One of the nice features of History: The Definitive Visual Guide is that it has a 110 page section that traces the individual histories of the world's 193 countries. When we got home I read up on the history of Moldova. In my opinion History: The Definitive Visual Guide is a must have for anyone who is fascinated by history.

The Illustrated Encyclopedia Of Warfare From Ancient Egypt ...

A Definitive Visual Guide of History? Yep, it's totally that. If you ever wanted to know all about the subject of history, this book provides all the information one could ever want and probably more. The only criticism I really have is that I disagree with how some of the book is written. The book is very questionable and biased in some parts.
