Casanova was an Italian  
adventurer and author from the  
Republic of Venice. His  
autobiography, *Histoire de ma vie*  
(Story of My Life), is regarded as  
one of the most authentic sources  
of the customs and norms of  
European social life during the  
18th century. He has become so  
famous for his often complicated  
and elaborate affairs with women  
that his name is now synonymous

with "womanizer." He associated  
with European royalty, popes and  
cardinals, along with luminaries  
such as Voltaire, Goethe and  
Mozart. He spent his last years in  
Bohemia as a librarian in Count  
Waldstein's household, where he  
also wrote the story of his life. Set

brings his flight from the Inquisitor's prison in Venice to a happy conclusion. Exiled from Venice, he goes to Munich and Paris, where he establishes himself as a cabalist, makes a fortune in Holland, helps start the French State Lottery, goes on to Switzerland where he meets Voltaire. Because every previous edition of Casanova's Memoirs had been abridged to suppress the author's political and religious views and tame his vivid, often racy, style, the literary world considered it a major event when Willard R. Trask's translation of the complete original text was published in six double volumes between 1966 and 1971. Trask's award-winning translation now appears in paperback for the first time.

John Young whom we now know is renamed Adam the Lonely joins his extended Family. After a few silent moments, Panther calls out and asks Adam a question. "What does immortal mean?" I answer, "living forever, incorruptible, I suppose." Hamish calls out, "What's that actually mean though." "well, it means our bodies don't decay or rot, we live forever like we do today in eternity." "Then Adam, tell us why down on earth do earthlings bother about all the preaching

associated with Gods and Deities? Creating fear over sin and all that other stuff like devils and hell, Purgatory, Limbo and the garbage about Angels and Heaven?" I give a big sigh and say, "Gee you guys the questions seem really dark this morning, what's brought this on?" Panther stares directly into my eyes and says, "We just want to know the truth. You know down on earth animals were not able to talk with an earthling but up here we all speak to each other now that's weird don't you think?" I nod in agreement and say, "You know guys when humans first were established on the earth they had no language to communicate with each other and it was the various sounds made by animals that were taken on board with humans and they with a more balanced mind were able to take animal sounds and make words from them. So you see all animals gave to earthling the gift of the gab. It didn't take long for earthlings to realise that cats and dogs could manipulate earthlings to be their nanny and that hasn't changed since we came to "The Wilderness Park" we are still your nanny." "Well then pipes up Panther, we can't be that thick after all if it is animals who started off language to help earthlings

exist." I nod in agreement. *My Life and what Shall I Do with It?* Light Technology Publishing Casanova was an Italian adventurer and author from the Republic of Venice. Japan: A Documentary History: Vol 2: The Late Tokugawa Period to the Present Johns Hopkins University Press

From the author of *The Latehomecomer*, a powerful memoir of her father, a Hmong song poet who sacrificed his

gift for his children's future in America. In the Hmong tradition, the song poet recounts the story of his people, their history and tragedies, joys and losses; extemporizing or drawing on folk tales, he keeps the past alive, invokes the spirits and the homeland, and records courtships, births, weddings, and wishes. Following her award-winning book *The Latehomecomer*, Kao Kalia Yang now retells the life of her father Bee Yang, the song poet, a Hmong refugee in Minnesota, driven from the mountains of Laos by America's Secret War. Bee lost his father as a young boy and keenly felt his orphanhood. He would wander from one neighbor to the next, collecting the things they said to each other, whispering the words to himself at night until, one day, a song was born. Bee sings the life of his people through the war-torn jungle and a Thai refugee camp. But the songs fall away in the cold, bitter world of a Minneapolis housing project and on the factory floor until, with the death of Bee's mother, the songs leave him for good. But before they do, Bee, with his poetry, has polished a life of poverty for his children, burnished their grim reality so that they might shine. Written with the exquisite beauty for which Kao Kalia Yang is renowned, *The Song Poet* is a love story -- of a daughter for her father, a father for his children, a people for their land, their traditions, and all that they have lost.

