A Definitive Visual Guide of History? Yep, it's totally that. If you ever wanted to know all about the subject of history, this book provides all the information one could ever want and probably more. The only criticism I really have is that I disagree with how some of the book is written. The book is very questionable and biased in some parts.

vehicles, hardware, and equipment of war throughout history. Military History is the definitive guide to the evolution of battlefield technology.
