Never more connected, we seem to be growing more distant. Never more efficient, we have never been more distracted. Script excerpts, quotes, and illustrations from the show Guiding questions for groups or individuals Being chosen by Jesus has beautiful and far-reaching implications—although it says even more about the Chooser than the choosees. We are loved because He's love. We are saved because He's

merciful. We belong to the family of God because Jesus invites us, making the Bible and all its promises as true for us today as it was for God's chosen nation. What does it actually mean to be Chosen? To answer that question, we're going Old school—Testament that is—which leads us back to the New. Which always leads us directly to Jesus.

"[A] powerful work. . . . Provides a road map for any Christian seeking greater racial justice."--Publishers Weekly  
Reconciliation is not true reconciliation without justice! Brenda Salter McNeil has come to this conviction as she has led the church in pursuing reconciliation efforts over the past three decades. McNeil calls the church to repair the old reconciliation paradigm by moving beyond individual racism to address systemic injustice, both historical and present. It's time for the church to go beyond individual reconciliation and "heart change" and to boldly mature in its response to racial division. Looking through the lens of the biblical narrative of Esther, McNeil challenges Christian reconcilers to recognize the particular pain in our world so they can work together to repair what is broken while maintaining a deep hope in God's ongoing work for justice. This book provides education and prophetic inspiration for every person who wants to take reconciliation seriously. Becoming Brave offers a distinctly Christian framework for addressing systemic injustice. It challenges Christians to be everyday activists who become brave enough to break the silence and work with others to dismantle systems of injustice and inequality.
