Shrimad Bhagavat is renowned as one of
the greatest compositions in Sanskrit
Literature. The 18th Purana composed by
Maharishi Veda-Vyasa, it stands
unparalleled in its distinct and
resplendent exaltation of devotion to God,
revealing throughout the quintessence of
Vedantic teachings. Masterfully profound
and delightfully enchanting, Shrimad
Bhagavat abounds in work-paintings of
the supreme Lord's wondrous and
endearing avatars, divine sports and
devotees - paintings that kindle, intensity
and establish devotion in one's heart.
This spring of devotion leads one to
satsang, to the Guru and to teachings that
unveil one's essential nature of Brahman.
Goswami Tulsidasji's Devised Sri Sankat
Mochan Hanuman Charit Manas Roli Books
This book offers a translation of the seven
thousand verses of the second book of the
medieval Hindu text, the Ganesa Purana, one
of two Puranas dedicated to the important
elephant-headed god. In this book the reader
is given many narratives about Ganesas
ascent to earth in order to kill demonic
figures who threaten to overthrow the correct
world order. In addition, these narratives
contain myths about Ganesa's birth and
family as well as some extended and quite
humorous myths about ideal devotees of the
god. The translation is preceded by a long
introduction offering a geographical and
historical context for the GanesaPurana.
Following the translation are very extensive
notes which bring our points of philological
interest, but focus mainly on the literary
structure of the text and the methods used to
present the many myths and narratives in a
coherent and fully integrated manner.

A New Catechism Rowman & Littlefield
One of India's greatest epics, the
Ramayana pervades the country's moral
and cultural consciousness. For generations
it has served as a bedtime story for Indian
children, while at the same time engaging
the interest of philosophers and
theologians. Believed to have been
composed by Valmiki sometime between
the eighth and sixth centuries BCE, the
Ramayana tells the tragic and magical story
of Rama, the prince of Ayodhya, an
incarnation of Lord Visnu, born to rid the
earth of the terrible demon Ravana. An
idealized heroic tale ending with the
inevitable triumph of good over evil, the
Ramayana is also an intensely personal
story of family relationships, love and loss,
duty and honor, of harem intrigue, petty
jealousies, and destructive ambitions. All
this played out in a universe populated by
larger-than-life humans, gods and celestial
beings, wondrous animals and terrifying
demons. With her magnificent translation
and superb introduction, Arshia Sattar has
successfully bridged both time and space to
bring this ancient classic to modern English
readers.

This volume brings together leading
scholars of Sikhism and of Sikh art to assess
and interpret the remarkable art resource
known as the Kapany Collection, using it to
introduce to a broad public the culture,
history, and ethos of the Sikhs. Fifteen
renowned scholars contributed essays
describing the passion and vision of
Narinder and Satinder Kapany in
assembling this unparalleled assemblage of
great Sikh art, some of which has been
displayed in exhibitions around the globe.
The Kapanys' legacy of philanthropic work
includes establishing the Sikh Foundation
(now celebrating its 50th year) and
university endowments for Sikh studies.
Through this profusely illustrated book's
chapters, scholars examine the full range of

Sikh artistic expression and of Sikh history
and cultural life, using artworks from the
Kapany Collection.

The Story Of My Experiments With Truth
is a bestseller which describes the ups and
downs of the author's life. This book is
about the author's experiments in his life,
and how he developed himself as a person.
This book instead of explaining Gandhi as
a perfectionist, instead describes his many
flaws and how he defeats his problems with
his enormous willpower. The Story Of My
Experiments With Truth is the story of a
simple, immoral man who eventually
transforms into a great freedom fighter.
This book contains various incidents in this
author's life from his birth to 1920s. His
time in South Africa as an anti-apartheid
activist is also looked into. This
autobiography begins when he was a
common man and ends right around the
time he became an international figure.
How he became Gandhi is quite fascinating
to read. His philosophies of simplicity,
nonviolence, and truth are
comprehensively explored. This book is
easy to read as it has good translation. The
Story Of My Experiments With Truth was
published by Om Books in 2010, and is
available in the form of a paperback.
The Mālavikāgnimitra Motilal Banarsidass
The autobiography of Paramahansa Yogananda
(1893 - 1952) details his search for a guru, during
which he encountered many spiritual leaders and
world-renowned scientists. When it was published
in 1946 it was the first introduction of many
westerners to yoga and meditation. The famous
opera singer Amelita Galli-Curci said about the
book: "Amazing, true stories of saints and masters
of India, blended with priceless superphysical
information-much needed to balance the Western
material efficiency with Eastern spiritual efficiency-
come from the vigorous pen of Paramhansa
Yogananda, whose teachings my husband and
myself have had the pleasure of studying for twenty

