Celebrate! Routledge

This innovative how-to guide and reference book on the Jewish holidays provides a well-rounded foundation for both knowledge and action. Unlike many books of its kind, Celebrate! The Complete Jewish Holidays Handbook is nondenominational and comprehensive in approach. The author includes the historical development, religious importance, and personal significance of each Jewish holy day in a way that is useful to both beginners and those well versed in Jewish practice. The richness and depth of Jewish tradition, with a full range of information on why and how to celebrate, is presented in a lively, warm, and user-friendly manner.

This Handbook brings together essays from an impressive group of well-established and emerging scholars from all around the world, to show the many different types of violence that have plagued Latin America since the pre-Colombian era, and how each has been seen and characterized in literature and other cultural mediums ever since. This ambitious collection analyzes texts from some of the region's most tumultuous time periods, beginning with early violence that was predominately tribal and ideological in nature; to colonial and decolonial violence between colonizers and the native population; through to the political violence we have

seen in the postmodern period, marked by dictatorship, guerrilla warfare, neoliberalism, as well as representations of violence caused by drug trafficking and migration. The volume provides readers with literary examples from across the centuries, showing not only how widespread the violence has been, but crucially how it has shaped the region and evolved over time.

Surprisingly, many couples about to remarry and start step-parenting do not even read a book about it (less than fifty percent do). But education about marriage and parenting does increase marital success.

Blended Families: Recipes for Success, is a pivotal book from Barbara J Peters, counselor and relationship coach, that presents easy to follow recipes for a lifetime of blended marriage. Barbara has been helping couples for years with her other books such as The Gift of a Lifetime, Building a Marriage That Lasts and He Said She Said I Said 7 Keys to Relationship Success. This book offers the necessary and critical ingredients of creating a solid blended family. These principles can strengthen the parent relationship. Parents will be providing a positive role model for their children to see and families will become more cohesive by using the recipe of shared family identity. A small workbook section helps the reader put into action the concepts suggested by Barbara. By practicing such principles as flexibility and trust, the two of you can forge connections that can support each individual of the family, even into the next generation. "You're NOT my dad! How do I even respond to that? What would my wife want me to say? These problems are so difficult to navigate. I am happy to see this book come along. I can't wait to start cooking!" —Steve, stepdad "Barbara Peters shares effective strategies that empower blended families to be successful, such as building trust, working together to create the family they desire, and good advice on what not to say about 'exes'. The recipe format is delightfully creative to read and practical to use." —Elisabeth Davies, author and mental health counselor "I have performed numerous wedding ceremonies for brides and grooms who haven't a clue of the blended family issues to come. This book provides guidance for the conversations couples must have prior to the 'I dos' with the kids. This is a book you must read before you create a mess in your blended family kitchen." —Larry James, author of How to Really Love the One You're With

INTERNATIONAL BESTSELLER - Pulitzer Prize winning author presents the stories of a wide range of Muslim women in the Middle East. As an Australian American and an experienced foreign correspondent, Brooks' thoughtful analysis attempts to understand the precarious status of women in the wake of Islamic fundamentalism. "Frank, enraging, and captivating." - The New York Times
Nine Parts of Desire is the story of Brooks' intrepid journey toward an understanding of the women behind the veils, and of the often contradictory political, religious, and cultural forces that shape their lives.

Defying our stereotypes about the Muslim world, Brooks' acute analysis of the world's fastest growing religion deftly illustrates how Islam's holiest texts have been misused to justify repression of women, and how male pride and power have warped the original message of a once liberating faith. As a prizewinning foreign correspondent for The Wall Street Journal, Geraldine Brooks spent six years covering the Middle East through wars, insurrections, and the volcanic upheaval of resurgent fundamentalism. Yet for her, headline events were only the backdrop to a less obvious but more enduring drama: the daily life of Muslim women.

