For the last 60 years, J. I. Packer has exerted a steady and remarkable influence on evangelical theology and practice. His many books, articles, and lectures have shaped entire generations of Christians, helping elevate their view of God and enliven their love for God. In this new biography, well-known scholar Leland Ryken provides readers with a compelling overview of Packer's interesting life and influential legacy. Exploring his childhood, college days, theological education, and professional life in both England and America, this volume combines detailed facts with personal anecdotes so as to paint a holistic portrait of the man himself. Finally, Ryken identifies lifelong themes evident in Packer's life, ministry, and writings that shed light on his enduring significance for Christians today.

A JOYFUL, HOPE-FILLED MARRIAGE! "Let your fountain be blessed, and rejoice in the wife of your youth, a lovely deer, a graceful doe. Let her breasts fill you at all times with delight; be intoxicated always in her love" (Proverbs 5:18-19). Is your marriage blessed, joyful, delightful, intoxicating? That's how God wants it to be. God has provided everything husbands and wives need to experience this kind of intimacy and bring Him glory at the same time. This book shows how a passion for the gospel of Jesus Christ is the fountain that sustains a God-glorifying, enjoyable and durable marriage. "Looking for fresh insights on the joy and glory of marriage as God intended? Then this book is for you. Pastor Darby brings excellent biblical scholarship and thoughtful, practical, wholesome ideas for improving your marriage relationship. None of that syrupy stuff with no real substance, but wise counsel from God's Word challenging couples to experience God's best as He designed it to be." Stephen Davis, Executive Director, State Convention of Baptists in Indiana Darby Livingston is the founding pastor and a counselor at Come As You Are Fellowship in Union City, Ohio. He is also co-founder of Joyful Hope Ministries, a cell-church planting ministry. Darby is happily married to Amanda and they have five young children. Here is a refreshing look at life as it ought to be. Bare feet, gardening, dawdling over the newspaper, oversleeping, and idle summer vacations are infinitely more satisfying than counting fat grams, eating only vegetables, and sitting behind that desk every day. So toss out the guilt and rebel. Don't just stop and smell the flowers--call in sick and lie among them, preferably with a good friend, a bottle of wine, and a handful of chocolates. *Endangered Pleasures* is a delightful reminder that rest and relaxation are more rewarding than a job performance review. After all, life's too short. Why not have some fun while you're supposed to be living it?

**Endangered Pleasures** Oxford University Press, USA  
This textbook provides an accessible overview of US defense politics for upper-level students. This new edition has been fully updated and revised, with a new chapter on intelligence and new material on unmanned drones, women in the military, the Tea Party, and other key issues. Analyzing the ways in which the United States prepares for war, the authors demonstrate how political and organizational interests determine US defense policy and warn against over-emphasis on planning, centralization, and technocracy. Emphasizing the process of defense policy-making rather than just the outcomes of that process, US Defense Politics departs from the traditional style of many existing textbooks. Designed to help students understand the practical side of American national security policy, the book examines the following key themes: US grand strategy; who joins America's military; how and why weapons are bought; the management of defense; public attitudes toward the military and casualties; the roles of the President and the Congress in controlling the military; the effects of 9/11 and the Global War on Terror on security policy, homeland security, government reorganizations, and intra- and inter-service relations. The textbook will be essential reading for students of US defense politics, US national security policy and homeland security, and highly recommended for students of US foreign policy, US public policy and public administration.

*The Pleasures of Green Lake* Penguin  
"Helps develop a much deeper understanding of story structure, using case studies with short practical lessons which all emerge organically from the example at hand"--  
**For His Pleasure (Books One and Two)** Routledge  
For this year's assessment of the current status of a great idea, the editors have asked Professor V. J. McGill to re-view and report on recent literature dealing with the sub-ject of happiness. Dr. McGill has just completed a detailed analysis of the controversy about happiness from the time of the ancient Greeks down to the present. The editors have asked him to report the most recent developments in that controversy.

