Life is precious and all too  
often we take for granted  
that we have tomorrow but

---

tomorrow is not promised to any of us. This is a true story. Wendy Portfors knew her life had changed in an instant when her husband suffered a stroke and the underlying cause was an inoperable tumor. Wendy has written from her firsthand experience. This is an intimate and brutally honest account of her journey through her husband's diagnosis, to Caregiver and ultimately to being widowed. After losing her husband of 38 years Wendy's world spiraled out of control. She bears her soul into her struggle to overcome loneliness,

isolation, feelings of abandonment and the darkness of depression. It captures the heartbreak of loss and Wendy's slow and painful journey from unimaginable grief to healing. We will all experience loss in our lifetime. Wendy shares her insights from her personal experience aimed to help others navigate through loss to healing. Whether you are a Caregiver, grieving a loss or supporting a grieving person this book is for you. Wendy's hope is that by reading 'Remembering Love' you will find strength, understanding and

compassion for life's passages.

*New Hampshire Register and  
Legislative Manual Artisan*

The average American spends 70 hours per year, the equivalent of nearly two full work weeks, on lawn and garden care. For some, lawn care is an onerous task, grudgingly accomplished, and for others it is a source of personal pride and accomplishment. Over the past four decades, author John B. Marek has variously and intermittently fallen into both camps. In *Ben and the Art of Lawnmower Maintenance*, he weaves humorous personal anecdotes with fascinating historical facts, and recounts his father's homespun wisdom

---

alongside insight gained from his own suburban homesteading experiences.

### *Consumer Reports*

AuthorHouse

With this Dickensian tale from America's heartland, New York Times writer and columnist Dan Barry tells the harrowing yet uplifting story of the exploitation and abuse of a resilient group of men with intellectual disability, and the heroic efforts of those who helped them

to find justice and reclaim their lives. In the tiny Iowa farm town of Atalissa, dozens of men, all with intellectual disability and all from Texas, lived in an old schoolhouse. Before dawn each morning, they were bussed to a nearby processing plant, where they eviscerated turkeys in return for food, lodging, and \$65 a month. They lived in near servitude for

more than thirty years, enduring increasing neglect, exploitation, and physical and emotional abuse—until state social workers, local journalists, and one tenacious labor lawyer helped these men achieve freedom. Drawing on exhaustive interviews, Dan Barry dives deeply into the lives of the men, recording their memories of suffering, loneliness

---

and fleeting joy, as well as the undying hope they maintained despite their traumatic circumstances. Barry explores how a small Iowa town remained oblivious to the plight of these men, analyzes the many causes for such profound and chronic negligence, and lays out the impact of the men's dramatic court case, which has spurred advocates—including

President Obama—to push for just pay and improved working conditions for people living with disabilities. A luminous work of social justice, told with compassion and compelling detail, *The Boys in the Bunkhouse* is more than just inspired storytelling. It is a clarion call for a vigilance that ensures inclusion and dignity for all.

### Managing Cover Crops

Profitably (3rd Ed. ) DIANE Publishing

Cover crops slow erosion, improve soil, smother weeds, enhance nutrient and moisture availability, help control many pests and bring a host of other benefits to your farm. At the same time, they can reduce costs, increase profits and even create new sources of income. You ¿ ll reap dividends on your cover crop investments for years, since their benefits accumulate over the long term. This book will help you find

---

which ones are right for you. Captures farmer and other research results from the past ten years. The authors verified the info. from the 2nd ed., added new results and updated farmer profiles and research data, and added 2 chap. Includes maps and charts, detailed narratives about individual cover crop species, and chap. about aspects of cover cropping. Best Buys for Your Home 2000 Southern Living This New York Times bestselling book is filled with hundreds of fun, deceptively

simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the

Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more.

After the Snow Began to Fall  
Oxmoor House

Ever dreamed of having your very own garden retreat? Somewhere you could indulge your favourite pastime, sleep under the stars, or finally achieve your ambition of working from home? Off-the-shelf sheds aren't always the

answer—the cheap ones are badly made, freezing cold, and fall apart within a few years, and the expensive ones are, well, really expensive. But what if you could build your very own shed from scratch? What if you had the plans, skills, and materials to create a retreat that was as stylish and well-made as a posh shed but for a fraction of the price? How to Build a Shed is the ultimate practical guide. With its clear easy-to-follow instructions, expert advice, and specially commissioned illustrations, you'll be able to source the materials, choose the right tools, and build your dream shed on a budget. How to Build a Shed is aimed at anyone keen to have a go, even if they've never used a

Predictably Irrational Penguin  
When Shadows Speak Four  
individual stories, about four  
different lives. Patience  
Holloway, Lisa James, Tanzy  
Elliot and Ambrosia Lamott.  
Take a trip into the world of  
patience, a young prostitute  
turned homeless crack addict  
in "Patience Ain't No Virtue."  
Follow Lisa as she finds herself  
and figures out the  
importance of knowing who  
you are and not what you  
look like in "Copper Penny-  
Silver Dime." Walk with  
Tanzy while she struggles with  
the pain of racism in the  
modern day south in "Black  
Trees Bear No Fruit." And  
lastly, go along for the ride of a  
lifetime with Ambrosia, a  
toughneck, thuggish twenty  
year old as she takes what she  
wants and asks questions later,  
in "Brosia." Be ready for a thrill  
ride. Jumping from story to  
story, it will have you wanting  
more, once finished.
