The Christian Theology Reader Harper Collins

In Emil Brunner: A Reappraisal, renowned theologian Alister E. McGrath presents a comprehensive intellectual history of Emil Brunner, the highly influential Swiss theologian who was instrumental in shaping modern Protestant theology. Explores Brunner's theological development and offers a critical engagement of his theology. Examines the role that Brunner played in shaping the characteristics of dialectical theology. Reveals the complex and shifting personal and professional relationship between Brunner and Barth. Delves into the reasons for Brunner's contemporary neglect in theological scholarship. Represents the only book-length study of Brunner's works and significance in the English language.

A Brief History of Heaven John Wiley & Sons

Now thoroughly updated to reflect the latest debates, this popular textbook introduces readers to the central questions in the field of science and religion. Ideally suited to those who have little or no prior knowledge in either area, it incorporates numerous student-friendly features, including maps, summaries, and historical references, resulting in the most up-to-date introduction to the study of religion and the natural sciences available. Examines the historical, theological, philosophical and scientific aspects of the interaction between religion

and science. Fully updated to reflect current, cutting-edge debates on scientific atheism and the limits of scientific method, and discussions about the relationship between science and religion in major world faiths. Includes a historical component to enable readers to orientate themselves within the subject. Takes a topic based approach which fits into the existing structure of most courses, and includes explanatory material not found in other works of this kind, making it highly accessible for those with little scientific or religious background knowledge. Incorporates illustrations, tables, maps, summaries and questions for a lively and engaging approach to the subject. Written by world-renowned theologian, Alister McGrath; author of bestselling books such as *Dawkins' God*, and an acknowledged expert in the field of science and religion.

Historical Theology John Wiley & Sons

A major new introduction to the global history of Christianity, written by one of the world's leading theologians and author of numerous bestselling textbooks. Provides a truly global review by exploring the development of Christianity and related issues in Asia, Latin America and Africa, and not just focusing on Western concerns. Spanning more than two millennia and combining elements of theology, history, and culture, it traces the development of all three branches of Christianity – Catholic, Protestant, and Orthodox – providing context to Christianity's origins and its links to Judaism. Looks beyond denominational history at Christianity's impact on individuals, society, politics, and intellectual thought, as well as on art, architecture, and the natural sciences. Combines McGrath's

acute historical sensibility with formidable organizational skill, breaking the material down into accessible, self-contained historical periods. Offers an accessible and student-oriented text, assuming little or no advance theological or historical knowledge on the part of the reader.

Theology John Wiley & Sons

This engaging book by one of today's best-known Christian writers explores the history of heaven, from its origins in biblical writings to its most recent representations. A short, accessible book on the history of heaven. Draws together representations of heaven by a wide range of writers, theologians, politicians and artists. Covers literary works such as Dante's *Divine Comedy*, Bunyan's *Pilgrim's Progress*, and the poems of George Herbert. Considers discussions by Marx and Freud of heaven's role in society. Based on serious scholarship but is ideal for the non-specialist who wants to learn more about the idea of heaven. Alister E. McGrath is one of today's best-known Christian writers.

Christian Theology John Wiley & Sons

Now available in a fully-revised and updated new edition, this popular textbook by one of the world's leading theologians offers a lively, jargon-free introduction to Christianity. Features a wealth of new material on global Christianity, American Christianity, the Orthodox Church, current theological debates, and Christianity in relation to other world religions. Includes enhanced and expanded student-friendly features, including numerous illustrations, suggestions for further reading, a glossary of Christian terms, and brief readings from primary Christian sources. Written in an accessible and engaging style that assumes no prior knowledge of Christian beliefs or practices, making it an invaluable resource for beginners to the subject as well as those looking for a refresher. Incorporates coverage of Catholicism, Orthodoxy, Protestantism,

Evangelicalism, and Pentecostalism A glossary, related websites, and other resources from Dr. McGrath are available online at www.alistermcgrathwiley.com

Historical Theology 446, the Theology of Alister E. McGrath Wiley-Blackwell

Why the Church must defend the truth. Our ongoing fascination with alternative Christianities is on display every time a never-before-seen gospel text is revealed, an archaeological discovery about Jesus makes front-page news, or a new work of fiction challenges the very foundations of the church. Now, in a timely corrective to this trend, renowned church historian Alister McGrath examines the history of subversive ideas, overturning common misconceptions that heresy is somehow more spiritual or liberating than traditional dogma. In so doing, he presents a powerful, compassionate orthodoxy that will equip the church to meet the challenge from renewed forms of heresy today.

[Historical Theology](#) Wiley-Blackwell

Four outstanding McGrath books are here in one volume that gives a clear, thoughtful, and highly readable introduction to the basic doctrines of the Christian faith.

