Stef blamed the dating app. She saw his picture—his smile, the rugged line of his jaw, the way the man could fill out a suit, and like an idiot, she fell a bit in love with him. Idiot because no one ever really looked like their profile pic. Idiot also because if the man did look like his profile pic then he certainly wasn't going to be into a science geek who binged old Sci-Fi shows on the regular, and whose longest relationship was with her golden retriever named Fred. But in a night of drunken insanity, she swiped right on the picture she'd been drooling over for months. Then in a morning of hangover unpleasantness, she saw that he'd swiped right, too. And suddenly, she found herself on a date with the man of her dreams. The only question was whether or not he lived up to them.

Hughes traces a development from the significance of dress in discussion of 'the American Girl' in the early works, through dress as an indicator of social position, to the emergence of the more unstable and threatening aspects of dress, which culminate in the strange case of the coat of changing colours in *The Sense of the Past*.

At the cross Christ made possible a "divine exchange" for everyone who believes in him. What is this exchange? Because Jesus endured all the evil due to humankind, believers can actually partake in all the good due to him. In this meaty book, acclaimed scholar Derek Prince explores the astounding results of the atonement for followers of Christ. In place of punishment, wounding, death, poverty, shame, and rejection, Christ freely offers forgiveness, healing, life, abundance, glory, and acceptance. In addition, Prince gives biblical grounding for five areas of deliverance that are made available through the cross: deliverance from this present evil age, from the law, from self, from the flesh, and from the world. This brand-new edition includes a new mini-study course at the end of each chapter, perfect for individual or small group study.
