## *The Practice of Godliness*

Tyndale House

Are you ready for a revolution? For years, the church has taught holiness as renunciation instead of relationship: listing things that good Christians must give up, rather than all that we gain by choosing Jesus. Author, artist, and podcaster, Jamie Lyn Wallnau tackles the topic of holiness for her fellow millennials. She makes the bold claim that a life set apart is the only path to true, abiding fulfilment. Jamie Lyn teaches that the Jesus-devoted life treasures Him as the greatest good, and pursues Him above all else. Written from a heart abandoned to God, Holy Revolution teaches readers to: Enjoy Jesus Presence over distraction. Trust and experience the Promise Keeper in the midst of delay and discouragement. Experience the freedom of friendship with God. Use simple, conversational prayer as a powerful weapon. Live in

victory over temptation through total satisfaction in Jesus.

Influence culture through words and example. Discover the freedom and joy of a life set apart. Will you choose Jesus today?

## The Book of Joy

Penguin

Be devoted to God with your heart and your mind. Do you look to devotional books for guidance as you seek to focus your heart on the Lord each day? If you do, you know that too often devotional material fails to engage the mind in addition to the heart. Touching stories replace the very source of lasting encouragement and strength we need each day—the truth of the Word of God. But this is never true of Dr. Martyn Lloyd-Jones's writing. Walking with God Day by Day offers brief daily

---

devotionals that engage the mind and the heart. You will not just find spiritual nourishment in its pages; you will learn about God and the great themes of the Bible. Robert Backhouse has compiled excerpts from choice passages in the writings of Dr. Lloyd-Jones according to monthly themes. By reading this devotional, you will grow in your understanding of God and learn to apply the truth of His Word day by day.

Walking with God Day by Day NavPress

From devastating natural disasters to deadly highway accidents, tragedies occur every day around the world and in our own lives. As we face death, grief, loss, we become angry and our faith

is tested as we ask, “Is God really in control?” Navigator author Jerry Bridges helps answer that question positively in this topical Bible study, offering comfort and hope by exploring the greater purposes and character of God. Useful for men, women, and teens, the book includes discussion questions.

**NATIONAL BESTSELLER**

Two great spiritual masters share their own hard-won wisdom about living with joy even in the face of adversity.

The occasion was a big birthday. And it inspired two close friends to get together for a talk about something very important to them. The friends were His Holiness the Dalai Lama and Archbishop Desmond Tutu. The subject was joy. Both winners of the

---

Nobel Prize, both great spiritual masters and moral leaders of our time, they are also known for being among the most infectiously happy people on the planet, despite having experienced great personal and national suffering. From the beginning the book was envisioned as a three-layer birthday cake, the first being their personal stories and teachings about joy. Both the Dalai Lama and Tutu have been tested by extraordinary adversity, oppression, and conflict. The second layer consists of the exciting research into joy as well as the other qualities essential for any enduring happiness, like gratitude, humility, humour, compassion, generosity, and forgiveness. And the third encompasses practical exercises and guidance based on the Dalai Lama's and

Tutu's own daily practices, which anchor their emotional and spiritual lives. Most of all, during that landmark week in Dharamsala, they demonstrated by their own exuberance, compassion, and even wise-cracking humour, how joy can be transformed from a fleeting emotion into an enduring way of being.

Holiness Day by Day B&H Publishing Group

True Christian faith is a profoundly transformational experience in which every part of our being is marked by God ' s change and energized by his presence. This transformation takes us far beyond mere sin avoidance to a robust “ full-bodied ” holiness in which we make ourselves “ holy available ” to God every minute of the day. From Starbucks, to the office, to the soccer fields, to the

---

boardroom, believers have the opportunity to carry the presence of Christ wherever they go. God offers the reader more than mere forgiveness; he wants to radically change and fill them with his presence, so they can experience an entirely different kind of life based not just on what they do or don't do but on who they are. Yet while many Christians today profess belief, their Christianity has no pulse. Holy Available is a manifesto of fully alive faith. Gary Thomas issues a compelling call for readers to see with Christ's eyes, feel with Christ's heart, and serve with Christ's hands. We make ourselves available to become "God oases," places of spiritual refuge where God can bring the hurting and lost to enjoy his presence and ministry.

Trusting God Cruciform Press  
Compiles stories and wisdom from three church leaders about how to foster an environment where people can grow in their Christian faith.