Understanding the Trinity John Wiley & Sons

Regarded as the leading text in Christian theology for the last 25 years, Alister E. McGrath's The Christian Theology Reader is now available in a new 5th edition featuring completely revised and updated content. Brings together more than 350 readings from over 200 sources that chart 2,000 years of Christian history. Situates each reading within the appropriate historical and theological context with its own introduction, commentary, and study questions. Includes new readings on world Christianity and feminist, liberation, and postcolonial theologies, as well as more selections by female theologians and theologians from the developing world. Contains additional pedagogical features, such as new discussion questions and case studies, and a robust website with new videos by the author to aid student learning. Designed to function as a stand-alone volume, or as a companion to Christian Theology: An Introduction, 6th edition, for a complete overview of the subject.

CHRISTIAN THEOLOGY "The genius of Alister E. McGrath is his remarkable ability to write in a clear, concise, and lucid manner that draws both teachers and students to participate with the great thinkers of the Christian tradition, past and present. Education and illumination are the abundant fruits of this massive, well-organized text, which is sure to appeal to a wide range of Protestant, Catholic, and Orthodox audiences. For this we are indebted to the author." Dennis Ngien, Professor of Systematic Theology,

Tyndale University College and Seminary, Toronto, Canada "For sheer comprehensiveness, clarity, and coherence, Alister McGrath has produced the definitive textbook. Always accurate and engaging, students are gently introduced to the gift of Theology in a memorable way." Ian S. Markham, Dean and President of Virginia Theological Seminary Praise for the fifth edition "Alister McGrath has proven himself a master at engagingly and simply introducing Christian theology in all of its contested complexity. All who work at the critical appropriation of the theological tradition stand in debt to McGrath." M. Douglas Meeks, Cal Turner Chancellor Professor of Theology and Wesleyan Studies, Vanderbilt University Divinity School Now celebrating its 25th year of publication, Christian Theology is one of the most internationally acclaimed textbooks in this area today. Completely rewritten for the sixth edition, it remains the ideal introduction to the beliefs and interpretation of Christianity. It is specifically designed for students with no prior knowledge, presenting the primary themes and debates of Christian theology with clarity and historical context. This new edition retains all the elements that have made it so successful while also including significant additions and developments. There is an increased discussion of contemporary theology to complement the excellent coverage of historical material. Important new information has also been added, in areas such as the Holy Spirit, contemporary non-Western theologies, and feminist voices in Christian theology. The text is rich in pedagogy to encourage student learning, featuring a two colour design, glossary, end-of-chapter discussion questions, and much more. Written by renowned theologian Alister E. McGrath, this classic text is a clear, lively and concise introduction that provides instructors with the tools they need to engage with their students on Christian theology.

Christian Theology Wiley-Blackwell

This short, balanced and accessible Reader introduces the Christian faith through important theological readings, covering historical, modern, denominational, gender, liberal and traditional issues. It is the ideal accompaniment to the bestselling textbook, Theology: The Basics, 2nd edition. Edited by leading theologian, Alister E. McGrath, this volume brings together a range of readings which act as an introduction to the Christian faith. Includes 56 readings chosen for their balanced portrayal of chronology, denomination, gender, and theological orientation. Provides an introduction and analysis of each reading, along with a helpful glossary. Uses the Apostle's Creed as an accessible framework to introduce readers to writings on key issues, such as faith, God, Jesus, creation and salvation. Encourages readers to interact with each text and to engage with primary sources.

Reformation Thought Zondervan

This highly successful and popular book is now available in a thoroughly expanded and updated new edition. Alister E. McGrath, one of the world's leading theologians, provides readers with a concise and balanced introduction to Christianity as it has been interpreted by many of its greatest thinkers and commentators, from its beginning to the modern day. Theology:

The Basic Readings, 3rd Edition comprises sixty-eight readings spanning twenty centuries of Christian history. To help readers engage with the material, each reading is accompanied by an introduction, comments, study questions, and a helpful glossary of terms used by its author. Readings are drawn from a broad theological spectrum and include both historical and contemporary, mainstream, and cutting-edge approaches. Uses the Apostles' Creed as a framework to introduce readers to writings on key issues, such as faith, God, Jesus, creation, and salvation. Represents two thousand years of sustained critical reflection within western Christianity. Encourages readers to interact with each text and to engage with primary sources. Serves as an ideal companion to the bestselling, Theology: The Basics or as a standalone text. Theology: The Basic Readings, 3rd Edition is an essential guide to the topics, themes, controversies, and reflections on Christianity as they have been understood by many of its greatest commentators.

The Future of Christianity John Wiley & Sons

Beginning with the current skepticism about God's very existence, Dr. McGrath starts off with some convincing apologetics. But he does not rely on apologetics alone. He knows that the only way to be sure about the living God is to encounter him--and this can happen to people who know almost nothing about him.

