Teacher Manual 2007 Holt Rinehart & Winston

Celebrate the thirtieth anniversary of the Newbery

Honor – winning survival novel Hatchet with a pocket-sized

edition perfect for travelers to take along on their own

adventures. This special anniversary edition includes a

new introduction and commentary by author Gary

Paulsen, pen-and-ink illustrations by Drew Willis, and a

water resistant cover. Hatchet has also been nominated as

one of America ' s best-loved novels by PBS ' s The Great

American Read. Thirteen-year-old Brian Robeson,

haunted by his secret knowledge of his mother ' s

infidelity, is traveling by single-engine plane to visit his

father for the first time since the divorce. When the plane

crashes, killing the pilot, the sole survivor is Brian. He is

alone in the Canadian wilderness with nothing but his

clothing, a tattered windbreaker, and the hatchet his

mother had given him as a present. At first consumed by

despair and self-pity, Brian slowly learns survival

skills—how to make a shelter for himself, how to hunt and

fish and forage for food, how to make a fire—and even

finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.
