40 Holt Physics Problem Workbook NAME _____ DATE _____ CLASS _____ tire distance. If your mass is 60.0 kg, how tall is the building? Ignore the effects of friction. 2. In 1985 in San Antonio, Texas, an entire hotel building was moved several blocks on 36 dollies.

Holt Physics Problem Workbook Answers

Hundreds of problems but not one (other than the sample problem) which has an answer/answer key anywhere. How to know that the problem was done correctly? What's the point of doing the problems if you're doing them all wrong and can never be sure that you did it correctly. Even a teacher needs an answer key, for reassurance sometimes.
