Ice Little, Brown Books for Young Readers

“ A Hollywood hit.... Taut, inimitable prose and characters who could have only sprung from the mind of Elmore Leonard. ” —Detroit News The Chicago Tribune has dubbed Elmore Leonard, “ the coolest, hottest writer in America. ” In the same league as the legendary great ones—John D. MacDonald, Dashiell Hammett, James M. Cain—the “ King Daddy of crime writers ” (Seattle Times) demonstrates his remarkable mastery with *Get Shorty*, one of the most adored of his forty-plus novels. The basis of the hit movie starring John Travolta and Danny DeVito, *Get Shorty* chronicles the over-the-top, sometimes violent Hollywood misadventures of a Florida mob loan shark who chases a deadbeat client all the way to Tinseltown and decides to stick around and make movies. *Get Shorty* ’ s shylock protagonist, Chili Palmer, is a truly inspired creation—as memorable as another unforgettable Leonard hero, U.S. Marshal Raylan Givens of the hit TV series *Justified*—and readers will relish his moves and countermoves in this electrifying, funny, bullet train-paced winner from “ the greatest crime writer of our time, perhaps ever! ” (New York Times Book Review)

Nosepickers From Outer Space Simon and Schuster

Gordon Korman's acclaimed and timely YA novel explores the dangerous side of high school contact sports. Marcus is new in town and is hoping to make the championship high school football team, but it seems like a closed club, run by current star quarterback Troy. One day, while tossing the ball around in a park one day, Marcus meets Charlie, a man in his fifties who can play football like an old pro, which is exactly what he happens to be — a former NFL player and local celebrity. Charlie has boundless energy and coaches Marcus on his fear of being tackled, but as Marcus becomes more involved in this friendship with Charlie, it becomes painfully obvious to him, through the simplicity of Charlie's thoughts, that the long-term effects of the violent plays he suffered during his football glory days have taken their toll on Charlie. With wit and sensitivity, Gordon Korman tackles truths about high school sports, while delivering a poignant story about an unlikely friendship.

Eighteen-year-old Vince Luca, son of mob boss Anthony Luca, goes away to college in southern California hoping to escape his past, but soon his brother and a series of "uncles" appear at his dorm, and before long he is caught up in criminal activity once again.

**Son of a Junkman** Turtleback Books

Donovan, whose real gift is getting into trouble, finds himself at an academy for gifted students! Donovan is definitely skilled . . . at getting into trouble. And when one of his thoughtless pranks accidentally destroys the school gym during the Big Game, with the superintendent watching, he knows he's in for it. Suspension at best, maybe expulsion. Either way, a lawsuit and paying for damages. But through a strange chain of events, his name gets put on the list for the local school for gifted students: the Academy for Scholastic Distinction. Donovan knows he's not a genius, but he can't miss this chance to escape. Now, he has to figure out a way to stay at ASD -- and fit in with the kids there. And who knows, maybe his real gift will come to light . . . A new story from the master of middle-grade and YA humour Gordon Korman, *Ungifted* is a funny exploration of the special (and often surprising) talents that make each of us gifted in our own way.

Earn Extra Cash The Side Hustle Path is for people who want or need to earn some extra money outside of their day jobs. Maybe you need a few extra dollars to make ends meet. Maybe you want to pay off debt. Maybe you want to save for a rainy day, or for your children's education. Maybe you just want to treat yourself to a nice vacation or a new car without feeling guilty about it. Maybe you're looking for a way out of the corporate world, an escape plan. That's the ultimate financial freedom, right? That's how I got started down this entrepreneurial path, and it's been the best choice I ever made. You're willing to work for it, because your future is worth working for. The challenge is time is limited, and you may not know where to start. There are a million and one ways to “make money online” and everyone wants to sell you their “proven system for Internet riches.” It's hard to tell what's a scam and what's legit. Real-World Examples This book offers 10 real-world examples of how regular people just like you and me are earning side hustle income outside of traditional employment. Many have even turned these part-time ventures into full-time businesses, throwing off the shackles of their corporate overlords for good. And the cool thing is, there are no special technical skills or prerequisites to get started with any of the ideas presented. Most don't require any big scary upfront investment. Why Side Hustle? Build Skills Build Security Build Income Build Freedom My Story After college, I did what you're supposed to do: I got a job. The problem was almost immediately I found myself looking for a way out. It wasn't that I hated the work or my coworkers, but it just wasn't what I wanted to do with my life. The thought of spending my next 30 years there was terrifying. So evenings and weekends I turned my attention online. I'd been dabbling with building rudimentary websites, learning online advertising channels, and even running my own small marketing campaigns for other company's products to test the waters. And that's what The Side Hustle Path is about; finding a low-risk way make more money. If you're looking for a get-rich-quick-scheme or the secret to overnight success, you won't find it here. But what you will find are 10 down-to-earth entrepreneurs who were once sitting in your same position. They felt the same fears and uncertainties, but took action anyway. What are you waiting for? Scroll up and download your copy now!

