*Holt Geometry* Holt Rinehart & Winston

Because mastering geometric concepts is challenging, *Geometry* employs a step-by-step approach that focuses on applying these concepts to everyday life and making geometry accessible to all of your students. Your students will gain a full range of understanding with hands-on activities, technology that adds visual depth to lessons, and online homework help from go.hrw.com. The program also features a variety of planning tools, key teaching concepts and strategies, and other resources for teachers. You

will have flexibility in planning your lessons with all of the technology resources we offer with this program--internet activities, lesson presentations on CD-ROM, and more. - Publisher.
