Walter de Gruyter
This historical account traces the events occurring between the years 1933 through 1946, spanning Adolf Hitler's rise to political power through the year following the end of World War II. This chronology is enhanced by

eyewitness testimony, the experience of Jewish victims, their victimizers, and the bystanders, all of whom, as the author of this chronology describes, 'speak for themselves'.

The Nazi Holocaust. Part 3: the Final Solution . Volume 2
Walter de Gruyter

This edition is the first of its kind to offer a basic collection of facsimile, English language, historical articles on all aspects of the extermination of the European Jews. A total of 300 articles from 84 journals and collections allows the reader to gain an overview of this field. The

edition both provides access to the immense, rich array of scholarly articles published after 1960 on the history of the Holocaust and encourages critical assessment of conflicting interpretations of these horrifying events. The series traces Nazi persecution of Jews before the implementation of the "Final Solution", demonstrates how the Germans coordinated anti-Jewish activities in conquered territories, and sheds light on the victims in concentration camps, ending with the liberation of the concentration camp victims

and articles on the trials of war criminals. The publications covered originate from the years 1950 to 1987. Included are authors such as Jakob Katz, Saul Friedländer, Eberhard Jäckel, Bruno Bettelheim and Herbert A. Strauss.

Author Ann Byers analyzes the Holocaust's horrific legacy, the murder of nearly 6 million Jews. She also traces the factors that led to the rise and fall of Germany's Third Reich. Witnesses to the Holocaust

Bedford/St. Martin's

A popularly written and illustrated history of the Holocaust. Deals with all of the victims of the Nazis' genocidal campaign: communists, Jehovah's Witnesses, homosexuals, Poles and other Slavs, and Soviet POWs, as well as the "racial enemies" - Afro-Germans, the mentally and physically disabled, Gypsies, and Jews. Jews were regarded by the Nazis as the foremost "racial enemy". Pp. 110-156, "The Holocaust", deal specifically with the destruction of the Jews - from the first Nazi anti-Jewish measures in

Germany, through the "Kristallnacht" pogrom and murders of Jews in Poland and the USSR, to the total mass murder in the death camps.

The Holocaust Rowman & Littlefield Publishers
This work presents a historical overview of a dark time in world history, that of the Holocaust. It focuses on the sacrifices and virtue of the rescuers, also known as the Righteous, those non-Jewish bystanders who risked their lives and their security to help Jews in need.
Holocaust Resistance
The Rosen Publishing

Group, Inc
Were Americans the heroic liberators of Nazi concentration camp victims in 1945, or were they knowing and apathetic bystanders to unspeakable brutality and annihilation for a dozen years? Historians have long debated what the United States knew about Hitler ' s gruesome Final Solution, when they knew it, and whether they should have

intervened sooner. Wrapping historical narrative around 60 primary sources — including news clippings, speeches, letters, magazine articles, and government reports — Abzug chronicles the unfolding events in Nazi Germany while tracing the resurgence of anti-Semitism and tightening immigration policies in the United States. He relies on the American journalistic sources

through which U.S. citizens read about events in Europe to provide students a real context to understand Americans ' horror when they realized that the reports of the Holocaust were not exaggerations or fabrications. An epilogue examines the complexity of historical interpretations and moral judgments that have evolved since 1945. Useful apparatus includes photographs, a

chronology, questions for consideration, a bibliography, and an index.

The Holocaust Belknap Press

The Holocaust was the defining trauma of the 20th century. How do we begin to understand the Nazi drive to murder millions of people, or the determination of concentration camp prisoners to survive?

This new and improved edition of Sources of the Holocaust brings together over 90 original

Holocaust documents and testimonies to put the reader into direct contact with the genocide's human participants. From the origins of Christian antisemitism and the creation of monstrous 'Others' to the immediate aftermath of these crimes against humanity and the rise of right-wing ideologies in the 21st century, this book is structured both chronologically and thematically in order to clearly explain the ideas that made the Holocaust

possible, how people mounted resistance at the time, and the Holocaust's legacy today. On top of this unparalleled access to the voices of the Holocaust, Steve Hochstadt's authoritative and scholarly commentaries on each source ensures readers gain a comprehensive understanding of this terrible episode in human history. Shocking and compelling, this carefully curated collection of primary sources is the definitive account of

Holocaust experiences and vital reading for all scholars of modern European history. The Holocaust KTAV Publishing House, Inc. Recounts the events of the "Kristallnacht" pogrom, its antecedents and its aftermath. Traces the life of Herschel Grynszpan, whose assassination of Ernst vom Rath furnished the pretext for the pogrom. Describes Goebbels' decision to initiate the riots and the transmission of instructions to local SA and SS leaders and the police. Details events, largely on the basis of

correspondence with eyewitnesses. Thousands of Jewish men were arrested and sent to concentration camps. Notes a few brave German voices raised in protest. Records the 12 November meeting of the Committee for the Economic Solution of the Jewish Question, chaired by G ö r i n g, which decided on the payment of a billion-mark fine by the Jews, the Aryanization of all Jewish businesses, and the social segregation of Jews. Discusses the revulsion of world public opinion, the silence of governments, and half-hearted efforts of the

international community to find countries willing to accept Jewish refugees, including the unsuccessful Evian Conference. Holocaust Michael Joseph A comprehensive filmography, listing fictional narrative films in the first volume and documentary and propaganda films in the second. The films - listed alphabetically - were produced in many different countries. The work lists films made during World War II and after (including Nazi films). Each entry provides bibliographic information, a summary of the story, and a list of

primary and secondary sources. Each volume contains a few "spotlight essays". Partial contents: War & Genocide Bloomsbury Publishing 6 million Jews were murdered by the Nazis, but this is only half the story. Doris Bergen reveals how the Holocaust extended beyond the Jews to engulf millions of other victims in related programmes of mass-murder. The Nazi killing machine began with the disabled, and went on to target Afro-Germans,

Gypsies, non-Jewish Poles, French African soldiers, Soviet prisoners of war, homosexual men and Jehovah's Witnesses. As Nazi Germany conquered more territories and peoples, Hitler's war turned soliders, police officers and doctors into trained killers, creating a veneer of legitimacy around vicious acts of ethnic cleansing and genocide. Using the testimonies of both survivors and eyewitnesses, as well as a wealth of rarely seen

photographs, Doris Bergen shows the true extent of the catastrophe that overwhelmed Europe during the Second World War, in a gripping story of the lives and deaths of real people. Nazi Ideology and the Holocaust Wayne State University Press Documents the historical, political, social, cultural, and military context of the Holocaust, discussing the persecution of the Jews, Gypsies, Soviet prisoners of war, and Polish citizens. The Holocaust Kingdom, a Memoir

The History Press
Hilberg distills a lifetime of scholarly investigation into an indispensable primer on the use of sources in the writing of Holocaust history.

The Holocaust B. T. Batsford Limited

Despite the widespread belief that Jews went willingly to their deaths in Nazi gas chambers, many risked everything to help their fellow prisoners, thwart the Nazi system, and escape from their captors.

Resistance took many forms, including armed uprisings in the camps, partisan raids from forest enclaves on Nazi military assets, and non-violent activities in art, literature, and Jewish culture.

The End of the Holocaust Rowman & Littlefield

Unlike most treatments of the Holocaust, this book discusses not only the persecution of the Jews, but also other segments of society victimized by the Nazis:

gypsies, homosexuals, Poles, Soviet POWs, the handicapped, and others.