Sorceress of psychological suspense, Ninie Hammon brings you *The Last Safe Place* — a psychological roller-coaster ride of a book that you won't want to put down before you hit the final page. Her stalker. Her demon. Her creation... Gabriella thinks nothing of the dark creature she fashioned at the heart of her new horror novel—until it turns up at a book signing. At first, she laughs off the deranged fan with the pretty face who informs her that he is the true king of demons. But she doesn't laugh long. Soon enough, Gabriella is in a desperate race to save her family from a stalker with limitless resources and a zealot's resolve to fulfill the promise of her book, right down to its gruesome conclusion. Her only refuge is an old family hideaway high in the mountains. But the cabin isn't the safe place she imagines. It harbors secrets of its own. Secrets at the heart of the evil pursuing her. Secrets her family has long buried. Secrets she must unravel before all their lives collide in a final, apocalyptic celebration of one man's madness. What readers are saying about *The Last Safe Place*: ????? "The suspense kept me turning page after page--I sat up until 3 in the morning trying to devour the whole book, fell asleep with my Kindle in my lap as I sat up in bed." -- Sheila LS ????? "I have a confession to make - I am totally enamored with Ninie Hammon. Don't tell my wife, she wouldn't understand but anyone who has read her book(s) would. Anyone who has entered into the world where Princess (5 Days In May) lives would get it; anyone who has felt the pain of Anne (The Memory Closet) would understand and anyone who has walked in the footsteps of Gabriella (The Last Safe Place) knows what I'm talking about." -- The Old Guy ????? "Realistic struggles combined with a touch of the supernatural make this a "read through the night" book... I've never read books by this author before, but have now purchased two more of her books that are presently awaiting my attention. Enjoy!" -- debbie ????? "Gripping from page one. The story grabs you and takes you on an exhilarating thrill of a ride. The monster from the pages of fiction come to life to haunt the writer, by showing up in her life and menacing her and her family... This is a book for the weekend, if you start it, you won't stop until you finish it." -- Dubbia If you enjoy Dean Koontz and Stephen King, you'll love this riveting tale of growing terror that will stay with you long after the shocking surprise ending.

Bringing Down the House Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • We all have dreams—things we fantasize about doing and generally never get around to. This is the story of Azar Nafisi's dream and of the nightmare that made it come true. For two years before she left Iran in 1997, Nafisi gathered seven young women at her house every Thursday morning to read and discuss forbidden works of Western literature. They were all former students whom she had taught at university. Some came from conservative and religious families, others were progressive and secular; several had spent time in jail. They were shy and uncomfortable at first, unaccustomed to being asked to speak their minds, but soon they began to open up and to speak more freely, not only about the novels they were reading but also about themselves, their dreams and disappointments. Their stories intertwined with those they were reading—*Pride and Prejudice*, *Washington Square*, *Daisy Miller* and *Lolita*—their *Lolita*, as they imagined her in Tehran. Nafisi's account flashes back to the early days of the revolution, when she first started teaching at the University of Tehran amid the swirl of protests and demonstrations. In those

frenetic days, the students took control of the university, expelled faculty members and purged the curriculum. When a radical Islamist in Nafisi's class questioned her decision to teach *The Great Gatsby*, which he saw as an immoral work that preached falsehoods of "the Great Satan," she decided to let him put *Gatsby* on trial and stood as the sole witness for the defense. Azar Nafisi's luminous tale offers a fascinating portrait of the Iran-Iraq war viewed from Tehran and gives us a rare glimpse, from the inside, of women's lives in revolutionary Iran. It is a work of great passion and poetic beauty, written with a startlingly original voice. Praise for *Reading Lolita in Tehran* "Anyone who has ever belonged to a book group must read this book. Azar Nafisi takes us into the vivid lives of eight women who must meet in secret to explore the forbidden fiction of the West. It is at once a celebration of the power of the novel and a cry of outrage at the reality in which these women are trapped. The ayatollahs don't know it, but Nafisi is one of the heroes of the Islamic Republic."—Geraldine Brooks, author of *Nine Parts of Desire*

