Mussar is an illuminating, approachable, and highly practical set of teachings for cultivating personal growth and spiritual realization in the midst of day-to-day life. Here is an accessible and inspiring introduction to this Jewish spiritual path, which until lately has been best known in the world of Orthodox Judaism. The core teaching of Mussar is that our deepest essence is inherently pure and holy, but this inner radiance is obscured by extremes of emotion, desire, and bad habits. Our work in life is to uncover the brilliant light of the soul. The Mussar masters developed transformative teachings and practices—some of which are contemplative, some of which focus on how we relate to others in daily life—to help us to heal and refine ourselves. E come in this chapter to the Inner Life of Holiness. Here again the startingpoint is in these words--Your Father. It is only as we know Him, and the deep reality of our relationship to Him, that this chapter will be opened up to us. Let us come again to our gracious Master, Who waits to declare Him unto us--sitting at His feet let us ask Him to teach us--Lord, show us the Father, and it sufficeth us. Running through this chapter are two lines of thought that become one in the deep underlying truth. i. The Father's Claim. 2. The Soul's Supply. The two rise up sharply side by side in the Lord's Prayer--" Our Father which art in heaven, Hallowed be Thy name. Thy kingdom come. Thy will be done on earth, as it is done in heaven"--thus far the Father's claim. Then comes the child's supply. "Give us this day our daily bread. And forgive us our debts, as we also forgive our debtors. And lead us not into temptation, but deliver us from evil." Then we reach the point at which the two unite: "For Thine is the kingdom, and the power, and the glory, for ever. Amen." These two make up the inner life of holiness. We will take them in order, asking the blessed Spirit to lead us by His light. I. The Father's Claim. Born of God, we are bound to Him, as we have seen, in the deepest, closest, most abiding relationship. This great love of our Father has its claim upon

The greatest pursuit in life is holiness. Without holiness, “no one will see the Lord” (Heb. 12:14). Unfortunately, individuals, churches, even entire denominations often practice distorted spiritual formation. As a result, spiritual growth is hindered, personal witness is damaged, the Great Commission is inhibited, and God is dishonored. The solution to distorted spiritual formation is a holistic approach, centered on the Great Commandment. The Pursuit of Holistic Holiness provides a biblical theology of spiritual formation, identifies pitfalls of imbalanced spiritual growth, and offers practical solutions to help Christians recognize and overcome deficiencies in the transformation process. Whatever your spiritual maturity level, this book will facilitate your path forward. The pursuit of holistic holiness has the potential to spark a reformation in the Church!

At one time there was a great deal of interest in the topic of holiness—but not so much anymore. Theological wrangling and impossible legalism has left many in the church frustrated and confused, with part of that confusion arising from idealism in the pulpit that rang hollow in the lives and experiences of ordinary believers. But what if there was significant help from God in the enterprise of living a morally triumphant life, where habitual sinning was not inevitable, and where the development of godly character was possible and found through a maturing relationship with God and growth in the Christian life? The apostle Paul certainly thought so. In Help for Holiness, author and senior pastor Paul F. Evans revisits the topic of holiness and explores Paul’s admonition that believers shouldn’t seek more rules (legalism) nor give in to moral pessimism that says we cannot help but sin every day in word, thought, and deed. Instead, through morally transformative justification and regeneration, followed by a commitment to the crucifixion of

the old life in the death of Christ, we can be raised to new life, which, through ongoing surrender to the Spirit, can in fact produce the conduct and character God is looking for. In this postmodern world, we do not need to abandon an emphasis on righteous and holy living—God really has made a provision for us to succeed morally. Holiness was started by grace, and God will complete it in us by grace through the Spirit!

What separates pastors who finish well from those who don’t? When trusted pastors fall into sin and destroy a ministry, the entire body of believers gets hurt. After helping two large churches through the aftermath of such an event, Daniel Henderson discovered that pastoral failings are not primarily rooted in overdeveloped passions for self and sin but rather in underfed visions of eternity and a lack of zeal for God’s glory. In *Glorious Finish*, Daniel Henderson teaches you: Why focusing on God’s glory is the key to a fruitful ministry How leaders can build habits that keep them captivated by God and His glory How to stay glory-oriented in the grind, challenges, and spiritual attacks of ministry Forget the latest techniques and the strategies—spend some time recentring on what you know is most important—His glory.

Catholics are taught to prize holiness—to admire it in others and to strive for it in their own lives. But we’re never quite told what holiness is. In *Holy Is His Name: The Transforming Power of God’s Holiness in Scripture*, Scott Hahn seeks to define the term in order to help us better understand our relationship with holiness. Tracing the meaning of holiness first through the Old Testament and then the New, Hahn masterfully reveals how God gradually transmits his holiness to his people—through creation, right worship, and more—and ultimately transforms them through the sharing of his divine life.
