Next up, A Hitachi Ultravision 60V500A.....
Here is an update. Today is September 20th so my Hitachi 60V500A has been in the shop for a little over 6 weeks. The reason for the delay (as best as I can determine) is that when they received the replacement light engine and installed it, the replacement engine blew out two other circuit boards (a driver board and power board I think). Hitachi 50v500 Light Engine Replacement
I have a Hitachi 50V500 - the light engine went bad (red glow growing out of the center of the picture) and I just finished replacing it. Now the picture is completely green - no blue, no red. Is the light engine bad or did I just not hook up a cable? ... my hitachi 50v500 has bluespotch oon 3/4 of the screen.

I have a Hitachi 50V500 and when you press the power button the Temp light blinks. I read the manual and it seems to indicate that the cooling fan has stopped working. ... also there is a good potential for damaging the light engine in the replacement, and then you are looking at a \$1000+ cost. There is also some test that should be performed ...

50V500 Hitachi Replacement Parts - Encompass

The technician I talked to said that Visions had some sort of arrangement with Hitachi and if Hitachi would send out a free replacement light engine, they would fix the TV. Otherwise they would probably just give me a new TV. I guess Hitachi gave them the light engine for free because a technician is coming to install it on Monday.

4K HDR Hitachi Roku TV : Consumer Electronics : Digital ...

Have a light engine problem with my 50v500. The light engine replaced 5/08 under extended warranty. That warranty expired. The light engine has gone bad again. Blue blob and blue streaking. Tech people won't stand behind their repair because its over 90 days. Hitachi service says its too old. 5/04 purchase.

HITACHI how-to replace your enclosure guide

Hitachi 50v500 Light Engine Replacement

We sent the light engine in to PTS for repair--they called and told us they can not fix as they can not get the LCD cube--are sending back unfixed. Told warr. company to give customer a new TV. So do the software fix and if that does not fix it tell tem to call Hitachi and complain.

Hitachi LCD TV Light Engine, Optical Block Info ...

Hitachi Light Engine replacement involves major dis-assembly of the TV unit. This is not recommended as a DIY project for an inexperienced technician. Same chance for success as a Peruvian Indian doing brain surgery with a sharp arrowhead.

[TechAssist] Re: HITACHI LCD 50V500 PINK PICTURE ...

It was suspiciously listed as a " UX22203D light engine for hitachi 50v500".... I wanted to know if it was the light engine for the 50V500 which would be a UX22201/d/dr, or was really a UX22203/d/dr and for a 60V500A. It said in the small description that it was a "UX22201 for a 50V500" so it was very misleading.