Vince Luca is just like any other high school guy. His best friend, Alex, is trying to score vicariously through him; his brother is a giant pain; and his father keeps bugging him to get motivated. There is just one thing that really sets him apart for other kids—his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be handy for certain things (like when teachers are afraid to give him a bad grade), they can put a serious crimp in his dating life. How is he supposed to explain to a girl what his father does for a living? But when Vince meets a girl who finally seems to be worth the trouble, her family turns out to be the biggest problem of all. Because her father is an FBI agent—the one who wants to put his father away for good.

NEW YORK TIMES BESTSELLER For the first time, Curtis “50 Cent” Jackson opens up about his amazing comeback—from tragic personal loss to thriving businessman and cable's highest-paid executive—in this unique self-help guide, his first since his blockbuster New York Times bestseller *The 50th Law*. In his early twenties Curtis Jackson, known as 50 Cent rose to the heights of fame and power in the cutthroat music business. A decade ago the multi-platinum selling rap artist decided to pivot. His ability to adapt to change was demonstrated when he became the executive

producer and star of *Power*, a high-octane, gripping crime drama centered around a drug kingpin's family. The series quickly became “appointment” television, leading to Jackson inking a four-year, \$150 million contract with the Starz network—the most lucrative deal in premium cable history. Now, in his most personal book, Jackson shakes up the self-help category with his unique, cutting-edge lessons and hard-earned advice on embracing change. Where *The 50th Law* tells readers “fear nothing and you shall succeed,” *Hustle Harder, Hustle Smarter* builds on this message, combining it with Jackson's street smarts and hard-learned corporate savvy to help readers successfully achieve their own comeback—and to learn to flow with the changes that disrupt their own lives. Steerforth

New York Times bestselling author, superstar comedian, and Hollywood box office star Kevin Hart turns his immense talent to the written word by writing some words. Some of those words include: the, a, for, above, and even even. Put them together and you have a “hilarious but also heartfelt” (Elle) memoir on survival, success, and the importance of believing in yourself. The question you're probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart's life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident, unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans, and his own toys. The odds, in short, were stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling, and Chocolate Droppa before him, was able to defy the odds and turn it around. In his literary debut, he takes us on a journey through what his life was, what it is today, and how he's overcome each challenge to become the man he is today. And that man happens to be the biggest comedian in the world, with tours that sell out football stadiums and films that have collectively grossed over \$3.5 billion. He achieved this not just through hard work, determination, and talent. “Hart is an incredibly magnetic storyteller, on the page as he is onstage, and that's what shines through [in this] genial, entertaining guide to a life in comedy” (Kirkus Reviews).

**Hollywood Park** Crown Books for Young Readers

There is a mysterious new student at Fitzgerald High, Jake Garret. He seems to have it all figured out. He looks like he just stepped off the cover of the J. Crew catalog, he is the best kicker the football team has ever had, and best of all, he hosts the party to go to every Friday night. All the guys want to be like him and all the girls want to date him, but Jake only has eyes for Didi, the girlfriend of alpha male and quarterback, Todd Buckley . As Jake's friend Rick gets to know him, he at first admires him, then starts to like him, but soon grows to fear for him as he learns Jake's dangerous secret. From beloved young adult author Gordon Korman, comes a new look at age-old themes about popularity, acceptance, and human nature.

**Hollywood Hustle** Scholastic Inc.

NEW YORK TIMES BESTSELLER • From the two-time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys*, this gloriously entertaining novel is “fast-paced, keen-eyed and very funny ... about race, power and the history of Harlem all disguised as a thrill-ride crime novel” (San Francisco Chronicle). “Ray Carney was only slightly bent when it came to being crooked...” To his customers and neighbors on 125th street, Carney is an upstanding salesman of reasonably priced furniture, making a decent life for himself and his family. He and his wife Elizabeth are expecting their second child, and if her parents on Striver's Row don't approve of him or their cramped apartment across from the subway tracks, it's still home. Few people know he descends from a line of uptown hoods and crooks, and that his façade of normalcy has more than a few cracks in it. Cracks that are getting bigger all the time. Cash is tight, especially with all those installment-plan sofas, so if his cousin Freddie occasionally drops off the odd ring or necklace, Ray doesn't ask where it comes from. He knows a discreet jeweler downtown who doesn't ask questions, either. Then Freddie falls in with a crew who plan to rob the Hotel Theresa—the “Waldorf of Harlem”—and volunteers Ray's services as the fence. The heist doesn't go as planned; they rarely do. Now Ray has a new clientele, one made up of shady cops, vicious local gangsters, two-bit pornographers, and other assorted Harlem lowlifes. Thus begins the internal tussle between Ray the striver and Ray the crook. As Ray navigates this double life, he begins to see who actually pulls the strings in Harlem. Can Ray avoid getting killed,

save his cousin, and grab his share of the big score, all while maintaining his reputation as the go-to source for all your quality home furniture needs? Harlem Shuffle's ingenious story plays out in a beautifully recreated New York City of the early 1960s. It's a family saga masquerading as a crime novel, a hilarious morality play, a social novel about race and power, and ultimately a love letter to Harlem. But mostly, it's a joy to read, another dazzling novel from the Pulitzer Prize and National Book Award-winning Colson Whitehead.

