The High School Entangled: Embrace Mephistopheles is the fourth and final volume of Jeffrey Burton Russell's critically acclaimed history of the concept of the Devil, continuing in this volume the story from the Reformation to the present.

*Preacher and Homiletic Monthly* Cornell University Press

A lady thief—dressed as a lad—stumbles into trouble on the Scottish border in a romance by this “superbly talented” author (Cathy Maxwell, New York Times—bestselling author of *Her First Desire*). As the new castellan, Sir Nicholas Beringar has the daunting task of rebuilding Ravenmoor Castle on the Scottish border and gaining the trust of the locals—one of whom wastes no time

in trying to rob him. Instead of punishing the boy, Nicholas decides to make him his squire. Little does he know the thieving young lad is really . . . a lady. Lady Elizabeth Armstrong had donned a disguise in an attempt to free her brother from Ravenmoor's dungeons. Although intimidated by the confident Englishman with his well-honed muscles and beguiling eyes, she cannot refuse his offer. Nicholas senses that his new squire is not what he seems. His gentle attempts to break through the boy's defenses leave Elizabeth powerless to stem the desire that engulfs her. And when the truth is exposed, she'll have to trust in Nicholas's honor to help her people—and to surrender to his touch . . .

Finding Meaning in Life, at Midlife and Beyond Bloomsbury Publishing USA  
Pretentiousness is the engine oil of culture; the essential lubricant in the development of all arts, high, low, or middle.

*Weekly Compilation of  
Presidential Documents*

Crossway

David Sobel defends subjectivism about well-being and reasons for action: the idea that normativity flows from what an agent cares about, that something is valuable because it is valued. In these essays Sobel explores the tensions between

subjective views of reasons and morality, and concludes that they do not undermine subjectivism.

**J. I. Packer** Oxford University Press  
Having been mentored by Viktor E. Frankl, the founder of logotherapy, Emeritus Professor David Guttman authored this book so general readers may understand this approach to finding meaning in life at the point when most of us begin deeply wondering over that question, at midlife and beyond. Especially in this day and age of multiple demands on our time and seemingly non-stop obligations, we too often find that it is only when the dust settles, after a work day or work week, or even after retirement, when we begin to

---

wonder: What is the meaning of life? The purpose? This book is a new millennium venture into those questions and their answers using logotherapy, written by a sage understudy who recalls Frankl, with his logotherapy, as the epitome of his theory even at 80 years old, wise and witty, exuding an energy, enthusiasm and youthful spirit that belied his years by decades. Aging does not diminish our power, our energy, and our quest for life, but reshapes it with new understandings, goals, and needs. But, says Guttman, we live in a technical and machine-based world now, in which there is a danger of losing our souls. Here, readers find a new, creative perspective on aging and a fresh spiritual outlook. This book will be of interest not only to general readers,

especially those at midlife and beyond, but also to their families, friends, and students or professionals in the helping professions. This unique work provides knowledge to find meaning in life derived from the fields of philosophy, psychology, religion and gerontology, with case illustrations and vignettes to give readers both intellectual pleasure and practical guidance.

The Homiletic Review Oxford University Press, USA

Livingston shows how a passion for the gospel of Jesus Christ is the fountain that sustains a God-glorifying, enjoyable, and durable marriage. The author challenges couples to experience Gods best as He designed it to be. (Relationships)

*In Defense of Property* Taylor & Francis US  
Here is a refreshing look at life as it ought to

---

be. Bare feet, gardening, dawdling over the newspaper, oversleeping, and idle summer vacations are infinitely more satisfying than counting fat grams, eating only vegetables, and sitting behind that desk every day. So toss out the guilt and rebel. Don't just stop and smell the flowers--call in sick and lie among them, preferably with a good friend, a bottle of wine, and a handful of chocolates. *Endangered Pleasures* is a delightful reminder that rest and relaxation are more rewarding than a job performance review. After all, life's too short. Why not have some fun while you're supposed to be living it?

*The Pacific Reporter* University Press of America

A novel in which Rousseau reconceptualized the relationship of the individual to the collective and articulated a new moral

paradigm

*National Leaflet* Broadview Press

Only a noble lie can save us from the psychological and social chaos now threatened by the spread of skepticism about the meaning of life and the universe.

