Partly autobiographical and Yashpal's first novel, Dada Comrade is an extraordinary book, fast-paced and philosophical by turn. It tells the story of a young revolutionary, Harish, who, towards the end of the 1930s, is expelled from his revolutionary party, which also plans to kill him as he knows too much. Meanwhile, he and Shailbala, a member of the party and the daughter of a wealthy Lahore industrialist, develop a romantic relationship. An unusual heroine, Shailbala is outspoken about sexual freedom and constantly challenges others about their patriarchal mindsets. As Harish escapes the party's clutches and organizes the railway workers of Lahore into striking en masse, he is framed by the British government that leads to his trial. Shailbala, on the other hand, confronts her father and decides to keep the child conceived with Harish. She finds a new ally in this decision-Dada, the ageing leader of Harish's revolutionary party who had earlier condemned him. Raising questions about the means to achieve freedom and equality, as well as about desire, marriage and birth control, Dada Comrade was far ahead of its time and heralded the arrival of a literary genius. Translated seamlessly and including a scholarly introduction by Simona Sawhney, it will resonate with and compel today's readers to examine their ideals and values. Foundation Course for NEET (Part 2): Chemistry Class 9 Arihant Publications India limited Jaishankar Prasad's epic poem Kamayani (1936) is a feast for intellectuals. It operates at three different levels: the gross or mythological, the emotional and the spiritual. Prasad infused the vision of a rishi, a sage, into this work. The reader experiences poetic currents of human emotions - anxiety, hope, desire, love, shyness, sorrow, conflict - and finally emerges at an elevated level of consciousness.

"Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is a story of two friends - one Hindu and the other Muslim." "Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons." "Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow." --BOOK JACKET.

Kabir was a 15th century Indian spiritual master who left a legacy of extraordinary poems which continue to capture the imagination of a diverse audience today. The poems downplay the importance of ritual and austerity, and teach that God is not confined to centers of worship or places of pilgrimage but found everywhere in creation. Most importantly, God is within us and this is where we must meet him. Kabir elevates us into the realm of the spirit - a world of beauty, majesty, even romance, where the relationship between lovers is a recurring metaphor for our relationship to the divine. For the last century, Rabindranath Tagore's classic translation, "Songs of Kabir," has been the standard, but over the years it has suffered the ravages of time. In "Kabir Says," David Masterman has reworked Tagore's translation and breathed new life into it for the 21st century reader. But this edition goes beyond merely updating language and style; it considerably enhances the poetic form and flow of the English translation, and a new introduction and appendix have also been added to add depth to the reader's understanding.
