This curriculum comes with the standard set of resources, including a
test generator and a CD of lectures that are pretty inclusive of the
material from the text and can be used as-is. Holt Environmental
Science. This textbook, by Karen Arms, is designed for the low-level
reader, or early grade level students taking environmental science.
Environmental Science | na-es

Our environmental problems are huge, and they require careful
attention and action. The twenty-first century will be a crucial time in
human history, a time when we must find solutions that allow people on
all parts of our planet to live in a clean, healthy environment and have
the resources they need for a good life. - p. 5.