For His Pleasure is a New York Times and USA Today bestselling series, and with each new book in the series, the romance only gets hotter... This volume contains the first two books in the For His Pleasure series (FOR HIS PLEASURE & FOR HIS TAKING) When twenty-two year old Nicole Masters gets a highly coveted internship working for one of the largest advertising companies in the world, she can't believe her luck. But Jameson International isn't just any company. It's owned by thirty-two-year-old business mogul and celebrity, Red Jameson. Red is known for his high flying lifestyle; dating models and hanging with the rich and famous. The powerful billionaire can have any woman he wants, and the naive college graduate can't imagine making much of an impression on her new CEO. But when Red Jameson takes notice of her and invites her up to his secluded office one day, everything changes.

Seneca's dialogues--as his epistolary essays have traditionally been known--offer an ideal path into the philosophical thought of first-century Rome's most famous Stoic, whose compelled suicide in 65 CE (by order of his former pupil Emperor Nero) drew comparisons to the death of Socrates. Notable for, among other things, their portrait of a providential universe and defense of the life of virtue, the nine dialogues included in this volume illustrate the deeply intertwined cosmological and moral arguments of ancient Rome's chief philosophical alternative to Epicureanism and Academic Skepticism. Peter J. Anderson's new translation conveys the distinctive character of Seneca's style, while striving for accuracy and consistency in its renderings of key terms. His Introduction discusses the dialogues as works of art and situates them in the context of ancient Stoic philosophy as well as the wider philosophical scene. Notes and a glossary are also included.

The Pleasures of Structure Routledge  
In this life-changing book, energy medicine expert Rhys Thomas shows you how to discover your life purpose and align your decisions with your deepest self, so your life is fulfilling, productive, and full of joy. Trying to meet everyone else's expectations about the type of role you should play—whether in your job, your family, or society—can leave you constantly striving but ultimately dissatisfied. In this inspiring book, Thomas guides you in using the Rhys Method® Life Purpose Profile System to identify your purpose and reconnect with your passions, so you can find true happiness and fulfillment. This system of self-discovery encompasses five distinct soul-based profiles. Which one are you? - Creative Idealists are highly imaginative thinkers who sometimes self-isolate, feeling safer staying in their inner mental world than engaging with others. - Emotional Intelligence Specialists are empathic, sensitive, and compassionate but sometimes struggle with being overwhelmed and feeling unloved. - Team Players are loyal supporters who selflessly put others’ needs before their own, but they can fail to recognize their own strengths and needs. - Charismatic Leader-Charmers are energetic, dynamic, and capable, but they can become distrustful, self-centered, and even aggressive, in their relationships. - Knowledgeable Achievers are driven, self-disciplined, and organized big-picture thinkers. They sometimes lose touch with their emotions and push themselves too hard, becoming overly critical and judgmental. Once you identify your primary life-purpose profile, as well the other profiles you may inhabit, you can move toward your unique calling—embracing your strengths and rejecting unhealthy behaviors. Discover Your Purpose also helps you to better understand and relate to others through their profiles. Included in this book are resources and bio-energetic exercises designed for your individual profile to help you reach your fullest potential in mind, body, and soul.

Covering American literature from its pre-contact Indigenous beginnings through the Reconstruction period, the first two volumes of The Broadview Anthology of American Literature represent a substantial reconceiving of the canon of early American literature. Guided by the latest scholarship in American literary studies, and deeply committed to inclusiveness, social responsibility, and rigorous contextualization, the anthology balances representation of widely agreed-upon major works with an emphasis on American literature's diversity, variety, breadth, and connections with the rest of the Americas. Highlights of Volume A: Beginnings to 1820 • Complete texts of Mary Rowlandson's captivity narrative and Hannah Webster Foster's The Coquette • In-depth Contexts sections on such topics as "Slavery and Resistance," "Rebellions and Revolutions," and "Print Culture and Popular Literature" • Broader and more extensive coverage of Indigenous oral and visual literature than in competing anthologies • Full author sections in the anthology devoted not only to frequently anthologized figures but also to authors such as Anne Hutchinson, Sor Juana Inés de la Cruz, and Briton Hammon

