Four outstanding
McGrath books are
here in one volume that
gives a clear,
thoughtful, and highly
readable introduction

to the basic doctrines of the Christian faith.

Historical Theology

John Wiley & Sons

Christianity is the world's largest religious grouping.

It has undergone massive change in the twentieth century, and seems poised to undergo major transformations in the next. In this important and timely book, one of Christianity's most prolific and respected writers examines these changes, and their implications for the future.

Science and Religion Wiley-Blackwell

Freshly updated for this second edition with

considerable new material, this

authoritative introduction to the history of Christian

theology covers its development from the

beginnings of the Patristic period just decades after

Jesus's ministry, through to contemporary theological

trends. A substantially updated new edition of this popular

textbook exploring the entire history of Christian thought,

written by the bestselling author and internationally-

renowned theologian Features additional coverage of

orthodox theology, the Holy Spirit, and medieval

mysticism, alongside new sections on liberation, feminist,

and Latino theologies, and on the global spread of

Christianity Accessibly structured into four sections

covering the Patristic period, the Middle Ages and

Renaissance, the reformation and post-reformation eras, and

the modern period spanning

1750 to the present day, addressing the key issues and people in each Includes case studies and primary readings at the end of each section, alongside comprehensive glossaries of key theologians, developments, and terminology Supported by additional resources available on publication at www.wiley.com/go/mcgrath
A Brief History of Heaven
John Wiley & Sons
Now available in a fully-revised and updated new edition, this popular textbook by one of the world's leading theologians offers a lively, jargon-free introduction to Christianity. Features a wealth of new material on global Christianity, American Christianity, the Orthodox Church, current theological debates, and Christianity in relation to other world religions Includes enhanced and expanded student-

friendly features, including numerous illustrations, suggestions for further reading, a glossary of Christian terms, and brief readings from primary Christian sources Written in an accessible and engaging style that assumes no prior knowledge of Christian beliefs or practices, making it an invaluable resource for beginners to the subject as well as those looking for a refresher Incorporates coverage of Catholicism, Orthodoxy, Protestantism, Evangelicalism, and Pentecostalism A glossary, related websites, and other resources from Dr. McGrath are available online at www.alistermcgrathwiley.com
Heresy John Wiley & Sons
Regarded as the leading text in Christian theology for the last 25 years, Alister E. McGrath's *The*

Christian Theology Reader by the author to aid student learning. Designed is now available in a new 5th edition featuring completely revised and updated content. Brings together more than 350 readings from over 200 sources that chart 2,000 years of Christian history. Situates each reading within the appropriate historical and theological context with its own introduction, commentary, and study questions. Includes new readings on world Christianity and feminist, liberation, and postcolonial theologies, as well as more selections by female theologians and theologians from the developing world. Contains additional pedagogical features, such as new discussion questions and case studies, and a robust website with new videos.

Designed to function as a stand-alone volume, or as a companion to Christian Theology: An Introduction, 6th edition, for a complete overview of the subject Christian Theology. John Wiley & Sons. Alister E. McGrath begins his book by critically engaging the views of George Lindbeck on doctrine before moving on to present a fresh understanding of the nature and function of Christian doctrine within the church. Particular attention is paid to the way in which doctrine acts as a demarcator between communities of faith, providing important insights into contemporary ecumenical debates. McGrath also explores the crucial issue of the authority of the past in Christian theology, focusing especially on how doctrine serves to maintain continuity within the Christian tradition. The Genesis of Doctrine

represents an exploration of a "middle way" in relation to the significance of Christian doctrine, rejecting both those approaches that insist on the uncritical repetition of the doctrinal heritage of the past and those that disallow the authority of past doctrinal formulations. The book concludes by considering whether doctrine has a future within the church, answering this question in the affirmative on the basis of a number of important theological and cultural considerations.

Iustitia Dei John Wiley & Sons

Includes the syllabus and student book reviews for Historical Theology 446, taught by Professor James Leo Garrett at Southwestern Baptist Theological Seminary.