Theology John Wiley & Sons

Luther's Theology of the Cross represents a fully revised and updated edition of the classic 1985 text that expands on the author's ongoing research and reflects 25 years of Luther scholarship. Rewritten and expanded edition of a highly-acclaimed classic text. Incorporates primary and secondary sources that have become available since the publication of the first edition. Draws on advances in our understanding of the late medieval intellectual, cultural, and religious background of Luther's early development, and the nature of Luther's doctrine of justification (including the so-called 'Finnish' school), many of which have not yet been incorporated into Luther scholarship. Luther's 'theological breakthrough' continues to be of central importance to Reformation Studies and the development of Protestantism. Written by one of the world's leading Protestant theologians, who is an authority on the development of the doctrine of justification. His classic work Iustitia Dei: A History of the Christian Doctrine of Justification is now in its third edition (2005).

Christian History John Wiley & Sons

This book gives an accessible account of classical Greek history, from the aftermath of the Persian Wars in 478 bc to the death of Alexander the Great in 323 bc. The author describes the years which witnessed the flourishing of democracy in Athens; the establishment of the Athenian empire; the Peloponnesian war, which involved the whole Greek world; the development of Macedonian power under Philip II; and the

conquests of Alexander the Great. His account combines narrative with analysis, and deals with major social, economic and cultural developments as well as political and military events. Rhodes details the evidence on which his narrative is based, which includes inscriptions, coins and material remains, and outlines the considerations which have to be borne in mind in using this evidence."

The Science of God John Wiley & Sons

Alister E. McGrath begins his book by critically engaging the views of George Lindbeck on doctrine before moving on to present a fresh understanding of the nature and function of Christian doctrine within the church. Particular attention is paid to the way in which doctrine acts as a demarcator between communities of faith, providing important insights into contemporary ecumenical debates. McGrath also explores the crucial issue of the authority of the past in Christian theology, focusing especially on how doctrine serves to maintain continuity within the Christian tradition. The *Genesis of Doctrine* represents an exploration of a "middle way" in relation to the significance of Christian doctrine, rejecting both those approaches that insist on the uncritical repetition of the doctrinal heritage of the past and those that disallow the authority of past doctrinal formulations. The book concludes by considering whether doctrine has a future within the church, answering this question in the affirmative on the basis of a number of important theological and cultural considerations.

Historical Theology Fortress Press

This book presents the most detailed examination in English to date of Luther's theological breakthrough, together with a wealth of information concerning the theological development of the young Luther in its late medieval context.

Christianity's Dangerous Idea John Wiley & Sons

Our understanding of human rationality has changed significantly since the beginning of the century, with growing emphasis being placed on multiple rationalities, each adapted to the specific tasks of communities of practice. We may think of the world as an ontological unity-but we use a plurality of methods to investigate and represent this world. This development has called into question both the appeal to a universal rationality, characteristic of the Enlightenment, and also the simple 'modern-postmodern' binary. *The Territories of Human Reason* is the first major study to explore the emergence of multiple situated rationalities. It focuses on the relation of the natural sciences and Christian theology, but its approach can easily be extended to other disciplines. It provides a robust intellectual framework for discussion of transdisciplinarity, which has become a major theme in many parts of the academic world. Alister E. McGrath offers a major reappraisal of what it means to be 'rational' which will have significant impact on older discussions of this theme. He sets out to explore the consequences of the

seemingly inexorable move away from the notion of a single universal rationality towards a plurality of cultural and domain-specific methodologies and rationalities. What does this mean for the natural sciences? For the philosophy of science? For Christian theology? And for the interdisciplinary field of science and religion? How can a single individual hold together scientific and religious ideas, when these arise from quite different rational approaches? This groundbreaking volume sets out to engage these questions and will provoke intense discussion and debate.

Studies in Doctrine Historical Theology

A Scientific Theology is a groundbreaking work of systematic theology in three volumes: *Nature, Reality and Theory*. Now available as a three volume set.

Luther's Theology of the Cross A&C Black

Freshly updated for this second edition with considerable new material, this authoritative introduction to the history of Christian theology covers its development from the beginnings of the Patristic period just decades after Jesus's ministry, through to contemporary theological trends. A substantially updated new edition of this popular textbook exploring the entire history of Christian thought, written by the bestselling author and internationally-renowned theologian Features additional coverage of orthodox theology, the Holy Spirit, and medieval mysticism, alongside new sections on liberation, feminist, and Latino theologies, and on the global spread of Christianity Accessibly structured into four sections covering the Patristic period, the Middle Ages and Renaissance, the reformation and post-reformation eras, and the modern period spanning 1750 to the present day, addressing the key issues and people in each Includes case studies and primary readings at the end of each section, alongside comprehensive glossaries of key theologians, developments, and terminology Supported by additional resources available on publication at www.wiley.com/go/mcgrath
