Best Speakers Buying Guide: Welcome to What Hi-Fi?'s round-up of the best speakers you can buy in 2020. One-box wireless speakers might take up less space and mean less clutter, but for the best possible sound there's no substitute for a quality pair of stereo speakers.

Best speakers 2020: stereo speakers for every budget ...

(More often than not, premium brands will specialize in either receivers or speakers, but not both, so you will most likely have different brands for your receiver and speakers.) If you buy a home-theater-in-a-box system, obviously it all comes from a single brand — and we recommend Bose, Sonos, and Klipsch, to name a few. And if you want to go premium, go with a world-class JBL Synthesis system.