Now in paperback, *Tune In* is the New York Times bestseller by the world's leading Beatles authority -- the first volume in a groundbreaking trilogy about the band that revolutionized music. The

Beatles have been in our lives for half a century and surely always will be. Still, somehow, their music excites, their influence resonates, their fame sustains. New generations find and love them, and while many other great artists come and go, the Beatles are beyond eclipse. So . . . who really were these people, and just how did it all happen? 'The Beatles story' is everywhere. Told wrong from early on, rehashed in every possible way and routinely robbed of its context, this is a phenomenon in urgent need of a bright new approach. In his series *All These Years*, Mark Lewisohn -- the world-recognized Beatles historian -- presses the Refresh button to relate the entire story as it's never been told or known before. Here is a full and accurate biography at last. It is certain to become the lasting word. *Tune In* is book one of three, exploring and explaining a period that is by very definition lesser-known: the formative pre-fame years, the teenage years, the Liverpool and Hamburg years -- in many ways the most absorbing and incredible period of them all. The Beatles come together here in all their originality, attitude, style, speed, charisma, appeal, daring and honesty, the tools

with which they're about to reshape the world. It's the Beatles in their own time, an amazing story of the ultimate rock band, a focused and colorful telling that builds and builds to leave four sharp lads from Liverpool on the very brink of a whole new kind of fame. Using impeccable research and resources, Tune In is a magisterial work, an independent biography that combines energy, clarity, objectivity, authority and insight. The text is anti-myth, tight and commanding – just like the Beatles themselves. Here is the Beatles story as it really was. Throw away what you think you know and start afresh.

Anarchist, journalist, drama critic, advocate of birth control and free love, Emma Goldman was the most famous—and

This abridged version of her two-volume autobiography takes her from her birthplace in czarist Russia to the socialist enclaves of Manhattan's Lower East Side. In the waning days of Venice's glory in the mid-1700s, Andrea Memmo was scion to one the city's oldest patrician families. At the age of twenty-four he fell passionately in love with sixteen-year-old Giustiniana Wynne, the beautiful, illegitimate daughter of a Venetian mother and British father. Because of their dramatically different positions in society, they could not marry. And Giustiniana's mother, afraid that an affair would ruin her daughter's chances to form a more suitable union, forbade them to see each other. Her prohibition only fueled their desire and so began their torrid, secret seven-year-affair, enlisting the aid of a few intimates and servants (willing to risk their own positions) to shuttle love letters back and forth and to help facilitate their clandestine meetings. Eventually, Giustiniana found herself pregnant and she turned for help to the infamous Casanova—himself infatuated with her. Two and

Teresa of Ávila (1515–1582) is one of the most beloved of the Catholic saints. In 1562, during the era of the Spanish Inquisition, Teresa sat down to write an account of the mystical experiences for which she had become famous. The result was this book, one of the great classics of spiritual autobiography. With this fresh translation of *The Book of My Life*, Mirabai Starr brings the inimitable Spanish mystic to life for a new generation, with contemporary English that mirrors Teresa's own earthy, vernacular Spanish, and that presents us with—four centuries after Teresa's death—someone we feel we know: a woman intoxicated with God yet filled with an overflowing love for the world.

A Venetian Affair DigiCat

A memoir of formative years spent on a series of communes: A "wonderful account of a frankly ghastly childhood . . . Hilarious and heartbreaking" (Daily Mail). At the age of six, Tim Guest was taken by his mother to a commune modeled on the teachings of the notorious Indian guru Bhagwan Shree Rajneesh. The Bhagwan preached an eclectic doctrine of Eastern mysticism, chaotic therapy, and sexual freedom, and enjoyed inhaling laughing gas, preaching from a dentist's chair, and collecting Rolls Royces. Tim and his mother were given Sanskrit names, dressed entirely in orange, and encouraged to surrender themselves into their new family. While his mother worked tirelessly for the cause, Tim—or Yogesh, as he was now called—lived a life of well-meaning but woefully misguided neglect in various communes in England, Oregon, India, and Germany. In 1985 the movement collapsed amid allegations of mass poisonings, attempted murder, and tax evasion, and Yogesh was once again Tim. In this extraordinary memoir, Tim Guest chronicles the heartbreaking experience of being left alone on earth while his mother hunted heaven. "An intelligent, wry, openhearted memoir of surviving a childhood and a cultural phenomenon that

were both extraordinary."