*Schumann's Virtuosity* Skyhorse Publishing, Inc.  
"A valuable resource for musicologists, theorists, pianists, and aestheticians interested in reading about Schumann's views on virtuosity." —Notes Considered one of the greatest composers—and music critics—of the Romantic era, Robert Schumann (1810–1856) played an important role in shaping nineteenth-century German ideas about virtuosity. Forging his career in the decades that saw abundant public fascination with the feats and creations of virtuosos (Liszt, Paganini, and Chopin among others), Schumann engaged with instrumental virtuosity through not only his compositions and performances but also his music reviews and writings about his contemporaries. Ultimately, the discourse of virtuosity influenced the culture of Western "art music" well beyond the nineteenth century and into the present day. By examining previously unexplored archival sources, Alexander Stefaniak looks at the diverse approaches to virtuosity Schumann developed over the course of his career, revealing several distinct currents in nineteenth-century German virtuosity and the enduring flexibility of virtuosity discourse.

**John Stuart Mill's Social and Political Thought: Social ethics** Grove/Atlantic, Inc.

A successful artist shoots a dog harassing his cows and descends into madness in this dark novel by the Tony Award–winning author of *Sticks and Bones*. In classic works such as *Hurlyburly* and *Streamers*, David Rabe's depictions of violence and the dark side of the human psyche have won him widespread acclaim. In *Recital of the Dog*, a painter who has left urban chaos for the country soon finds his hopes of tranquility shattered by a marauding intruder—a dog that torments his small herd of cows. Desperate to restore order to his world, the man shoots the dog, unwittingly unleashing a nightmare on himself. This is a tale of creation and destruction, crime and punishment, rife with insight and black comedy. Praise for *Recital of the Dog* “So primal, so dark and redeeming it should be considered taboo, and is therefore irresistible. . . . An extraordinary, powerful piece of literature.” —Thomas Moore, author of *Care of the Soul* “David Rabe has crafted an intense, strange and frightening nightmare. . . . There is violence and intensity and vividness that a reader feels as though inhabiting the mind of a madman.” —The Denver Post “Playwright Rabe's first novel is a powerful, shocking portrait of a disintegrating psyche . . . fairly crackles with a dark, disturbing, often dazzling energy.” —Library Journal “A gifted prose writer of original vision . . . In both voice and structure, *Recital of the Dog* owes much both to Albert Camus and James M. Cain. . . . Rabe's beautiful, tight, fluent prose renders the fragility of reality with enormous power and grace.” —San Francisco Chronicle

*Weekly Compilation of Presidential Documents* Cornell University Press

An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column "Store-Bought Is Fine" Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to "good" taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, *Sex and the City*, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in "You Wanna Be On Top," Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. Senator Robert F. "Bobby" Kennedy had just lost the 1968 presidential primary election in Oregon to Senator Eugene McCarthy when Elvin Bell, Fresno, California's Mayor Pro Tem, hosted him for a breakfast meeting. As an exhausted Kennedy approached the podium to speak, Bell watched in amazement as Kennedy transformed from a frail man into a powerful speaker. Moments later as Bell rose to his feet with other audience members in a rousing standing ovation, he had no idea that he would never see his friend Bobby again. Bobby was shot the next day in Los Angeles and died within hours. Bell, a retired public official and USAF colonel, shares a compelling compilation of anecdotes that highlight the iconic personalities he has known and worked with during his assignments in the White House and the Pentagon, as well as during official foreign travels and various activities throughout America. In addition to the everyday characters and scoundrels he has encountered in his lifetime, he features nearly eighty personalities that include Gregory Peck, John Wayne, John Lennon, Eleanor Roosevelt, General Alexander Haig, Frank Sinatra, and Presidents John F. Kennedy, Lyndon B. Johnson, Richard Nixon, and Ronald Reagan. In this fascinating memoir, a former political figure takes a look back at the true-life characters he has encountered and how they made a difference in his life and the world.
