Learn how to read in Spanish--starting right now! Easy Spanish Reader is a unique, easy-to-follow guide based on the premise that the best way to learn a language is to start reading it immediately! Whether you're a brand-new beginner or an advanced-beginning learner, this new edition gives you ways to dive into the language with engaging readings that progress in difficulty to match your growing reading skills. This process will allow you to rapidly build comprehension and confidence as you enjoy the stories. Easy Spanish Reader begins with the story of two high-school seniors involved with their Spanish Club. As you read about their experiences, you'll discover the nuances of language and culture right along with the students. The next section contains a colorful history of Mexico, from the Conquistadors to the present, including vivid depictions of Cortès's encounters with the Aztecs. The last section is comprised of an abridged version of the classic story "Lazarillo de Tormes," which allows you to practice your grammar and vocabulary skills on a great work of Spanish literature. Progressive format makes it easy to quickly build comprehension Marginal word glossaries conveniently present new words and phrases Exercises challenge language comprehension and build reading skills Fully updated new editions, featuring expanded exercises and answer key

A consistent chapter structure makes going through the chapters fun for students and allows them to experience success.

Cuaderno de Vocabulario Y Gramatica Holt McDougal

While many professional translators believe the ability to translate is a gift that one either has or does not have, Allison Beeby Lonsdale questions this view. In her innovative book, Beeby Lonsdale demonstrates how teachers can guide their students by showing them how insights from communication theory, discourse analysis, pragmatics, and semiotics can illuminate the translation process. Using Spanish to English translation as her example, she presents the basic principles of translation through 29 teaching units, which are prefaced by objectives, tasks, and commentaries for the teacher, and through 48 task sheets, which show how to present the material to students. Published in English.

Gente is the only truly task-based program that transports you, the learner, into an immersive environment. Learners interact with authentic language from the Hispanic world through a series of carefully-sequenced communicative activities culminating in a real-life task. "Tasks" are collaborative projects that integrate speaking, listening, reading and writing to complete them with the skills that are needed to communicate effectively in the real world! With Gente, you learn by doing, communicate with a purpose and emerge as an independent learner with the confidence to speak Spanish in a spontaneous, natural way.

Expresate: Teacher's ed Holt McDougal

This book is about teaching writing and the gritty particulars of teaching adolescents. But it is also the planning, the thinking, the writing, the journey: all I've been putting into my teaching for the last two decades. This is the book I wanted when I was first given ninth graders and a list of novels to teach. This is a book of vision and hope and joy, but it is also a book of genre units and minilessons and actual conferences with students. -Penny Kittle What makes the single biggest difference to student writers? When the invisible machinery of your writing processes is made visible to them. Write Beside Them shows you how to do it. It's the comprehensive book and companion video that English/language arts teachers need to ensure that teens improve their writing. Across genres, Penny Kittle presents a flexible framework for instruction, the theory and experience to back it up, and detailed teaching information to help you implement it right away. Each section of Write Beside Them describes a specific element of Penny's workshop: Daily writing practice: writer's notebooks and quick writes Instructional frameworks: minilessons, organization, conferring,

multiple genres Skills work: grammar, punctuation, and style Assessment: evaluation, feedback, portfolios, and grading All along the way, Penny demonstrates minilessons that respond to students' immediate needs, and her Student Focus sections profile and spotlight how individual writers grew and changed over the course of her workshop. In addition, Write Beside Them provides a study guide, reproducibles, writing samples from Penny and her students, suggestions for nurturing your own writing life, and a helpful FAQ. Best of all, the online videos take you right inside Penny's classroom, explicitly modeling how to make the process of writing accessible to all kids. Penny Kittle's active coaching and can-do attitude alone will energize your teaching and inspire you to write with your students. But her strategies, expert advice, and compelling in-class video footage will help you turn inspiration into great teaching. Read Write Beside Them and discover that the most important influence for all young writers is their teacher. Penny was the recipient of the 2009 NCTE Britton Award for Write Beside Them.
