Shakespeare's Macbeth Holt Rinehart & Winston

Macbeth (/m?k?b?/?/; full title The Tragedy of Macbeth) is a tragedy by William Shakespeare; it is thought to have been first performed in 1606.[a] It dramatises the damaging physical and psychological effects of political ambition on those who seek power for its own sake. Of all the plays that Shakespeare wrote during the reign of James I, who was patron of Shakespeare's acting company, Macbeth most clearly reflects the playwright's relationship with his sovereign.[1] It was first published in the Folio of 1623, possibly from a prompt book, and is Shakespeare's shortest tragedy.[2]A brave Scottish general named Macbeth receives a prophecy from a trio of witches that one day he will become King of Scotland. Consumed by ambition and spurred to action by his wife, Macbeth murders King Duncan and takes the Scottish throne for himself. He is then wracked with guilt and paranoia. Forced to commit more and more murders to protect himself from enmity and suspicion, he soon becomes a tyrannical ruler. The bloodbath and consequent civil war swiftly take Macbeth and Lady Macbeth into the realms of madness and death.

Macbeth Holt Rinehart & Winston

Two Scottish generals, Macbeth and Banquo, are on their way home from successful battles when they encounter three witches. With the prophecies of power and fame they give him swirling through his head, Macbeth tells his wife that the witches divined that he would become king of Scotland. Eager to see her husband as king, Lady Macbeth encourages him to murder King Duncan and assume the throne. A tale of obsession and forcing the fates, this unabridged version of William Shakespeare's classic English tragedy was first

published in 1623.

Shakespeare's Macbeth Holt Rinehart & Winston

In "Macbeth," witches, superstition and mysticism create one of Shakespeare's more fantastical of plays. Add to it the very real, human elements of self-doubt, manipulation, betrayal and soul-tormenting regret and you get one of the most enjoyable, poignant pieces of literature of all time. One of the things that furthers the play's legend is that many believe it to be cursed. All kinds of reasons for this have been bandied about. Disasters occurred, but those should probably be chalked up to chance accidents due to the high number of fight scenes and violent acts that take place. Nonetheless, a feeling developed that saying the title itself brought on bad luck, thus it was considered taboo to speak the name and so it became known throughout England as "The Scottish Play." - regardless of the naming, this play stands as one of Shakespeare's absolute masterpieces.

Literature Connections English Holt McDougal

Macbeth is among the best-known of William Shakespeare's plays, and is his shortest tragedy, believed to have been written between 1603 and 1606. It is frequently performed at both amateur and professional levels, and has been adapted for opera, film, books, stage and screen. Often regarded as archetypal, the play tells of the dangers of the lust for power and the betrayal of friends. For the plot Shakespeare drew loosely on the historical account of King Macbeth of Scotland Raphael Holinshed and that the Scottish philosopher Hector Boece. There are many superstitions centred on the belief the play is somehow "cursed", and many actors will not mention the name of the play aloud, referring to it instead as "The Scottish play".