How should we make choices when we know so little about

---

our futures? L.A. Paul argues that we must view life decisions as choices to make discoveries about the nature of experience. Her account of transformative experience holds that part of the value of living authentically is to experience our lives and preferences in whatever ways they evolve.

Four Powers  
Charisma Media  
How do we become better people? Initiatives such as New Year's resolutions, vision boards, thirty-day plans, and self-help books often fail to compel us to live differently. We settle for small goals--frugal spending, less yelling at the kids, more time at the gym--but we are called to something far greater. We are created to be holy. Award-winning author Jessica Hooten Wilson explains that learning to hear the call of holiness requires cultivating a new imagination--one rooted in the

act of reading. Learning to read with eyes attuned to the saints who populate great works of literature moves us toward holiness, where God opens up a way of living that extends far beyond what we can conjure for ourselves. Literature has the power to show us what a holy life looks like, and these depictions often scandalize even as they shape our imagination. As such, careful reading becomes a sort of countercultural spiritual discipline. The book includes devotionals, prayers, wisdom from the saints, and more to help individuals and groups cultivate a saintly imagination. Foreword by Lauren F. Winner.

True Fellowship  
Oxford University Press, USA  
Churches committed to following Christ ' s example want to see this world changed for the sake of eternity. While the supernatural component of making that happen goes without saying, how does a body of believers do its part to be in that " sweet spot " where true spiritual

---

transformation can occur? In Transformational Church, bestselling research authors Thom S. Rainer and Ed Stetzer have surveyed fifty thousand down to five hundred congregations in search of the qualitative answer. Their book contains a wealth of indispensable new data, nuanced insights, and clear how-to guidance, all centered on this key finding: Transformational churches make disciples whose lives are being transformed by the gospel so that people engage the culture around them for its ultimate transformation. Deeply committed to the essential foundations of discipleship (worship, community, and mission), transformational churches practice their faith and make disciples through vibrant leadership, prayerful dependence upon God, and relational intentionality. And they do so paying mind to their

unique context and with a missionary mindset. The most comprehensive study of the American church to date.

The Gospel for Real Life  
Crossway

Why is it easier to obey God than to trust Him? Because obeying God makes sense to us. In most cases, His laws appear reasonable and wise, and even when we don't want to obey them, we usually concede that they are good for us. But the circumstances we find ourselves in often defy explanation. Before long, we begin to doubt God's concern for us or His control over our lives. We ask, "Why is God allowing this?" or "What have I done wrong?" During such a time of adversity, Jerry Bridges began a thorough Bible study on the topic of God's sovereignty. What

---

he learned changed his life, and in *Trusting God* he shares the fruit of that study. As you explore the scope of God's power over nations, nature, and even the details of your life, you'll find yourself trusting Him more completely—even when life hurts. This new edition replaces both *Trusting God* (paperback ISBN 9781600063053) and the study guide (paperback ISBN 9781600063060) by combining both resources into one volume!

*Who Am I?* Brazos Press  
Now available in softcover with a new, contemporary watercolor design that blends with Jerry Bridges's most popular books. This new edition now includes the study guide (formerly available separately), combining that resource into this book. *What Ever Happened to Sin?* Jerry Bridges helps us confront the

sins we tolerate. The Christian journey is a life of practiced godliness, but too often we overlook or minimize sins that, while corrosive and destructive to ourselves and those around us, are overshadowed by more flashy, headline-grabbing sins. This classic book from Jerry Bridges helps readers understand and commit to a life of holiness by examining patterns of behavior we often accept as normal, rather than as violations of God's law. [Say Yes](#) Tyndale House Publishers, Inc.

The gospel provides for our eternal salvation, but how does it benefit us day to day? Find out from Navigator author Jerry Bridges how the gospel transforms you daily into Christlikeness. Learn more about the character of God and the character of Jesus as you explore this book on your own or with a discipleship partner. Includes study guide with discussion questions.