*An Oath Taken* Zebra Books

For the last 60 years, J. I. Packer has exerted a steady and remarkable influence on evangelical theology and practice. His many books, articles, and lectures have shaped entire generations of Christians, helping elevate their view of God and enliven their love for God. In this new biography, well-known scholar Leland Ryken provides readers with a compelling overview of Packer's interesting life and influential legacy. Exploring his childhood, college days, theological education, and

---

professional life in both England and America, this volume combines detailed facts with personal anecdotes so as to paint a holistic portrait of the man himself. Finally, Ryken identifies lifelong themes evident in Packer's life, ministry, and writings that shed light on his enduring significance for Christians today.

She's Penna Carstairs. The Renegade they call Rebel. FMX-treme Magazine's sexiest female athlete of the year. There's no rule in extreme sports she hasn't broken, No gender barrier she hasn't demolished. She's the woman I met in a bar in Vegas. The woman I illegally BASE jumped for. The woman I spent one insane, incredible night with. But now I'm screwed. Or rather...not screwed. Because the woman I can't get out of my head is the one woman I can never touch again.

I'm Dr. Cruz Delgado—the youngest professor on this campus, And Penelope Carstairs just walked into my class. Each book in The Renegades series is a standalone story that can be enjoyed out of order. Series Order: Book #1 Wilder Book #2 Nova Book #3 Rebel

*Pretentiousness* Penguin

In this life-changing book, energy medicine expert Rhys Thomas shows you how to discover your life purpose and align your decisions with your deepest self, so your life is fulfilling, productive, and full of joy. Trying to meet everyone else's expectations about the type of role you should play—whether in your job, your family, or society—can leave you constantly striving but ultimately dissatisfied. In this inspiring book, Thomas guides you in using the Rhys Method® Life Purpose Profile System to identify your purpose and reconnect with your passions, so you can find true

---

happiness and fulfillment. This system of self-discovery encompasses five distinct soul-based profiles. Which one are you? - Creative Idealists are highly imaginative thinkers who sometimes self-isolate, feeling safer staying in their inner mental world than engaging with others. - Emotional Intelligence Specialists are empathic, sensitive, and compassionate but sometimes struggle with being overwhelmed and feeling unloved. - Team Players are loyal supporters who selflessly put others' needs before their own, but they can fail to recognize their own strengths and needs. - Charismatic Leader-Charmers are energetic, dynamic, and capable, but they can become distrustful, self-centered, and even aggressive, in their relationships. - Knowledgeable Achievers are driven, self-disciplined, and organized big-picture thinkers. They sometimes lose touch with their emotions and push themselves too hard, becoming overly critical and judgmental. Once you identify your primary life-purpose profile, as well the other profiles you may inhabit, you can move toward your unique calling—embracing your strengths and rejecting unhealthy behaviors. Discover Your Purpose also helps you to better understand and relate to others through their profiles. Included in this book are resources and bio-energetic exercises designed for your individual profile to help you reach your fullest potential in mind, body, and soul.

**Julie, Or the New Heloise** eKensington  
For His Pleasure is a New York Times and USA Today bestselling series, and with each new book in the series, the romance only gets hotter... This volume contains the first two books in the For His Pleasure series (FOR HIS PLEASURE & FOR HIS TAKING) When twenty-two year old Nicole Masters gets a highly coveted internship working

for one of the largest advertising companies in the world, she can't believe her luck. But Jameson International isn't just any company. It's owned by thirty-two-year-old business mogul and celebrity, Red Jameson. Red is known for his high flying lifestyle; dating models and hanging with the rich and famous. The powerful billionaire can have any woman he wants, and the naive college graduate can't imagine making much of an impression on her new CEO. But when Red Jameson takes notice of her and invites her up to his secluded office one day, everything changes.

For His Pleasure (Books One and Two)

Bloomsbury Publishing USA

Important American periodical dating back to 1850.

Sea Glass Sunrise Xulon Press

"When D.C. lawyer Hannah McCrae heads home for her brother's wedding, she's dragging a lot of baggage along with her--and she doesn't mean suitcases. Betrayed personally, and humiliated

professionally, the last thing she wants is a new man. That's fine with square-jawed, rugged contractor Calder Blue. He and Hannah may be wildly attracted to one another, but all he wants is to build the town's hotly contested new yacht club and mend a centuries-old family feud. Yet thanks to resentments old and new, day after day the pair wind up tangled in each other's business--and maybe soon in each other's arms"-- Page 4 of cover.