Atlanta writer Margaret Mitchell (1900–1949) wrote *Gone with the Wind* (1936), one of the best-selling novels of all time. The Pulitzer Prize-winning novel was the basis of the 1939 film, the first movie to win more than five Academy Awards. Margaret Mitchell did not publish another novel after *Gone with the Wind*. Supporting the troops during World War II, assisting African-American students financially, serving in the American Red Cross, selling stamps and bonds, and helping others—usually anonymously—consumed her. This book reveals little-known facts about this altruistic woman. The Margaret Mitchell Encyclopedia documents Mitchell's work, her life, her impact on Atlanta, the city's memorials to her, her residences, details of her death, information about her family, the establishment of the Margaret Mitchell House against great odds, and her relationships with the Daughters of the Confederacy and the Junior League.

#1 New York Times Bestseller "THIS. This is the right book for right now. Yes, learning

requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

Blended Families: Recipes for Success McFarland

That Certain Saturday tells the true story of Madelyn S Leigh's struggle with her mother's illness from Madelyn's age of nine until she was sixty. Her father always being their rock. Beginning in 1960 with a pill which was proclaimed by doctors to be a miracle, Madelyn had to watch that medication prolong the pain and stigma of her loving and kind mother's problem rather than fix things. Her mother seemed to have the perfect life by being a contented housewife and very involved with her women's church group in the years prior to 1960. Her daughter Madelyn's childhood had been celebrated with the beauty of daily horseback rides which her mother enjoyed watching. The events of the morning that her mom's nerves came unraveled were something that no child should have to endure. Madelyn did endure it, but her life would never be the same. Psychiatric ward visits and hearing her mother be "labeled" made for a quick jump from childhood to adulthood at age nine. Two years later equaled two more nervous breakdowns and three out-of-state moves due to her dad being transferred because of

his job. Her mother had the determination to keep trying to start over by driving again and getting involved with life. A first marriage for Madelyn and a wonderful baby boy, three years later, still did not help to normalize her situation. Her father had been the only stabilizing factor for her since young childhood. His diagnosis of cancer in the late 1980s was a huge awakening Life was a complete confusion for Madelyn while she was always wishing she was simply riding a horse, her favorite pastime. Modern medicines were prescribed for her mom after her last hospital stay and made a great difference. In the 1990s, Madelyn inherited all of the responsibilities of her mom. With her mom's mental condition greatly improving, her mom's physical condition began to deteriorate rapidly. The number of doctors for her care grew to nine. Exhaustion and insomnia took over Madelyn's life, but she kept going due to her love for her mother and the kindness of her mom under terrible circumstances. The coming years contained many changes, but she and her mom always remain together. The wait for Jesus had many challenges. It was a roller-coaster life, growing up in a dysfunctional family which never included alcohol, drug abuse, or physical or mental abuse. It was simply one person's personal struggle with a chronic illness which affected the whole family. The love of family and the love of animals defeated everything that was bad.

How This Book Was Made & How You Can Make Your Own Xlibris Corporation

The classic novel that has been translated into over twenty languages and has sold more than two million copies worldwide One of the most celebrated novels of its time, *Endless Love* remains perhaps the most powerful book ever written about young love. Riveting, compulsively readable, and ferociously sexual, *Endless Love* tells the story of David Axelrod and his overwhelming love for Jade Butterfield. David and Jade are consumed with each other: their rapport, their desire, their sexuality, take them further than they understand. And when Jade's father banishes David from the home, he fantasizes the forgiveness his rescue of the family will bring, and he sets a "perfectly safe" fire to their house. What unfolds is a nightmare, a dark world in which David's love is a crime and a disease, a world of anonymous phone calls, crazy letters, and new fears—and the inevitable and punishing pursuit of the one thing that remains most real to him: his endless love for Jade and her family. Published in 1979 and hailed as "one of the best books of the year" by the New York Times, *Endless Love* is the novel that first established Scott Spencer as "the contemporary American master of the love story" (Publishers Weekly).

NEW YORK TIMES BEST SELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR) • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BEST SELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of

growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her.

Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.
