### A Guided Journal for Daydreams, Creative Rants, and Bright Ideas Penguin

How do you find a book when you can't recall the title...or the author? This homage to a common reader's dilemma is a gift the booklover in your life won't soon forget. Readers know all too well the comedy and tragedy of forgetting the name of a must-find book. Inspired by this torturous predicament, artist Marina Luz creates paintings of books based on the descriptions we use when we can't remember their titles—mining Internet book-search forums for the quirky, vague, and often hilarious language we come up with in these moments. This volume collects dozens of these imaginary books into a library all their own: Titles like "Cat, Possibly Named Henry," "It Was All a Dream," or "Something-Something, Beverly Hills" inspire dreaming up their contents, often as entertaining as trying to guess the real book behind them. A celebration of book love unlike any other, this petite book is a clever gift for bibliophiles that will spark knowing smiles. PERFECT GIFT FOR BOOKLOVERS: The collection will spark recognition for everyone who has encountered this phenomenon (so, virtually every reader) and especially those who have worked in a bookstore, who know intimately well how often this dilemma arises. This impulse-priced delight is an excellent way to make book-loving friends feel seen. A UNIQUE APPRECIATION OF BOOK LOVE: This is a loving tribute to the wonderful and bizarre ways that books leave impressions on our souls, if not always perfectly in our memories. It's a fun and fresh appreciation of bibliophilia that still delivers long after the first read. Perfect for: • Bibliophiles • Booksellers • People seeking gifts for the booklovers in their life

#1 NEW YORK TIMES BESTSELLER • Experience the book that started the Quiet Movement and revolutionized how the world sees introverts—and how introverts see themselves—by offering validation, inclusion, and inspiration "Superbly researched, deeply insightful, and a fascinating read, Quiet is an indispensable resource for anyone who wants to understand the gifts of the introverted half of the population."—Gretchen Rubin, author of The Happiness Project NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People • O: The Oprah Magazine • Christian Science Monitor • Inc. • Library Journal • Kirkus Reviews At least one-third of the people we know are introverts. They are the ones who prefer listening to speaking; who innovate and create but dislike self-promotion; who favor working on their own over working in teams. It is to introverts—Rosa Parks, Chopin, Dr. Seuss, Steve Wozniak—that we owe many of the great contributions to society. In Quiet, Susan Cain argues that we dramatically undervalue introverts and shows how much we lose in doing so. She charts the rise of the Extrovert Ideal throughout the twentieth century and explores how deeply it has come to permeate our culture. She also introduces us to successful introverts—from a witty, high-octane public speaker who recharges in solitude after his talks, to a record-breaking salesman who quietly taps into the power of questions. Passionately argued, impeccably researched, and filled with indelible stories of real people, Quiet has the power to permanently change how we see introverts and, equally important, how they see themselves. From Dr. Becky Kennedy, the psychologist known as the "Millennial Parenting Whisperer," comes a practical guide that offers a radical new approach to parenting. Over the past several years, Dr. Rebecca Kennedy—known to her many followers as simply "Dr. Becky"—has been sparking a parenting revolution. Tired of advice that doesn't work or simply doesn't feel good to put into practice, hundreds of thousands of parents have been turning to Dr. Becky for her empowering, forgiving, and effective approach to parenting that meets parents exactly where they are—and gives them the tools to do better. In Good Inside, Dr. Becky shares her popular philosophy and tools in a comprehensive resource designed

to help parents move from frustration and self-blame to empowerment, confidence, and sturdy leadership. For decades, Dr. Becky suggests, parents have been sold a model of childrearing that simply doesn't work. From reward charts to time outs, the "evidence-based" incentives and punishments many experts recommend are based on shaping behavior, not raising humans. These techniques don't build the skills kids need for life and don't account for kids' complex emotional needs. Add to that the conditioning we've inherited from our own parents—which often discounts the validity of emotions altogether—and you end up with a generation of parents who feel lost, burned out, and worried they're failing their kids. In this ground-breaking book, Dr. Becky builds from the baseline of a radically simple but profound truth: You are good inside. Your kids are good inside. There are no "bad kids" or "bad parents"—there are only good kids having a hard time, and good parents struggling to do their jobs well. After diffusing blame and shame, she asks readers to shift their focus from discipline to connection. Because the only way we can help our kids through tough times, suggests Dr. Becky, is to reinforce secure attachment. Part manifesto, part how-to guide, Good Inside is as focused on self-development as it is child development, since it's impossible for parents to meet their child's needs without first meeting their own. Filled with both perspective-shifting strategies as well as troubleshooting for specific scenarios—including sibling rivalry, separation anxiety, tantrums, rudeness and defiance, not listening, and more—Good Inside is a stand-alone resource for a generation of parents looking for a new way to raise their kids while still setting them up for a lifetime of resilience, confidence, and self-regulation.

