Holy WarriorsRandom House

Holy War Random House

A major new history of the Crusades with an unprecedented wide scope, told in a tableau of portraits of people on all sides of the wars, from the author of *Powers and Thrones*. For more than one thousand years, Christians and Muslims lived side by side, sometimes at peace and sometimes at war. When Christian armies seized Jerusalem in 1099, they began the most notorious period of conflict between the two religions. Depending on who you ask, the fall of the holy city was either an inspiring legend or the greatest of horrors. In *Crusaders*, Dan Jones interrogates the many sides of the larger story, charting a deeply human and avowedly pluralist path through the crusading era. Expanding the usual timeframe, Jones looks to the roots of Christian-Muslim relations in the eighth century and tracks the influence of crusading to present day. He widens the geographical focus to far-flung regions home to so-called enemies of the Church, including Spain, North Africa, southern France, and the Baltic states. By telling intimate stories of individual journeys, Jones illuminates these centuries of war not only from the perspective of popes and kings, but from Arab-Sicilian poets, Byzantine princesses, Sunni scholars, Shi'ite viziers, Mamluk slave soldiers, Mongol chieftains, and barefoot friars. Crusading remains a rallying call to this day, but its role in the popular imagination ignores the cooperation and complicated coexistence that were just as much a feature of the period as warfare. The age-old relationships between faith, conquest, wealth, power, and trade meant that crusading was not only about fighting for the glory of God, but also, among other earthly reasons, about gold. In this richly dramatic narrative that gives voice to sources usually pushed to the margins, Dan Jones has written an authoritative survey of the holy wars with global scope and human focus.

**Crusaders** Routledge

A medieval world, a expert in 21st Century Guerrilla Warfare. What would happen if the two combine? Something dark is brewing on a planet far across dimensions, threatening to eat its way through the thin boundaries of time and space. On the planet Corvalis, just as war is near, the gods send a champion to defend the lands from evil. A simple man from Earth, John is selected to inhabit the body of a warrior of this strange new world, in the hopes that he might guide kingdoms to not only victory, but also the survival of multiple races. He is the gods' champion, and his arrival signals the precursor to a

great unknown conflict. The Korath. The Illian. The Wolven. The Dark Ones. Kingdoms of different cultures and species clash as they struggle to learn about this new champion, and prepare for the coming conflict. But John soon discovers that the gods do not always work together. Soon more champions arrive, and the inhabitants of Corvalis grow concerned. There has never been more than one champion. Ever. As the kingdoms wonder what disaster awaits them, fear grips the world, as tension mounts. But John will not permit total annihilation to overcome the inhabitants of Corvalis for one very good reason. There is a United States Marines with a bad attitude, and no mercy, about to open up one huge can of whoop ass on their foes and the enemy doesn't stand a chance. Because Marines are always faithful! Approximately 87,000 words. Professionally edited by Bill De Herder: Author of *Creative Wordsmithing*.

The Crusades St. Martin's Griffin

In 1202, zealous Western Christians gathered in Venice determined to liberate Jerusalem from the grip of Islam. But the crusaders never made it to the Holy Land. Steered forward by the shrewd Venetian doge, they descended instead on Constantinople, wreaking terrible devastation. The crusaders spared no one: They raped and massacred thousands, plundered churches, and torched the lavish city. By 1204, one of the great civilizations of history had been shattered. Here, on the eight hundredth anniversary of the sack, is the extraordinary story of this epic catastrophe, told for the first time outside of academia by Jonathan Phillips, a leading expert on the crusades. Knights and commoners, monastic chroniclers, courtly troubadours, survivors of the carnage, and even Pope Innocent III left vivid accounts detailing the events of those two fateful years. Using their remarkable letters, chronicles, and speeches, Phillips traces the way in which any region steeped in religious fanaticism, in this case Christian Europe, might succumb to holy war.

**The Templars** Basic Books

Revised to include important new scholarship, James Brewer Stewart's eloquent survey of the abolitionist movement is also a superb analysis of how the antislavery movement reinforced and transformed the dominant features of pre-Civil War America. Revealing the wisdom and na vet é of the crusaders' convictions and examining the social bases for their actions, Stewart demonstrates why, despite the ambiguity of its ultimate victory, abolition has left a profound imprint on our national memory.

**The Abolitionists and American Slavery** Barnes & Noble Publishing  
We are all warriors at heart. A critical question remains: Why? We develop the heart of a warrior when we seek Jesus because Jesus is and always has been a warrior. This is not to disparage the humility, compassion, mercy, and love that flow from the New Testament characterization of the Gospel of Jesus Christ. If the Word of God is

to be accepted in its entirety, however, Old Testament battle descriptions of the Warrior of warriors must also be included in forming the complete picture of Jesus. These descriptions tell us that Jesus also has the heart of a warrior. Not only will this warrior heart be manifest on the Day of the Lord, but it has already been revealed in Old Testament battle. Jesus was a fierce Old Testament warrior. The evidence is compelling. The story is amazing. The incarnate Son of God was physically engaged in fierce Old Testament battle.