Luther's Theology of the Cross Zondervan

This book is a clear, concise guide to Alister McGrath's groundbreaking

three-volume work *A Scientific Theology*. McGrath himself here summarizes his major project and sketches out its implications for many aspects of Christian doctrine. He then explores all of the major themes of his three-volume work, including the legitimacy of a scientific theology, the purpose and place of natural theology, the foundations of theological realism, the failure of classic foundationalism, the nature of revelation, and the place of metaphysics in theology. *The Future of Christianity* Blackwell Publishing Reformation Thought, 4th edition offers an ideal introduction to the central ideas of the European reformations for students of theology and history. Written by the bestselling author and renowned theologian, Alister McGrath, this engaging guide is accessible to students with

no prior knowledge of Christian theology. This new edition of a classic text has been updated throughout with the very latest scholarship. Includes greater coverage of the Catholic reformation, the counter-reformation, and the impact of women on the reformation. Explores the core ideas and issues of the reformation in terms that can be easily understood by those new to the field. Student-friendly features include images, updated bibliographies, a glossary, and a chronology of political and historical ideas. This latest edition retains all the features which made the previous editions so popular with readers, while McGrath's revisions have ensured it remains the essential student guide to the subject.

Studies in Doctrine Wiley-Blackwell

The Christian doctrine of justification is of immense interest to historians and theologians, and

continues to be of major importance in modern ecumenical discussions. The present work appeared in its first edition in 1986, and rapidly became the leading reference work on the subject. Its many acclaimed features include a detailed assessment of the semantic background of the concept in the ancient Near East, a thorough examination of the doctrine of the medieval period, and especially careful analysis of its development during the critical years of the sixteenth century. The third edition thoroughly updates the work, adding material where necessary, and responding to developments in scholarly literature. It will be an

essential resource for all concerned with the development of Christian doctrine, the history of the Reformation debates on the identity of Christianity, and modern discussions between Protestants and Roman Catholics over the nature of salvation.

Scientific Theology:

Reality Wiley-Blackwell
CHRISTIAN THEOLOGY
“The genius of Alister E. McGrath is his remarkable ability to write in a clear, concise, and lucid manner that draws both teachers and students to participate with the great thinkers of the Christian tradition, past and present. Education and illumination are the abundant fruits of this massive, well-organized text, which is sure to

appeal to a wide range of Protestant, Catholic, and Orthodox audiences. For this we are indebted to the author.” Dennis Ngien, Professor of Systematic Theology, Tyndale University College and Seminary, Toronto, Canada “For sheer comprehensiveness, clarity, and coherence, Alister McGrath has produced the definitive textbook. Always accurate and engaging, students are gently introduced to the gift of Theology in a memorable way.” Ian S. Markham, Dean and President of Virginia Theological Seminary Praise for the fifth edition “Alister McGrath has proven himself a master at engagingly and simply introducing Christian theology in all of its

contested complexity. All who work at the critical appropriation of the theological tradition stand in debt to McGrath.” M. Douglas Meeks, Cal Turner Chancellor Professor of Theology and Wesleyan Studies, Vanderbilt University Divinity School Now celebrating its 25th year of publication, Christian Theology is one of the most internationally acclaimed textbooks in this area today. Completely rewritten for the sixth edition, it remains the ideal introduction to the beliefs and interpretation of Christianity. It is specifically designed for students with no prior knowledge, presenting the primary themes and debates of Christian

theology with clarity and historical context. This new edition retains all the elements that have made it so successful while also including significant additions and developments. There is an increased discussion of contemporary theology to complement the excellent coverage of historical material. Important new information has also been added, in areas such as the Holy Spirit, contemporary non-Western theologies, and feminist voices in Christian theology. The text is rich in pedagogy to encourage student learning, featuring a two colour design, glossary, end-of-chapter discussion questions, and much more. Written by renowned theologian

Alister E. McGrath, this classic text is a clear, lively and concise introduction that provides instructors with the tools they need to engage with their students on Christian theology.