*The Side Hustle Path: 10 Proven Ways to Make Money Outside of Your Day Job*  
One World

Part of the Jewish Encounter series As might be expected from this fiercely provocative writer, David Mamet's interest in anti-Semitism is not limited to the modern face of an ancient hatred but encompasses as well the ways in which many Jews have themselves internalized that hatred. Using the metaphor of the Wicked Son at the Passover seder—the child who asks, “What does this story mean to you?”—Mamet confronts what he sees as an insidious predilection among some Jews to seek truth and meaning anywhere—in other religions, in political movements, in mindless entertainment—but in Judaism itself. At the same time, he explores the ways in which the Jewish tradition has long been and still remains the Wicked Son in the eyes of the world. Written with the searing honesty and verbal brilliance that is the hallmark of Mamet's work, *The Wicked Son* is a scathing look at one of the most destructive and tenacious forces in contemporary life, a powerfully thought-provoking and important book.

Schooled Colchis Books

The fast-paced, funny sequel to the best-selling *Son of the Mob*. Vince Luca is in heaven . . . he's off to Los Angeles, to attend the University of Santa Monica's film school. College should be fantastic, and he is more thrilled about being 3,000 miles away from his mob family. As it turns out, college brings its own problems: from other film students moving in on his girl, to a kleptomaniac roommate, to having to get a job on campus to help pay tuition. It's a fair amount to handle, though nothing Vince couldn't easily manage — if he didn't keep finding himself with unexpected guests from the East Coast. It seems Vince's dad may just be ready to expand operations to L.A. With the popularity of shows such as “*The Sopranos*,” the mafia is a topic of intrigue for young adults. The fast-paced plot, hilarious dialogue and Korman's keen understanding of teen issues, made this a bestseller and a critical success.

*Full Service* Scholastic Canada

He's a hip-hop icon credited with single-handedly creating gangsta rap. Television viewers know him as Detective Odafin “Fin” Tutuola on the top-rated drama *Law & Order: SVU*. But where the hype and the headlines end, the real story of Ice-T—the one few of his millions of fans have ever heard—truly begins. Ice is Ice-T in his own words—raw, uncensored, and unafraid to speak his mind. About his orphan upbringing on the gang-infested streets of South Central, his four-year stint in the U.S. Army, his successful career as a hustler and thief, and his fateful decision to turn away from a life of crime and forge his own path to international stardom. Along the way, Ice shares never-before-told stories about friends such as Tupac, Dick Wolf, Chris Rock, and Flavor Flav, among others. And he offers up candid observations on marriage and monogamy, the current state of hip-hop, and his latest passion: mentoring at-risk youths around the country. With insights into the cutthroat world of the street—and the cutthroat world of Hollywood—Ice is the unforgettable story of a true American original.

**The Psychosocial Implications of Disney Movies** Anchor

Vince heads out to sunny L.A. for college, hopefully leaving behind his shady family and their illegal antics. But Vince finds out the hard way that you can take the kid out of the mob, but you can't take the mob out of the kid.

**I Can't Make This Up** Grove/Atlantic, Inc.

“Kerbeck's juicy memoir tells riveting tales [with] the thrill of a spy novel. . . Kerbeck bares all of his wild business secrets within the world of corporate espionage” --Foreword  
Reviews “Robert Kerbeck has mastered the art of social engineering, or what he calls ‘rusing’, and taken it to a whole new level.” —Frank Abagnale, author of *Catch Me If You Can*  
B-list actor, A-list corporate spy In the world of high finance, multibillion-dollar Wall Street banks greedily guard their secrets. Enter Robert Kerbeck, a working actor who made his real money lying on the phone, charming people into revealing their employers' most valuable information. In this exhilarating memoir that will appeal to fans of *The Wolf of Wall Street* and *Catch Me If You Can*, unsuspecting receptionists, assistants, and bigshot executives all fall victim to “the Ruse.” After college, Kerbeck rushed to New York to try to

make it as an actor. But to support himself, he'd need a survival job, and before he knew it, while his pals were waiting tables, he began his apprenticeship as a corporate spy. As his acting career started to take off, he found himself hobnobbing with Hollywood luminaries: drinking with Paul Newman, taking J.Lo to a Dodgers game, touring E.R. sets with George Clooney. He even worked with O.J. Simpson the week before he became America's most notorious double murderer. Before long, however, his once promising acting career slowed while the corporate espionage business took off. The ruse job was supposed to have been temporary, but Kerbeck became one of the world's best practitioners of this deceptive—and illegal—trade. His income jumped from tens of thousands to hundreds of thousands to millions of dollars a year. Until the inevitable crash... Kerbeck shares the lies he told, the celebrities he screwed (and those who screwed him), the cons he ran, and the money he made—and lost—along the way.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.