A Journey Into The Heart Of Indian Fundamentalism Penguin

The Chinese Invasion And Occupation Of Tibet Has Been One Of The Great Tragedies. More Than A Million People Have Died As A Result. An Ancient Culture With Its Buildings, Literature, And Artifacts Has Been Largely Destroyed. The Culture and Religion of the Holy Land in the 21st Century Granta Books

After the events of Outlaw, Robin of Locksley—and his sidekick and narrator, Alan Dale—finds himself in a very different England and a very changed world. In 1190 A.D. Richard the Lionheart, the new King of England, has launched his epic crusade to seize Jerusalem from the Saracens. Marching with the vast royal army is Britain's most famous, most feared, most ferocious warrior: the Outlaw of Nottingham, the Earl of Locksley—Robin Hood himself. With his band of loyal men at his side, Robin cuts a bloody swath on the brutal journey east. Daring and dangerous, he can outwit and outlast any foe—but the battlefields of the Holy Land are the ultimate proving ground. And within Robin's camp lurks a traitor—a hidden enemy determined to assassinate England's most dangerous rogue. Richly imagined and furiously paced, featuring a cast of unforgettable characters, Holy Warrior is adventure, history and legend at its finest.

Apollonius of Tyana Penguin

The Crusades and their impact on today's world.

Holy Warriors Createspace Independent Publishing Platform

An engaging biography that offers a new perspective on one of the most influential figures of the Crusades In 1187, Saladin marched triumphantly into Jerusalem, ending decades of struggle against the Christians and reclaiming the holy city for Islam. Four years later he fought off the armies of the Third Crusade, which were commanded by Europe's leading monarchs. A fierce warrior and savvy diplomat, Saladin's unparalleled courtesy, justice, generosity, and mercy were revered by both his fellow Muslims and his Christian rivals such as Richard the Lionheart. Combining thorough research with vivid storytelling, Jonathan Phillips offers a fresh and captivating look at the triumphs, failures, and contradictions of one of the Crusades' most unique figures. Bringing the

vibrant world of the twelfth century to life, this book also explores Saladin's complicated legacy, examining the ways Saladin has been invoked in the modern age by Arab and Muslim leaders ranging from Nasser in Egypt, Asad in Syria, and Saddam Hussein in Iraq to Osama bin Laden, as well as his huge appeal across popular culture in books, drama, and music.

A Novel of Robin Hood Skyfire Music

Acclaimed author James Reston, Jr.'s Warriors of God is the rich and engaging account of the Third Crusade (1187-1192), a conflict that would shape world history for centuries and which can still be felt in the Middle East and throughout the world today. James Reston, Jr. offers a gripping narrative of the epic battle that left Jerusalem in Muslim hands until the twentieth century, bringing an objective perspective to the gallantry, greed, and religious fervor that fueled the bloody clash between Christians and Muslims. As he recounts this rousing story, Reston brings to life the two legendary figures who led their armies against each other. He offers compelling portraits of Saladin, the wise and highly cultured leader who created a united empire, and Richard the Lionheart, the romantic personification of chivalry who emerges here in his full complexity and contradictions. From its riveting scenes of blood-soaked battles to its pageant of fascinating, larger-than-life characters, Warriors of God is essential history, history that helps us understand today's world.

Extending the Frontiers of Christendom Cornell University Press

"Not only an engrossing read about the distant past, both informative and entertaining, but also a profoundly thought-provoking view of our not-really-so- ' new ' present . . . All medieval history is here, beautifully narrated . . . The vision takes in whole imperial landscapes but also makes room for intimate portraits of key individuals, and even some poems."—Wall Street Journal "A lively history . . . [Jones] has managed to touch every major topic. As each piece of the puzzle is placed into position, the modern world gradually comes into view . . . Powers and Thrones provides the reader with a framework for understanding a complicated subject, and it tells the story of an essential era of world history with skill and style."—The New York Times The New York Times bestselling author returns with an epic history of the medieval world—a rich and complicated reappraisal of an era whose legacy and lessons we are still living with today. When the once-mighty city of Rome was sacked by barbarians in 410 and lay in ruins, it signaled the end of an era—and the beginning of a thousand years of profound transformation. In a gripping narrative bursting with big names—from Sts Augustine and Attila the Hun to the Prophet Muhammad and Eleanor of Aquitaine—Dan Jones charges through the history of the Middle Ages. Powers and Thrones takes readers on a journey through an emerging Europe, the great capitals of late Antiquity, as well as the influential cities of the Islamic West, and culminates in the first European voyages to the Americas. The medieval world was forged by the big forces that still occupy us today: climate change, pandemic disease, mass migration, and technological revolutions. This was the time when the great European nationalities were formed; when the basic Western systems of law and governance were codified; when the Christian Churches matured as both powerful institutions and the regulators of Western public morality; and when art, architecture, philosophical inquiry and scientific invention went through periods of massive, revolutionary change. The West was rebuilt on the ruins of an empire and emerged from a state of crisis and collapse to dominate the world. Every sphere of human life and activity was transformed in the thousand years covered by Powers and Thrones. As we face a critical turning point in our own millennium, Dan Jones shows that how we got here matters more than ever.

