This title takes a calendrical approach to illuminating the history of Latinos and life in the United States and adds more value than a simple "this day in history" through primary source excerpts and resources for further research. Latino/a history has been relatively slow in gaining recognition despite the population's rich and varied history. Engaging and informative, Latino History Day by Day: A Reference Guide to Events will help address that oversight. Much more than just a "this-day-in-history" list, the guide describes important events in Latino/a history, augmenting many entries with a brief excerpt from a primary document. All entries include two annotated books and websites as key resources for follow up. The day-to-day reference is organized by the 365 days of the year with each day drawing from events that span several hundred years of Latino/a history, from Mexican Americans to Puerto Ricans to Cuban Americans. With this guide in hand, teachers will be able to more easily incorporate Latino/a history into their classes. Students will find the book an easy-to-use guide to the Latino/a past and an ideal starting place for research.
