An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich

magic system, Tracy Deonn's YA contemporary fantasy reinvents the King Arthur legend and "braids together Southern folk traditions and Black Girl Magic into a searing modern tale of grief, power, and self-discovery" (Dhonielle Clayton, New York Times bestselling author of *The Belles*). After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight. This paperback edition of *Legendborn* contains a teaser to the thrilling sequel, *Bloodmarked*, as well as an

exclusive short story from Selwyn Kane's perspective!

A NEW YORK TIMES "NEW & NOTEWORTHY" BOOK | A BUSTLE "MOST ANTICIPATED BOOK OF 2021" | ONE OF PUREWOW'S "BOOKS WE CAN'T WAIT TO READ IN FEBRUARY" | VANITY FAIR'S "THE BEST BOOKS TO BUY THIS VALENTINE'S DAY" "Want Me is complicated, fun, shocking, and heart-warming all at once." —Jessica Valenti, New York Times bestselling author of *Sex Object* "Intimate, challenging, and so very smart. *Want Me* is a gift." —Rebecca Traister, New York Times bestselling author of *Good and Mad* Tracy Clark-Flory grew up wedged between fizzy declarations of "girl power" and the sexualized mandates of pop culture. It was "broken glass ceilings" and *Girls Gone Wild* infomercials. With a vague aim toward sexual empowerment, she set out to become what men wanted—or, at least, understand it. In her moving, fresh, and darkly humorous memoir, she shares the thrilling and heartbreaking events that led to discovering conflicting truths about her own desire, first as a woman coming of age and then as a veteran journalist covering the sex beat. Tracing her experiences on adult film sets, at fetish conventions, and during an orgasmic meditation retreat (to name just a few), Clark-Flory weaves in statistics and expert voices to reckon with our views on sexual freedom. *Want Me* is about looking for love, sex, and power as a woman in a culture that is "freer" than ever, yet defined by unprecedented pressures and enduring constraints. This is a first-hand example of one woman who navigated the mixed messages of sexual expectation, only to discover the complexity of her own wants and our collective need to change the limitations of that journey.

Bell Harbor is a one-million copy bestselling series. Everyone in Bell Harbor thinks career-minded plastic surgeon Evelyn Rhoades needs a husband. Everyone, that is, except for Evelyn...sort of. Even if she did want a husband (which she doesn't...most of the time), she'd never let something as intangible as fate determine who she marries. No, if she's going to find someone to spend her life with, she'll do it scientifically: with a carefully crafted list of criteria and an Internet dating site. But when intoxicated, law-breaking Tyler Connelly crashes into her life by way of a stolen Jet Ski, unruly emotions defy common sense. Sure, he's sexy, charming, and determined to win Evelyn's affection, but all evidence points to him being the worst possible choice. He's too young for her. Too irresponsible. Too underemployed. And, oh yeah, he's her patient. But Tyler knows firsthand how the best-laid plans can

crumble under the weight of destiny. Now all he needs to do is to teach Evelyn that, in matters of the heart, love often supersedes logic.