The Knights Templar Macmillan

Home to all the major religions, India is also, inevitably, host to virtually every type of religious fanatic. No other nation has witnessed as much proselytizing or heard as many war cries in the name of God as India. For centuries, Hindus, Christians, Sikhs and Muslims have waged bloody wars, sought violent conversion and declared jihad against their enemies, as their religions have been hijacked by the forces of fundamentalism. In Holy Warriors, Edna Fernandes travels to the country's recent and past theatres of religious extremism - from Kashmir to Gujarat, Punjab to Goa - to meet the generals and foot soldiers of communal wars who assert their faith in rhetoric and rage. Theirs are stories of bigotry and bloodshed, insecurity and despair, but Fernandes listens with understanding, tolerance and a deft sense of humour, and paints a uniquely vivid and clear-sighted picture of a country divided by dogma.

The Templars Createspace Independent Publishing Platform

From an internationally renowned expert, here is an accessible and utterly fascinating one-volume history of the Crusades, thrillingly told through the experiences of its many players—knights and sultans, kings and poets, Christians and Muslims. Jonathan Phillips traces the origins, expansion, decline, and conclusion of the Crusades and comments on their contemporary echoes—from the mysteries of the Templars to the grim reality of al-Qaeda. *Holy Warriors* puts the past in a new perspective and brilliantly sheds light on the origins of today's wars. Starting with Pope Urban II's emotive, groundbreaking speech in November 1095, in which he called for the recovery of Jerusalem from Islam by the First Crusade, Phillips traces the centuries-long conflict between two of the world's great faiths. Using songs, sermons, narratives, and letters of the period, he reveals how the success of the First Crusade inspired generations of kings to campaign for their own vainglory and set down a marker for the knights of Europe, men who increasingly blurred the boundaries between chivalry and crusading. In the Muslim world, early attempts to call a jihad fell upon deaf ears until the charisma of the Sultan Saladin brought the struggle to a climax. Yet the story that emerges has other dimensions—as never before, Phillips incorporates the holy wars within the story of medieval Christendom and Islam and shines new light on many truces, alliances, and diplomatic efforts that have been forgotten over the centuries. *Holy Warriors* also discusses how the term “crusade” survived into the modern era and how its redefinition through romantic literature and the drive for colonial empires during the nineteenth century gave it an energy and a resonance that persisted down to the alliance between Franco and the Church during the Spanish Civil War and right up to George W. Bush's pious “war on terror.” Elegantly written, compulsively readable, and full of stunning new portraits of unforgettable real-life figures—from Richard the Lionhearted to Melisende, the formidable crusader queen of Jerusalem—*Holy Warriors* is a must-read for anyone interested in medieval Europe, as well as for those seeking to understand the history of religious conflict.

*The Biblical Story of Jesus Christ Before Bethlehem* Random House Incorporated

Draws on varied source material to offer insight into the Crusades and its complexities, tracing the experiences of leading figures while discussing such specific events as the origins of Saladin's jihad and the trial of the Knights Templar.

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests Penguin

Over the course of the thirteenth and fourteenth centuries, the Christian kings of Aragon recruited thousands of foreign Muslim soldiers to serve in their armies and as members of their royal courts. Based on extensive research in Arabic, Latin and Romance sources, 'The Mercenary Mediterranean' explores this little-known and misunderstood history.

*The Second Crusade* Yale University Press

*The Fourth Crusade and the Sack of Constantinople* Grand Central Publishing

The Crusades is an authoritative, accessible single-volume history of the brutal struggle for the Holy Land in the Middle Ages. Thomas Asbridge—a renowned historian who writes with “maximum vividness” (Joan Acocella, *The New Yorker*)—covers the years 1095 to 1291 in this big, ambitious, readable account of one of the most fascinating periods in history. From Richard the Lionheart to the mighty Saladin, from the emperors of Byzantium to the Knights Templar, Asbridge's book is a magnificent epic of Holy War between the Christian and Islamic worlds, full of adventure, intrigue, and sweeping grandeur.

*Warriors of God* Random House

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

*A Modern History of the Crusades* Hachette UK

Explores the conflict of ideas, beliefs and cultures and shows both the contradictions and diversity of holy war. He draws on contemporary writings - on chronicles, songs, sermons, travel diaries and peace treaties - to throw a brilliant new light on people and events we thought we knew well.
