlaw William Wallace—hero of all the Scots and deadly enemy of King Edward of England—sits awaiting the dawn, when he is to be hanged and then drawn and quartered. This brutal sundering of his body is the revenge of the English. Wallace is visited by a Scottish priest who has come to hear his last

confession, a priest who knows Wallace like a brother. Wallace's confession—the tale that follows—is all the more remarkable because it comes from real life. We follow Wallace through his many lives—as outlaw and fugitive, hero and patriot, rebel and kingmaker. His exploits and escapades, desperate struggles and victorious campaigns are all here, as are the high ideals and fierce patriotism that drove him to abandon the people he loved to save his country. William Wallace is the first heroic figure from the Scottish Wars of Independence, a man whose fame has reached far beyond his homeland. Wallace served as a subject for the Academy Award-winning film Braveheart. In The Forest Laird, Jack Whyte's masterful storytelling breathes life into Wallace's tale, giving readers an amazing character study of the man who helped shape Scotland's future.
