Transparency is vital to the building and strengthening of every relationship and every ministry. It allows people to see you as approachable and to feel safer when talking to you. Transparency is a gateway to trust, and trustworthiness is an important quality which people seek in a good, ministerial leader. They want to know: Is this person trustworthy? Is this person honest? How do I know I can talk to this person without fear of condemnation? It is with this in mind that Rohini Townsend approaches writing, friendships, ministry, and life itself. Her desire to see people healed and whole has led to a candor and openness that is sure to tug at the heartstrings of the despondent. Put Some Shoes On, is an emotional and gripping story of one little girl's journey through heartache, rejection, abuse, and turmoil. Chronicling her path from scared child to broken, rebellious teen to powerful, anointed woman of God, the author shares the most intimate moments of her life with refreshing transparency and soul stirring honesty. It is not only a story of past hurts, it is a story of learning, growing and seeking a deeper relationship with God -- the steps and sacrifices that are required for that level of depth and connection to the Father. Raw, poignant, and insightful, Put Some Shoes On was written to heal. It was written with your salvation in mind. This is a story of overcoming and, while on that walk, discovering who you are, and more importantly, WHOSE you are. Every step you take was conceived in the mind of the Father to guide you towards recognizing the spiritual gifts He has placed in you. Be not weary in well doing. Do not allow your circumstances to define you. Do not be consumed by trials and heartache. Take your experiences and let God use them to mold you into a powerful Kingdom citizen. Put some shoes on and walk boldly in your Godly identity.

I helped make your advisor's Sales Hype Do you need your advisor to succeed with investments? Do you think your advisor's strategy can beat a market index fund? Do you know how many sales your advisor must make to keep their job? What is your actual total return with all costs included? Why do many Wall Street firm owners use index funds? Most wealthy people can answer these questions. Can you? Today, the information to answer these questions is easily available but only savvy shoppers have used it to succeed. They realize that the retail financial industry is extremely profitable because the sales hype works even better than it used to work. We have learned how to manipulate behavior better. Our margins are 29%. The \$1.3 Trillion per year revenues come from YOU. I used to work for a few firms. I helped create some of the hype that our sales people used to separate you from your money or your potential future earnings. A plain market index fund beat 92-95% of the returns of our "professional" managers so we steer you away from them. However, we still get most investors to pay even for poor results. It is marketing, sales and misleading hype! Why should you give up your advisor? You may be giving up 63% of your total potential value. It is easy to do better on your own. Do you really think an expert at selling knows anything about what will happen to a security or the market in the next hour, week or year? Before I show you how to invest for your success, I think it is time you understood the marketing and sales HYPE. Most retail investors hate losing--more than they love winning. Most think Wall Street is a casino where some win but they forget that only the house wins long term. Isn't it time you learn how Warren Buffett avoids the Sales Hype and invests for success.

Roger Aziz is an award-winning writer and outdoorsman. He's a former Director of The New England Outdoor Writers Association. Aziz offer his readers up-to-date information on where to fish, when to fish, and how to fish for trout, bass, pickerel and other sport and game fish.

"How to fish is the key to this book. The methods described will enable anglers to catch fish no matter where they are in the world. Fish are the same, with few slight variations in habit, around the globe. Over fifty years of fishing experience have taught me that the knowledge I bring to a new lake or pond is more important than fancy tackle. Knowing the fish species and applying proven techniques have enabled me to catch fish when others have failed." To those fishermen who have to make precious the time they have astream, this book should prove invaluable. Aziz uses a number of unique tactics and lures to catch fish. He focuses most of his efforts on fly-fishing, fly tying, spin fishing and bait fishing. Many of the flies that are illustrated and described in this book are of local New England origin and have never before been presented in any national publication. They have proven their worth over time and will improve the success rate of even the most experienced angler. Novices and experts alike will benefit from the wisdom and the secrets that Roger Aziz has accumulated over his long and distinguished career.
