A wry comic novel with an acerbic wit, *A Hero of Our Time* is a vicious takedown of superficial diversity initiatives and tech culture, with a beating heart of broken sincerity. Osman Shah is a pitstop on his white colleague Olivia Robinson’s quest for corporate domination at AAP,

an edutech startup determined to automate higher education. Osman, obsessed by Olivia’s ability to successfully disguise ambition and self-interest as collectivist diversity politics, is bent on exposing her. Aided by his colleague turned comrade-in-arms Nena, who loathes and tolerates him in equal measure,

Osman delves into Olivia's twisted past. But at every turn, he's stymied by his unfailing gift for cruel observation, which he turns with most ferocity on himself, without ever noticing what it is that stops him from connecting to anyone in his past or present. As Osman loses his grip on his family, Nena, and

everything he thought was essential to his identity, he confronts an enemy who may simply be too good at her job to be defeated. A Hero of Our Time cracks the veneer of well-intentioned race conversations in the West, dismantles cheery narratives of progress through tech and "streamlined"

education, and exposes the venomous self-congratulation and devouring lust for wealth, power, and property that lurks beneath.

This book proposes that Spanish author Luis Mart í n-Santos' work

focuses on the effects of patriarchy and hegemonic masculinity on men, to actively contribute to freeing both men and women from the yoke of patriarchy. It aims for a new resonance of Luis Mart í n-Santos. It analyzes the influence of Heidegger, Freud and Sartre in Mart í n-Santos' psychiatric essays and his fictional works: the novel *Tiempo de silencio* (Time of Silence), the collection of short stories *Ap ó logos*, and the posthumous fragment

Tiempo de destrucción (Time of Destruction). It demonstrates that alongside the political critique of Franco's dictatorship, Martín-Santos' creative writings are an attempt to destroy the prevalent masculine myths of Western patriarchy, and a proposal to create new myths for the future.

Holding Out for a Hero is the first in a series of book

studies by emerging author Lisa Harper. Throughout the study, Lisa guides readers along the road to a more complete understanding of Hebrews as she discusses such timeless themes as trusting God in tough times, holding onto hope when life is hard, and the importance of running toward God when you feel like running away. This study helps readers understand what life was like for a Jewish Christian during the first century and parallels that to our own trials today. The book also features an interactive DVD in which Lisa leads a group

of women through the study and addresses the reader personally.
