Himalayan Voices provides
admirers of Nepal and lovers of
literature with their first glimpse
of the vibrant literary scene in
Nepal today. An introduction to
the two most developed genres
of modern Nepali literature-
poetry and the short story-this
work profiles eleven of Nepal's
most distinguished poets and
offers translations of more than
eighty poems written from 1916
to 1986. Twenty of the most

interesting and best-known examples of the Nepali short story are translated into English for the first time by Michael Hutt. All provide vivid descriptions of Life in twentieth-century Nepal. This book should appeal not only to admirers of Nepal, but to all readers with an interest in non-Western literatures.

The Image of Modern Man in T. S. Eliot's Poetry Rowman & Littlefield
This superb collection of 26 works features the poet's masterpiece, "The Waste Land"; the complete Prufrock and Other Observations ("The Love Song of J. Alfred Prufrock," "Portrait of a Lady," "Preludes," "Rhapsody on a Windy

Night," "Mr. Apollinax," "Morning at the Window," and others); "The Hollow Men"; and the collection Poems ("Gerontion," "The Hippopotamus," "Sweeney Among the Nightingales," and more).

An Introduction to Modern Nepali Literature London Bridge

The winner of the Nobel Prize for Literature, the twentieth century's most famous poet and its most influential literary arbiter, T.S. Eliot has long been thought to be an obscure and difficult poet--forbiddingly learned, maddeningly enigmatic. Now, in this brilliant exploration of

T.S. Eliot's work, prize-winning poet Craig Raine reveals that, on the contrary, Eliot's poetry (and drama and criticism) can be seen as a unified and coherent body of work. Indeed, despite its manifest originality, its radical experimentation, and its dazzling formal variety, his verse yields meaning just as surely as other more conventional poetry. Raine argues that an implicit controlling theme--the buried life, or the failure of feeling--unfolds in surprisingly varied ways throughout Eliot's

work. But alongside Eliot's desire "to live with all intensity" was also a distrust of "violent emotion for its own sake." Raine illuminates this paradoxical Eliot--an exacting anti-romantic realist, skeptical of the emotions, yet incessantly troubled by the fear of emotional failure--through close readings of such poems as "The Love Song of J Alfred Prufrock," "Gerontion," "The Hollow Men," "Ash Wednesday," and many others. The heart of the book contains extended analyses of Eliot's two master works--The Waste

Land and Four Quartets. Raine also examines Eliot's criticism--including his coinage of such key literary terms as the objective correlative, dissociation of sensibility, the auditory imagination--and he concludes with a convincing refutation of charges that Eliot was an anti-Semite. Here then is a volume absolutely indispensable for all admirers of T.S. Eliot and, in fact, for everyone who loves modern literature.

Introduces the poetry of T.S. Eliot, examines his major works, and

discusses his style, symbolism, and themes

Vincent Persichetti Motilal Banarsidass Publishe

T.S. Eliot was arguably the most important poet of the twentieth century. Nonetheless, there remains much scope for reconsidering the content, form and expressive nature of Eliot's religious poetry, and this edited collection pays particular attention to the multivalent spiritual dimensions of his popular poems, such as

‘ The Lovesong of J. Alfred Prufrock ’ , ‘ The Waste Land ’ , ‘ Journey of the Magi ’ , ‘ The Hollow Men ’ ,

and ‘ Choruses ’ from The Rock. Eliot's sustained popularity is an intriguing cultural phenomenon, given that the religious voice of Eliot's poetry is frequently antagonistic towards the ‘ unchurched ’ or secular reader: ‘ You! Hypocrite lecteur! ’ This said, Eliot's spiritual development was not a logical matter and his devotional poetry is rarely didactic. The volume presents a rich and powerful range of essays by leading and emerging T.S. Eliot and literary modernist scholars, considering the doctrinal, religious, humanist, mythic and secular aspects of

Eliot's poetry: Anglo-Catholic belief (Barry Spurr), the integration of doctrine and poetry (Tony Sharpe), the modernist mythopoeia of Four Quartets (Michael Bell), the 'felt significance' of religious poetry (Andy Mousley), ennui as a modern evil (Scott Freer), Eliot's pre-conversion encounter with 'modernist theology' (Joanna Rzepa), Eliot's 'religious agrarianism' (Jeremy Diaper), the maternal allegory of Ash Wednesday (Matthew Geary), and an autobiographical reading of religious conversion inspired by Eliot in a secular age (Lynda

Kong). This book is a timely addition to the 'return of religion' in modernist studies in the light of renewed interest in T.S. Eliot scholarship. T. S. Eliot: The Poems HarperCollins "There are no poetic 'subjects' in this book, no conventional nightingales and daffodils, and there is no acceptance, either, of the traditional rules of metre and rhyme. As one discerning critic has said: 'We have here, in short, poetry that expresses freely a modern sensibility, the ways of feeling and the modes of experience of one fully alive in his own age'. "The main poem in this collection is 'The Waste Land'

(1922) to which Mr. Eliot has himself supplied some revealing footnotes which help the reader to cope with the associations and allusions in which the poem is so rich. His theme here, as in most of his other poems, is disillusion with our contemporary civilization, which he contrasts in several of its aspects with the beliefs and practices of other and earlier races. It is a difficult poem to follow and even Mr. Eliot's own sign-posts are sometimes cryptic. Prufrock, the Hollow Men and Other Poems Sarup & Sons A selection of the most significant and enduring poems from one of the twentieth century's major writers, chosen and introduced by Vijay Seshadri T.S. Eliot was a

towering figure in twentieth century literature, a renowned poet, playwright, and critic whose work—including “ The Love Song of J. Alfred Prufrock ” (1915), *The Waste Land* (1922), *Four Quartets* (1943), and *Murder in the Cathedral* (1935)—continues to be among the most-read and influential in the canon of American literature. *The Essential T.S. Eliot* collects Eliot ’ s most lasting and important poetry in one career-spanning volume, now with an introduction from Vijay Seshadri, one of our foremost poets.

A Tale Bantam

Ezra Pound has been called "the
inventor of modern poetry in
English." The verse and criticism
which he produced during the
early years of the twentieth century
very largely determined the
directions of creative writing in our

time; virtually every major poet in England and America today has acknowledged his help or influence. Pound's lyric genius, his superb technique, and his fresh insight into literary problems make him one of the small company of men who through the centuries have kept poetry alive—one of the great innovators. This book offers a compact yet representative selection of Ezra Pound's poems and translations. The span covered is Pound's entire writing career, from his early lyrics and the translations of Provençal songs to his English version of Sophocles' *Trachiniae*. Included are parts of his best known works—the Chinese translations, the sequence called *Hugh Selwyn Mauberly*, the *Homage to Sextus*

Propertius. The *Cantos*, Pound's major epic, are presented in generous selections, chosen to emphasize the main themes of the whole poem.

Octavio Paz and T. S. Eliot Gale, Cengage Learning

The last major verse written by Nobel laureate T. S. Eliot, considered by Eliot himself to be his finest work *Four Quartets* is a rich composition that expands the spiritual vision introduced in “*The Waste Land*.” Here, in four linked poems (“*Burnt Norton*,” “*East Coker*,” “*The Dry Salvages*,” and “*Little Gidding*”), spiritual,

philosophical, and personal themes emerge through symbolic allusions and literary and religious references from both Eastern and Western thought. It is the culminating achievement by a man considered the greatest poet of the twentieth century and one of the seminal figures in the evolution of modernism.
