Tarot Deciphered Llewellyn Publications

"The Heaven and Earth Tarot is about the deep and unique connection between the Human and the Divine, between what is spiritual and what is material, between eternity and the present moment. In a way, tarot works because the everyday exists within the higher realm of the Divine, while the Divine exists within every action and emotion of the everyday. Jack Sephiroth's artwork and vision are rooted in the images of the Waite Smith system, and blend, with absolute mastery, with the deeper occult wisdom of a Thoth deck. Jaymi Elford wrote the companion book, bringing additional insights to the symbols of each card. A guide that is sure to bring surprises and reflections to beginners and experts alike."--Back of box.

Find precise answers to your urgent questions—*The Big Book of Tarot Meanings* takes you beyond typical, generic card meanings by breaking each card down into eight interpretation categories. Interpreting card meanings is the most exciting aspect of reading tarot. However, it is also the most challenging, especially if you are new to the art. For example, basic tarot interpretation would have you understand that *The Lovers* card has to do with relationships—but what if your question had to do with career or health? How are you left to interpret the meaning? *The Big Book of Tarot Meanings* solves these dilemmas by breaking down each card into the eight most-queried categories, starting with *Beginnings* and ending with *Outcome*, with a meaning for each category, upright and reversed. No longer will you have to vaguely extrapolate meaning and insight for diverse questions from the same generic description often given in other beginner tarot books. In addition to providing fine-tuned interpretations, *The Big Book of Tarot Meanings* solves a second common question that comes with a tarot reading—How do I apply this knowledge to my everyday life?—by giving you an action item for each meaning, upright and reversed. A summary of what this comprehensive tarot meaning book offers: A welcoming introduction to the basics of tarot and instructions for using the book *Meanings* for all 78 cards of the Major and Minor Arcana, with the various interpretations for each card organized into eight categories—*Beginnings*, *Career*, *Money*, *Love*, *Friends & Family*, *Health*, *Higher Guidance*, and *Outcome*—both upright and reversed. An action item for every meaning, upright and reversed, to give you clear tools to work with and steps to take to move forward in the most aligned way. With *The Big Book of Tarot Meanings*, you'll never struggle again to know how the cards are answering you.

If your tarot cards could speak, what questions would they ask? Questions are powerful catalysts for introspection and self-growth. They can lead us in surprising directions. Or reconnect us to long-buried truths. It is important to take time in our lives every so often to check in with ourselves and meditate on the thoughts and feelings that well-thought-out questions can generate. Usually we expect tarot cards to provide us with answers. In this book however, you will see that the cards themselves generate questions that you can use as prompts for journaling and discussion.

Since its inception over 100 years ago, the Hermetic Order of the Golden Dawn has continued to be the authority on the initiatory and meditative teachings of the Tarot. This Tarot incorporates all of the temple symbolism needed for use in the Golden Dawn rituals. Created at the behest of the renowned occultist and father of the modern Golden Dawn movement Israel Regardie, this stunning deck masterfully blends traditional Tarot imagery with descriptions from the Golden Dawn initiation ceremonies. This is the first Tarot deck to incorporate the symbolism necessary for use in rituals. Written and created by internationally known adepts Chic Cicero and Sandra Tabatha Cicero, this is ideal for the beginning student but equally appealing to expert Tarot readers. The accompanying book provides an introduction to Cabalistic, Zodiacal and Alchemical symbolism creating a powerful tool for divination and spiritual growth. Complete with 256-page book and two versions of the Temperance card—as required in Golden Dawn rituals—this is the best Tarot available for students of the Golden Dawn and the Western magical tradition.

The book "THERAPEUTIC TAROT TRAINING- Volume 1 - MAJOR ARCANA" is a highly didactic treatise that, starting from the basic principles of esotericism, unveils the 78 Arcana. It does not place the objective of the work in divination or in advising on specific matters, but in the self-knowledge and

transformation of the human being. It was taking shape from the notes that I had been giving for my students since 1986, so that it is accessible to laymen as very enriching for the initiates. This innovative and progressive work makes the connection between the ancient tradition of the Arcana with modern psychotherapy, also accompanying the paradigm shift that marks the entry into a New Age. With a holistic approach, the meanings of the letters are elaborated through a systematic study of their symbols, present mythology and astrological, numerological and kabbalistic correspondences, showing how all these paths converge towards the same wisdom. Of the various tarots shown, the deck studied in greater depth is that of Aleister Crowley & Frieda Harris, concluded in 1944, cleansed of moralisms and ancient doctrines and therefore more suitable for diving and understanding the psyche of the current human being. MAIN THEMES COVERED: - Study of the 22 Arcana as phases of the growth of human consciousness.- Origins and history of the Tarot.- Presentation of the ritual and THERAPEUTIC READING, created by me resignifying the Celtic Cross. This reading studies: 1- The internal impulses and brakes that the person is feeling at this moment. 2- The crystallized behavior patterns, which block the individual's achievement. 3- Children's programming. 4- The Voice of the Essence. 5- The working method to remove the behavior patterns and tune into the Essence. 6- The Growth Path or possible evolution of the table if the proposed keys are used.- Extensive study of each Major Arcana from its most universal or archetypal level to the most everyday level; breaking with the stereotypical and expired vision that some cards had accumulated.- Summary of meanings and key words.- Introduction to the Tree of Life. Finally, the book "TRAINING IN THERAPEUTIC TAROT - Volume 1 - ARCANOS MAYORES" is not just for reading, but also for living. Enjoy. With love. Veet Pramad