Holiness Hay House, Inc

On the fifth anniversary of her death and written during Debbie Ford's long battle with cancer, *Your Holiness* is a thoughtful and poignant exploration of the godliness that resides in all of us. The extraordinary way in which the manuscript to this book was found sets the foundation for its incredible message: medium James Van Praagh received a message from Debbie Ford's spirit telling him that she had an unpublished manuscript saved on her computer. James passed on the news to Debbie's sister, Arielle Ford, who found the manuscript exactly where it was said to be. Infused with Debbie's

trademark frank honesty and keen insight, *Your Holiness* is a blueprint for recognizing and accepting our latent spirituality. Debbie combines motivational prayers with deeply personal stories about her own spiritual journey - how she struggled and eventually found her internal faith - and translates her experience into a practical path for transformation. Engaging and accessible, clear and unwavering, philosophical yet practical, *Your Holiness* is a gift to the soul that both guides and nourishes. At a time when so much in our world feels uncertain and suffering is widespread and persistent, Debbie's voice is more essential than ever. *Your Holiness* grounds us in the here and now while delivering a timeless and empowering message of relentless love and strength.

Holy Revolution Tyndale House

This new edition replaces both *The Pursuit of Holiness* and the separate study guide by combining

---

both resources into one volume! “ Be holy, for I am holy, ” commands God. But holiness is something that is often missed in the Christian ’ s daily life. According to Navigator author Jerry Bridges, that ’ s because we ’ re not exactly sure what our part in holiness is. In *The Pursuit of Holiness*, he helps us see clearly just what we should rely on God to do—and what we should take responsibility for ourselves. As you deepen your relationship with God, learn more about His character, and understand the Holy Spirit ’ s role in holiness, your spiritual growth will mature. The included study guide contains 12 lessons. Tyndale House Publishers, Inc. *God ’ s Role and Our Role in the Pursuit of Holiness* You are never beyond the reach of God ’ s grace. Neither are you

ever beyond the need of God ’ s grace. Without grace we ’ d never come to Christ. But being a Christian is more than just coming to Christ, it ’ s about growing and becoming more like Jesus. This pursuit of holiness is hard work, and as we enter into this discipline, we sometimes lose sight of grace. Jerry Bridges helps us steer clear of this disastrous distraction, offering a clear and thorough explanation of the gospel and what it means to the believer. Explore how the same grace that brings us to Christ also grows us in Christ. Includes full study guide (which was previously sold as a stand-alone discussion guide, ISBN 9781576839904). *40-day Journey to the Heart of God* Moody Publishers *What Kind of Relationship Can You Have with Someone You Fear?* For most of us, fear is something we try to avoid. And fearing God hardly sounds like an occasion for joy. But Jerry Bridges shows how the fear of the Lord is actually the key that opens the door to a life of true knowledge, wisdom, blessing, and joy. We all want a deeper,

---

more intimate relationship with God – one that 's characterized by joy. But how does fearing God lead to joy? After all, aren ' t we supposed to love Him and live in intimate relationship with Him? Jerry Bridges explores this paradox as he unpacks the biblical promise that God delights in those who fear Him. Join him as he unveils the awesome greatness of God – His incredible holiness, deep wisdom, and especially His inspiring love. You ' ll gain a deeper understanding of who God is that will draw you into a truly biblical, and surprisingly delightful, fear of God – a fear that includes your own genuine, heartfelt delight in God. You ' ll make the startling discovery that the fear of the Lord, far from being something to avoid, is the key to joyful, fulfilling, and genuine intimacy with God. It can change your relationship with God and change your life! Discover the surprising Joy of Fearing God!

The Joy of Fearing God

NavPress

This timely book investigates

the increasing visibility and influence of evangelical Christians in recent American politics with a focus on racial justice. Peter Goodwin Heltzel considers four evangelical social movements: Focus on the Family, the National Association of Evangelicals, Christian Community Development Association, and Sojourners. The political motives and actions of evangelical groups are founded upon their conceptions of Jesus Christ, Heltzel contends. He traces the roots of contemporary evangelical politics to the prophetic black Christianity tradition of Martin Luther King, Jr., and the socially engaged evangelical tradition of Carl F. H. Henry. Heltzel shows that the basic tenets of King's and Henry's theologies have led their evangelical heirs toward a prophetic evangelicalism in a shade of blue green--blue symbolizing the tragedy of

---

black suffering in the Americas,  
and green symbolizing the  
hope of a prophetic evangelical  
engagement with poverty,  
AIDS, and the environment.  
This fresh theological  
understanding of evangelical  
political groups shines new  
light on the ways evangelicals  
shape and are shaped by  
broader American culture.