The Christian Theology Reader John Wiley & Sons
Natural theology, in the view of many, is in crisis. In this long-awaited book, Alister McGrath sets out a new vision for natural theology, re-establishing its legitimacy and utility. A timely and innovative resource on natural theology: the exploration of knowledge of God as it is observed through nature
Written by internationally regarded theologian and author of numerous bestselling books, Alister McGrath Develops an intellectually rigorous vision of natural theology as a

point of convergence between the Christian faith, the arts and literature, and the natural sciences, opening up important possibilities for dialogue and cross-fertilization
Treats natural theology as a cultural phenomenon, broader than Christianity itself yet always possessing a distinctively Christian embodiment
Explores topics including beauty, goodness, truth, and the theological imagination; how investigating nature gives rise to both theological and scientific theories; the idea of a distinctively Christian approach to nature; and how natural theology can function as a bridge between Christianity and other faiths

The Genesis of Doctrine

Historical Theology
Freshly updated for this second edition with considerable new material,

this authoritative introduction to the history of Christian theology covers its development from the beginnings of the Patristic period just decades after Jesus's ministry, through to contemporary theological trends. A substantially updated new edition of this popular textbook exploring the entire history of Christian thought, written by the bestselling author and internationally-renowned theologian Features additional coverage of orthodox theology, the Holy Spirit, and medieval mysticism, alongside new sections on liberation, feminist, and Latino theologies, and on the global spread of Christianity Accessibly structured into four sections covering the Patristic period, the Middle Ages and Renaissance, the reformation and post-reformation eras, and the

But he does not rely on apologetics alone. He knows that the only way to be sure about the living God is to encounter him--and this can happen to people who know almost nothing about him. Historical Theology John Wiley & Sons Provocative and immensely well informed, The Order of

Things represents a substantial and original contribution to the fields of systematic theology, historical theology, and the science and religion dialogue. Leading theologian, Alister E. McGrath explores how the working methods and assumptions of the natural sciences can be used to inform and stimulate systematic theology. Written by one of today's best-known Christian writers Explores how the working methods and assumptions of the natural sciences can be used to inform and stimulate systematic theology Continues McGrath's acclaimed exploration of scientific theology, begun with his groundbreaking three-volume work, *A Scientific Theology* Includes a landmark extended analysis of whether doctrinal

development can be explained using Darwinian evolutionary models, and exploration of how the transition from a "scientific theology" to a future "scientific dogmatics" might be made Supported by a published review of McGrath's scientific theology project, which is currently the best brief introduction to his thought.

The Science of God John Wiley & Sons

A major new introduction to the global history of Christianity, written by one of the world's leading theologians and author of numerous bestselling textbooks. Provides a truly global review by exploring the development of Christianity and related issues in Asia, Latin America and Africa, and not just focusing on Western concerns Spanning more than two millennia and

combining elements of theology, history, and culture, it traces the development of all three branches of Christianity – Catholic, Protestant, and Orthodox – providing context to Christianity’s origins and its links to Judaism Looks beyond denominational history at Christianity’s impact on individuals, society, politics, and intellectual thought, as well as on art, architecture, and the natural sciences Combines McGrath’s acute historical sensibility with formidable organizational skill, breaking the material down into accessible, self-contained historical periods Offers an accessible and student-oriented text, assuming little or no advance theological or historical knowledge on the part of the reader
Christianity's Dangerous Idea Harper Collins

Now available in a fully-revised and updated new edition, this popular textbook by one of the worlds leading theologians offers a lively, jargon-free introduction to Christianity. Theology A&C Black

This book gives an accessible account of classical Greek history, from the aftermath of the Persian Wars in 478 bc to the death of Alexander the Great in 323 bc. The author describes the years which witnessed the flourishing of democracy in Athens; the establishment of the Athenian empire; the Peloponnesian war, which involved the whole Greek world; the development of Macedonian power under Philip II; and the conquests of Alexander the Great. His account combines narrative with analysis, and deals with major social, economic and cultural developments as well as political and military events. Rhodes details the

evidence on which his narrative is based, which includes inscriptions, coins and material remains, and outlines the considerations which have to be borne in mind in using this evidence." *Historical Theology* John Wiley & Sons
Beginning with an introduction to Biblical sources and Jesus as a central figure the book then examines theology, history and the present situation in which Christianity finds itself. The author treats it as a way of life and not just a set of ideas.