### The Lazy Genius Way Penguin

A rich, transportive guide to the world of Japanese cocktails from acclaimed bartender Julia Momosé of Kumiko "A feast for the senses and a new benchmark for the bartending genre."—Jim Meehan, author of Meehan's Bartender Manual and The PDT Cocktail Book With its studious devotion to tradition, craftsmanship, and hospitality, Japanese cocktail culture is an art form treated with reverence. In this essential guide, Japanese American bartender Julia Momosé of Kumiko and Kikk? in Chicago takes us on a journey into this realm. She educates and inspires while breaking down master techniques and delving into the soul of the culture: the traditions and philosophy, the tools and the spirits—and the complex layering of these elements that makes this approach so significant. The recipes are inspired by the twenty-four micro-seasons that define the flow of life in Japan. Enter a world where the spiced woodsy cocktail called Autumn's Jacket evokes the smoldering burn of smoking rice fields in fall, and where the Delicate Refusal tells the tale of spring's tragic beauty, with tequila blanco and a flutter of sakura petals. Perfected classics like the Manhattan and Negroni, riffs on some of Japan's most beloved cocktails like the Whisky Highball, and even alcohol-free drinks influenced by ingredients such as yuzu, matcha, and umé round out the collection.

*The Power of Rest and Retreat in Difficult Times* Clarkson Potter

A NEW YORK TIMES BESTSELLER! AS HEARD ON NPR MORNING EDITION AND ON BEING WITH KRISTA TIPPETT "Katherine May opens up exactly what I and so many need to hear but haven't known how to name." —Krista Tippett, On Being "Every bit as beautiful and healing as the season itself. . . . This is truly a beautiful book." —Elizabeth Gilbert "Proves that there is grace in letting go, stepping back and giving yourself time to repair in the dark... May is a clear-eyed observer and her language is steady, honest and accurate—capturing the sense, the beauty and the latent power of our resting landscapes." —Wall Street Journal An intimate, revelatory book exploring the ways we can care for and repair ourselves when life knocks us down. Sometimes you slip through the cracks: unforeseen circumstances like an abrupt illness, the death of a loved one, a break up, or a job loss can derail a life. These periods of dislocation can be lonely and unexpected. For May, her husband fell ill, her son stopped attending school, and her own medical issues led her to leave a demanding job. Wintering explores how she not only endured this painful time, but embraced the singular opportunities it offered. A moving personal narrative shot through with lessons from literature, mythology, and the natural world, May's story offers instruction on the transformative power of rest and retreat. Illumination emerges from many sources: solstice celebrations and dormice hibernation, C.S. Lewis and Sylvia Plath, swimming in icy waters and sailing arctic seas. Ultimately Wintering invites us to change how we relate to our own fallow times. May models an active acceptance of sadness and finds nourishment in deep retreat, joy in the hushed beauty of winter, and encouragement in understanding life as cyclical, not linear. A secular mystic, May forms a guiding philosophy for transforming the hardships that arise before the ushering in of a new season.

**Reflections for a New Generation** Artisan Books

The editors of Vogue, the ultimate authority on fashion, document the post-COVID changes happening across the fashion landscape in America. Celebrating creators, artisans, and visionaries across the country, the book pays tribute to the democratization of American fashion and the creativity and artisanship that is no longer confined to the runways of New York and Los Angeles. In their February 2021

issue, Vogue launched "The United States of Fashion," a project that shines a spotlight on the creativity and craft flourishing throughout the country. Exploring the innovation and entrepreneurialism that defines American fashion, Vogue goes coast to coast from Detroit to El Paso to Indianapolis to Nashville, where the most exciting new designers are creating and designing locally. This book features a wide array of fashion voices across the nation, who share self-generated images and narratives on how they define and identify with fashion now. New, never-before-seen photographs and anecdotes, not published in the pages of Vogue, come from fashion designers Laura and Kate Mulleavy of Rodarte, Jeremy Scott, and Libertine; photographers Alex Webb and June Canedo; and craftspeople Ariana Boussard-Reifel and Ataumbi Metals. The book contains texts by esteemed writers, from Louise Erdrich's words on Native American fashion and music editor Suzy Exposito's account of being goth in Miami, to new ways of creating sustainable, recycled fashion. These accounts create a living biography of the evolution and democratization of fashion today. A rich tapestry of style in America, The United States of Fashion will appeal to readers interested in fashion, design, culture, and photography.