years."

Unlock the mysteries and insights of Indian astrology Vedic astrology--known as Jyotish in its home of India--can be a powerful channel of insights and revelations in your daily life. But how to unlock this complex tool? Vedic Astrology for Beginners breaks down the core concepts of Vedic astrology, showing you how to analyze your birth chart to better understand your personality, relationships, and life path. Discover the ancient origins of Vedic astrology and its differences from Western astrology. Explore detailed profiles of each planet, zodiac sign, and the other essential elements of a Jyotish natal horoscope. With these foundational steps, you'll gain a better understanding of your physical, emotional, and spiritual experiences--and even begin to anticipate your future. In Vedic Astrology for Beginners, you'll find: Key components--Learn the basic elements of Vedic astrology, including the planets, signs, houses, and lunar mansions--each representing or influencing areas of your life. Chart your birth--Get started on analyzing your birth chart with a primer on the processes of assembly and evaluation, plus an example chart analysis. Astrological resources--Explore a glossary of helpful Sanskrit terms and determine your exact planetary placements with handy calculation charts. Relieve stress and start bringing balance to your life with Vedic Astrology for Beginners.

Manipal Universal Press
Description: Makhan Lal Sen's The Ramayana of Valmiki is a modernized version in English prose of the great Sanskrit epic Ramayana. The appeal and freshness of epic poems transcend all limitations imposed by time, space, age, caste, creed, society and language. All, irrespective of their age, succumb to the charms and fascinating personalities of its heroes, who have inspired countless men of different generations and spurred them on to perform almost superhuman task. Modern civilization owes most of dazzling achievements to such inspiration. Valmiki's Ramayana is something more than an epic. No one has built shrines in honour of Horner's heroes, to worship them as God. In contrast, from the time of its composition to this day, Valmiki's hero never lacked devotees. The reason for this strange phenomenon lies in this: in the Greek epics the cause is ambition, and the effect is the valour of its

heroes; in Ramayana the cause is the moral welfare of society and the effect is the ideal conduct of its heroes under the most trying circumstances that destiny can weave. Rama is a personification of all that is expected of an ideal son, ideal brother, ideal husband, ideal prince, ideal ally, ideal commander and an ideal king. Translation of epics and rendering them in prose, is, at the best of times, an hazardous and arduous job. Here the translator has done his best to capture to a remarkable degree the grandeur of the epic, the loftiness of its thought, the simplicity and elegance of its enduring beauty. This book, being one of those rare ones which elevates one's soul, should find a place under every roof. Valmiki Ramayana - Critical Essays South Asia Books

Gayatri is the most renowned of the Vedic mantras. Addresses to Savitr, symbolizing the Supreme Light of all Lights, it forms part of a traditional Hindu sacraments. But in reality there is nothing Hindu about it. A lofty prayer unmatched in its sublimity, it is as well a prayer for the whole of humanity.

Torvey R m ya a V&S Publishers
CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students, researchers and practitioners in all of the social and language-related sciences carefully selected book-length publications dealing with sociolinguistic theory, methods, findings and applications. It approaches the study of language in society in its broadest sense, as a truly international and interdisciplinary field in which various approaches, theoretical and empirical, supplement and complement each other. The series invites the attention of linguists, language teachers of all interests, sociologists, political scientists, anthropologists, historians etc. to the development of the sociology of language.
