The Diary of a Young Girl Facing History & Ourselves National Foundation, Incorporated

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. **THEY CALLED US ENEMY** is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

A young readers' edition of an important and inspiring true story of hope and survival during World War II. Fourteen-year-old Lisa Jura was a musical prodigy who hoped to become a concert pianist. But when Hitler's armies advanced on pre-war Vienna, Lisa's parents were forced to make a difficult decision. Able to secure passage for only one of their three daughters through the Kindertransport, they chose to send gifted Lisa to London for safety. As she yearned to be reunited with her family while she lived in a home for refugee children on Willesden Lane, Lisa's music became a beacon of hope. A memoir of courage and the power of music to uplift the human spirit, this compelling tribute to one special young woman and the lives she touched will both educate and inspire young readers.

A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America ' s westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana ' s stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation

networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

"What year are you preparing your students for? 1973? 1995? Can you honestly say that your school's curriculum and the program you use are preparing your students for 2015 or 2020? Are you even preparing them for today?" With those provocative questions, author and educator Heidi Hayes Jacobs launches a powerful case for overhauling, updating, and injecting life into the K-12 curriculum. Sharing her expertise as a world-renowned curriculum designer and calling upon the collective wisdom of 10 education thought leaders, Jacobs provides insight and inspiration in the following key areas: * Content and assessment--How to identify what to keep, what to cut, and what to create, and where portfolios and other new kinds of assessment fit into the picture. * Program structures--How to improve our use of time and space and groupings of students and staff. * Technology--How it's transforming teaching, and how to take advantage of students' natural facility with technology. * Media literacy--The essential issues to address, and the best resources for helping students become informed users of multiple forms of media. *

Globalization--What steps to take to help students gain a global perspective. * Sustainability--How to instill enduring values and beliefs that will lead to healthier local, national, and global communities. * Habits of mind--The thinking habits that students, teachers, and administrators need to develop and practice to succeed in school, work, and life. The answers to these questions and many more make Curriculum 21 the ideal guide for transforming our schools into what they must become: learning organizations that match the times in which we live.

The Bombing of Auschwitz Houghton Mifflin Harcourt

Told in short, gripping chapters, this is an unforgettable true story of survival. The author was featured in Steven Spielberg's Survivors of the Shoah Visual History Foundation. At just 15, her mother, and brother were taken from their Romanian town to the Auschwitz-II/Birkenau concentration camp. When they arrived at Auschwitz, a soldier waved Elly to the right; her mother and brother to the left. She never saw her family alive again. Thanks to a series of miracles, Elly survived the Holocaust. Today she is dedicated to keeping alive the stories of those who did not. Elly appeared on CBS's 60 Minutes for her involvement in bringing an important lawsuit against Volkswagen, whose German factory used her and other Jews as slave laborers.

Surviving Hitler Alpha Edition

"Reveals how, in the 1920s and 1930s, the Nazi Party used posters, newspapers, rallies, and the new technologies of radio and film to sway millions with its vision for a new Germany. This volume, based on the United States Holocaust Memorial Museum's groundbreaking exhibition, presents an array of rare posters, photographs, and historical artifacts to document the strategies and messages Nazis used to achieve their goals"--Dust jacket.

Beyond Rosie Harper Collins

This stirring collection of diaries written by young people, aged twelve to twenty-two years, during the Holocaust is given new life in this enhanced e-book. Featuring a wealth of content including photographs of the writers and their families, images of the original diaries, artwork made by the writers, historical documents, glossary terms, maps, survivor testimony (some available for the first time), and video of the author teaching key passages, this revised and updated version of the seminal National Jewish Book Award winner preserves the impressions, emotions, and eyewitness reportage of young people whose accounts of daily events and often unexpected thoughts, ideas, and feelings serve to deepen and complicate our understanding of life during the Holocaust. This updated edition includes a new preface by Alexandra Zapruder examining the book's history and impact. Additionally, an in-depth, interdisciplinary curriculum in history, literature, and writing developed by the author and a team of teachers, working in cooperation with the educational organization Facing History and Ourselves, is now available to support use of the book in middle- and high-school classrooms.

Collection of primary source documents, which include photographs, official reports, editorials, executive orders, radio broadcast scripts, letters and oral histories, detailing the experiences and contributions of American women during World War II. The documentary collection is a companion volume to a 2012 traveling exhibition from the Museum of History and Holocaust Education. Chapter 1 documents the mobilization of women into industrial factories and agricultural sectors. Chapter 2 deals with women who found employment in white-collar professions, such as law, journalism, clerical work and medicine. Chapter 3 traces women's service in military auxiliary units. Chapter 4 focuses on women's domestic labor on the home front. Chapter 5 documents the secret war waged by the government including its use of women as spies and saboteurs.

They Called Us Enemy - Expanded Edition Us Holocaust Memorial Museum
"Billionaire Wilderness offers an unprecedented look inside the world of the ultra-wealthy and their relationship to the natural world, showing how the ultra-rich use nature to resolve key predicaments in their lives. Justin Farrell immerses himself in Teton County, Wyoming--both the richest county in the United States and the county with the nation's highest level of income inequality--to investigate interconnected questions about money, nature, and community in the twenty-first century. Farrell draws on three years of in-depth interviews with "ordinary" millionaires and the world's wealthiest billionaires, four years of in-person observation in the community, and original quantitative data to provide comprehensive and unique analytical insight on the ultra-wealthy. He also interviewed low-income workers who could speak to their experiences as employees for and members of the community with these wealthy people. He finds that the wealthy leverage nature to climb even higher on the socioeconomic ladder, and they use their engagement with nature and rural people as a way of creating more virtuous and deserving versions of themselves. Billionaire Wilderness demonstrates that our contemporary understanding of the relationship between the ultra-wealthy and the environment is empirically shallow, and our reliance on reports of national economic trends distances us from the real experiences of these people and their local communities"--

Hannah dreads going to her family's Passover Seder—she's tired of hearing her relatives talk about the past. But when she opens the front door to symbolically welcome the prophet Elijah, she's transported to a Polish village in the year 1942. Why is she there, and who is this "Chaya" that everyone seems to think she is? Just as she begins to unravel the mystery, Nazi soldiers come to take everyone in the village away. And only Hannah knows the unspeakable horrors that await. A critically acclaimed novel from multi-award-winning author Jane Yolen.
"[Yolen] adds much to understanding the effects of the Holocaust, which will reverberate throughout history, today and tomorrow." —SLJ, starred review "Readers will come away with a sense of tragic history that both disturbs and compels." —Booklist Winner of the National Jewish Book Award An American Bookseller "Pick of the Lists"