**Hearings on National Defense Authorization Act for Fiscal Year 2003--H.R. 4546 and Oversight of Previously Authorized Programs, Before the Committee on Armed Services, House of Representatives, One Hundred Seventh Congress, Second Session** Vintage

Covering American literature from its pre-contact Indigenous beginnings through the Reconstruction period, the first two volumes of The Broadview Anthology of American Literature represent a substantial reconceiving of the canon of early American literature. Guided by the latest

---

scholarship in American literary studies, and deeply committed to inclusiveness, social responsibility, and rigorous contextualization, the anthology balances representation of widely agreed-upon major works with an emphasis on American literature's diversity, variety, breadth, and connections with the rest of the Americas. Highlights of Volume A: Beginnings to 1820 • Complete texts of Mary Rowlandson's captivity narrative and Hannah Webster Foster's *The Coquette* • In-depth Contexts sections on such topics as "Slavery and Resistance," "Rebellions and Revolutions," and "Print Culture and Popular Literature" • Broader and more extensive coverage of Indigenous oral and visual literature than in competing anthologies • Full author sections in the anthology devoted not only to frequently anthologized figures but also to authors such as Anne Hutchinson, Sor Juana Inés de la Cruz, and Briton Hammon  
*Mephistopheles* Indiana University Press

Complete with headnotes, summaries of decisions, statements of cases, points and authorities of counsel, annotations, tables, and parallel references.

*John Stuart Mill's Social and Political Thought: Social ethics* Coffee House Press  
Winner of the Christian Gauss Award for excellence in literary scholarship from the Phi Beta Kappa Society Having excavated the world's earliest novels in his previous book, literary historian Steven Moore explores in this sequel the remarkable flowering of the novel between the years 1600 and 1800—from *Don Quixote* to America's first big novel, an homage to Cervantes entitled *Modern Chivalry*. This is the period of such classic novels as *Tom Jones*, *Candide*, and *Dangerous Liaisons*,

---

but beyond the dozen or so recognized classics there are hundreds of other interesting novels that appeared then, known only to specialists: Spanish picaresques, French heroic romances, massive Chinese novels, Japanese graphic novels, eccentric English novels, and the earliest American novels. These minor novels are not only interesting in their own right, but also provide the context needed to appreciate why the major novels were major breakthroughs. The novel experienced an explosive growth spurt during these centuries as novelists experimented with different forms and genres: epistolary novels, romances, Gothic thrillers, novels in verse, parodies, science fiction, episodic road trips, and family sagas, along with quirky, unclassifiable experiments in fiction that resemble contemporary, avant-garde works. As in his previous volume, Moore privileges the innovators and outriders, those who kept the novel novel. In the most comprehensive history of this period ever written, Moore examines over 400 novels from around the world in a lively style that is as entertaining as it is informative. Though written for a general audience, *The Novel, An Alternative History* also provides the scholarly apparatus required by the serious student of the period. This sequel, like its predecessor, is a “zestfully encyclopedic, avidly opinionated, and dazzlingly fresh history of the most 'elastic' of literary forms” (Booklist). [A Defense of Life](#)

---

“A valuable resource for musicologists, theorists, pianists, and aestheticians interested in reading about Schumann’s views on virtuosity.” —Notes Considered one of the greatest composers—and music critics—of the Romantic era, Robert Schumann (1810–1856) played an important role in shaping nineteenth-century German ideas about virtuosity. Forging his career in the decades that saw abundant public fascination with the feats and creations of virtuosos (Liszt, Paganini, and Chopin among others), Schumann engaged with instrumental virtuosity through not only his compositions and performances but also his music reviews and writings about his contemporaries. Ultimately, the discourse of virtuosity influenced the culture of Western “art music” well beyond the nineteenth century and into the present day. By examining previously unexplored archival sources, Alexander Stefaniak looks at the diverse approaches to virtuosity Schumann developed over the course of his career, revealing several distinct currents in

nineteenth-century German virtuosity and the enduring flexibility of virtuosity discourse. Harper's New Monthly Magazine An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column "Store-Bought Is Fine" Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to "good" taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective.

---

Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in "You Wanna Be On Top," Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. A VINTAGE ORIGINAL
