What is joy? We can receive fleeting moments of it when we watch sunlight break through the clouds, or see a little child laugh as he blows apart the fluff of a spent dandelion. But there is only one source of true, lasting joy—and that’s our Savior, Jesus. During a season of unknowns, God opened His Word to author Gina L. Smith and taught her His definition of joy so

that she could experience it deep in her heart. He helped her realize that she had been finding joy in His blessings, rather than in Him, the source of those blessings. And she learned how to “count it all joy” (James 1:2) come what may.

Everyday Prayers for Joy is a thirty-day journey through God’s Word that will help you discover the joy that God wants to share with you. He is with you always and can work out all things for good. Fill yourself to overflowing with God’s joy!

Many people are unfamiliar with the stories of the Bible and how they fit together into the grand narrative of God's Word.

God gave us the Bible to reveal great truth about himself and about our lives, and he wants to draw us into the ongoing story of what he is doing in the world. The CSB Day-by-Day Chronological Bible features a clear narrative approach to the Bible, arranging the complete text into a fresh chronological reading plan with daily readings guided by Dr.

George Guthrie. Ideal for daily Bible study or reading, this chronological study Bible is thoughtfully arranged so readers can track the story of Scripture, day-by-day, from beginning to end, and understand the flow of events and how the grand narrative of Scripture applies to everyday life. Unlike other chronological

Bibles, this arrangement is not date specific (e.g. "January 1"), so the reading plan can begin at any point in the calendar year. The CSB Day-by-Day Chronological Bible is comparable to the chronological study Bibles found on the market. Features of this CSB Bible include 52 weeks of readings (six readings per week) in chronological order, Scripture presented in three main acts for a unique Bible study experience (God's Plan for All People; God's Covenant People; God's New Covenant People) and seventeen total scenes, an introduction for each act and scene to orient the reader to its importance in the grand story, single-column text with plenty of space for taking notes, concordance, Smyth-sewn binding, presentation page, and full-color maps. You can get the CSB Day-by-Day Chronological Bible in a LeatherTouch (or leather like) Bible cover or paperback. This Christian Bible in chronological order features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays

as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others. NLT Life Application Study Bible, Third Edition (Red Letter, Hardcover) Holman Bible Publishers

We live in a broken world. And the gospel is how God puts

broken people back together again. Once we repent and believe in Jesus, God's Spirit helps us recover and pursue His design. God is the one who created the world and every human being in it. Authors Jimmy Scroggins and Steve Wright outline a reproducible method of sharing the gospel that has been tested in the real world. Turning Everyday Conversations

Into Gospel Conversations is a simple strategy to train new and seasoned believers to join God in His reconciliatio n work. Turning Everyday Conversations Into Gospel Conversations equips believers to use the innovative "3 Circles," a user-friendly evangelistic tool for a new generation. But feelings of doubt and inadequacy try to stop us from living up

to our God-given potential to be courageous women of faith. In *Everyday Brave*, Janet explores the extraordinary actions of fifty ordinary women in the Bible, women who display bravery in usual and unusual circumstances. Thirty present-day women also give their testimony of realizing their strength and courage through God's love. As Janet shares the stories of these women, she reminds us that the heart and substance of bravery,

even in the face of fear, comes from unconditionally placing our hope in the only One who can give us the courage to stay the course.
