For months I have been getting calls from "Home Security solutions". the pitch is that they are offering a free upgrade to a wireless home alarm system. I have demanded to be taken off of thier list, but they continue to call. Im trying to find thier address to file a law suit, but whenever I ask, they immediately hang up.

Signs of a Security System Scam Unscrupulous door-to-door sales agents use a variety of approaches and pitches to get you to buy an alarm system and monitoring services. Here's what to look

out for: They may make a time-limited offer, and claim that you need to act now. **Secure Home Solutions, LLC | Better Business Bureau® Profile**

Tech support scammers want you to believe you have a serious problem with your computer, like a virus. They want you to pay for tech support services you don't need, to fix a problem that doesn't exist.
