The Chanukkah Guest Right to the Core

If you are a crafter, teacher or parent interested in recycling Christmas cards, then you will love these pretty eco crafts, ideas and special templates to repurpose your used Holiday cards into charming new crafted items. The full color book with instructions and photographs for the 50 projects, plus the template collection with easy craft templates, are all you need to give used greeting cards a second life. The templates are designed and adapted for greeting card sizes and can be used again and again. Don't throw away those beautiful cards after the very short holiday period! Create nifty new items for fabulous scrapbooking, pretty packaging, little personal gifts, fun favors, small tokens of appreciation,

creative containers, decor, decorations and ornaments! There are bonus projects, printable pattern paper and a second set of blank craft templates too. Make them for yourself, or to sell at craft markets and fundraising events. And use them for school arts and crafts projects too, as many projects are suitable for children. No fancy coordinated craft shop designs or expensive embellishments are needed. Just use what you have on hand. The happy patchwork medley is exactly what makes the projects in *Recycling Christmas Cards* so charming. Those lavish graphics on greeting cards were created by professional designers and make fabulous crafting material for pennies on the dollar - and in sturdy cardstock to boot. They are just waiting for the new life

you can give them. Folks love to browse craft fairs and the likes for those inexpensive "little something" gifts. Many projects are geared towards such little gifts and stocking stuffers. Crafters will love the 45 craft templates in the book, as they have the perfect size for the projects. (Suggestions for recycling Christmas cards are easy to find, but finding templates that are ready to use and scaled to size are not). For convenience the templates are also available as printable downloads. If you have some odd cards left in a box somewhere, you can start your crafting straight away. Then ask friends, family and neighbors for theirs, as you will soon need (and want) a lot of cards. You can even arrange collection boxes at super markets, clubs and such. It is not just about recycling

Christmas cards, but about recycling Christmas fun - all year long! So keep every one of your cards and get started for the next Holiday season, because 40 million recycled cards save 13 600 trees! Reuse, remake, repurpose, reduce, recycle and rethink!

They long for a swirling snowstorm—if only someone in the big family would pick up the snow globe and give it a great big shake. Baby would love to. She alone notices the little family. She gazes longingly at their snowy little world, but the snow globe is up way too high for her to reach. Then, when a real snowstorm sends the big children outside sledding in the moonlight, Baby finds herself alone in the parlor. . . Will the snow globe family at last get a chance to go sledding too? As readers follow the

parallel adventures of both families, big and little, they will take special pleasure in the miniature world of the snow globe, where the skating pond is the size of a shiny quarter and a snowman is no bigger than a sugar cube.

When a class leaves for recess, their just-baked Gingerbread Man is left behind. But he's a smart cookie and heads out to find them. He'll run, slide, skip, and (after a mishap with a soccer ball) limp as fast as he can because: "I can catch them! I'm their Gingerbread Man!" With help from the gym teacher, the nurse, the art teacher and even the principal, the Gingerbread Man does find his class, and he's assured they'll never leave him behind again. Teachers often use the Gingerbread Man story to introduce new students to the geography and staff of schools, and this fresh, funny twist on the original can

be used all year long. Includes a poster with fun activities!

One snowy day an elderly woman, Sarah, watches children gathering at the bus stop. While they never seem to notice her, she notices them, especially one little boy who has no mittens. That night, Sarah knits the boy a pair of cozy mittens and places them on the blue spruce tree for him to discover. It soon becomes a game, with the children

looking for new mittens on the mysterious tree every morning, and Sarah joyfully knitting new ones each night. With its touching message and delightful illustrations, adults and children will enjoy this intergenerational tale for years to come.

PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the

“ shefault ” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response

was...underwhelming.

Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it.

The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the

invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

If you could have any animal's front teeth, whose would you choose? **WHAT IF YOU HAD ANIMAL TEETH?** takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal's survival. At the end of the book, children will discover why their own teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous

illustrated image of a child using that animal's teeth on the right.

If I Were the Easter Bunny
(Read Aloud) Harper Collins

The book that Inc. says "every entrepreneur should read" and an FT Book of the Month selection... How did the movie The Shawshank Redemption fail at the box office but go on to gross more than \$100 million as a cult classic? How did The 48 Laws of Power miss the bestseller lists for more than a decade and still sell more than a million copies? How is Iron Maiden still filling stadiums worldwide without radio or TV exposure forty years after the band was founded? Bestselling author and marketer Ryan Holiday calls such works and artists perennial sellers. How do

they endure and thrive while most books, movies, songs, video games, and pieces of art disappear quickly after initial success? How can we create and market creative works that achieve longevity? Holiday explores this mystery by drawing on his extensive experience working with businesses and creators such as Google, American Apparel, and the author John Grisham, as well as his interviews with the minds behind some of the greatest perennial sellers of our time. His fascinating examples include:

- Rick Rubin, producer for Adele, Jay-Z, and the Red Hot Chili Peppers, who teaches his artists to push past short-term thinking and root their work in long-term inspiration.
- Tim Ferriss, whose books have sold millions of copies, in part

because he rigorously tests every element of his work to see what generates the strongest response. • Seinfeld, which managed to capture both the essence of the nineties and timeless themes to become a modern classic. • Harper Lee, who transformed a muddled manuscript into *To Kill a Mockingbird* with the help of the right editor and feedback. • Winston Churchill, Stefan Zweig, and Lady Gaga, who each learned the essential tenets of building a platform of loyal, dedicated supporters. Holiday reveals that the key to success for many perennial sellers is that their creators don't distinguish between the making and the marketing. The product's purpose and audience are in the creator's mind from day one. By thinking

holistically about the relationship between their audience and their work, creators of all kinds improve the chances that their offerings will stand the test of time.

The Anni Arts printable crafts are now available in a Cut-n-Make Book. Easy, pre-printed paper crafts in full colour are ready to cut, glue and make.

No need to print! Stylized and Mod Scandi Holiday Bird clip art in the spirit of playful mid-century designs are on paper crafts like handmade cards, little gift bags, choc wrappers and decor for 'Jul'

celebrations. A folksy bird is joined by 60's daisies, hearts and a decorative tree and angel. The popular contemporary look that is broadly referred to as folksy Scandi style, goes back to illustrations of the 60's and

70's. Designers in Scandinavia were inspired by traditional Scandinavian folk art and reinterpreted motifs for a bold, colourful and updated folk look. The crafts have instructions on the printed pages themselves, and there is a section with general instructions and tips too. However, the crafts are so easy that non-English crafters will also be able to make them without the need for the instructions. Only the most basic craft equipment is needed: scissors, glue, a paper scorer and hole punch are sufficient. The crafts are beautifully designed to form a coordinated series and small elements can be applied in a mix and match manner. There are free printable downloads too, with further items that coordinate with the designs in the book (there are always items that didn't fit in the book). Follow the link in the book for an additional

envelope, wrapping paper, a little gift box and tags. There is also a separate set of Mod Scandi Holiday Bird designs that can be purchased as digital downloads to print. These include a 3D paper craft mug, card kit, boxes, papers and more. And fun ready-to-buy Mod Scandi Holiday Bird products are available as physical items too. God Jul!
