Gideon always has a plan. It includes running for class president, becoming head of the yearbook committee, and having his choice of colleges. It does NOT include falling head over heels for his best friend, Kyle. It's a distraction, it's pointless—Kyle is already dating the head cheerleader, Ruby—and Gideon doesn't know what to do. Kyle finally feels like he has a handle on life. He has a wonderful girlfriend, a best friend willing to debate the finer points of Lord of the Rings, and social acceptance as captain of the basketball team. So when both Ruby and Gideon start acting really weird, just as his spot on the team is threatened, Kyle can't quite figure out what he did wrong. Sandy Hall, the author of *A Little Something Different*, is back with her signature wit in this quirky and heartfelt LGBT YA novel.

Monk Camps Out Feiwel & Friends

The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —*Publisher's Weekly* "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with

emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time. *The Lifegiving Table* Penguin

Anywhere But Paradise Simon and Schuster

"This terrific book gives hope to everyone who desires the fun and freedom of dropping everything and hitting the road to foreign ports."—Jeri Sedlar, co-author of *Don't Retire, REWIRE! The Sell-Your-House, See-the-World Life!* Reunited after thirty-five years and wrestling a serious case of wanderlust, Lynne and Tim Martin decided to sell their house and possessions and live abroad full-time. They've never looked back. With just two suitcases, two computers, and each other, the Martins embark on a

global adventure, taking readers from sky-high pyramids in Mexico to Turkish bazaars to learning the contact sport of Italian grocery shopping. But even as they embrace their new home-free lifestyle, the Martins grapple with its challenges, including hilarious language barriers, finding financial stability, and missing the family they left behind. Together, they learn how to live a life—and love—without borders. From glittering Georgian mansions in Ireland to the windswept coasts of Portugal, this euphoric, inspiring memoir is more than a tale of second chances. *Home Sweet Anywhere* is a road map for anyone who dreams of turning the idea of life abroad into a reality.

We Are Here Forever Mitchell Beazley

The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

Home Sweet Forever Home ABRAMS

The library mouse learns about architecture, homes, and renovations in this illustrated adventure. When Sam the library mouse and his friend Sarah wake to find the library being packed up to prepare for a major renovation, they realize they won't have a home during the construction. So off they go in search of a new place to live. Sam knows research is key, so he finds books about architectural styles to get ideas for building a temporary home from objects found around the library. They build and live in a variety of houses: a castle, an igloo, a yurt, a modern house, and even a geodesic dome. But none feels like home to Sam. Finally, though, the renovation of the library is complete, and they can move back to their true home, the library! The book includes photos of the real house styles discussed in the text and a relevant glossary of architectural terms. Praise for *Library Mouse: Home Sweet Home* "Kirk's familiar gouache illustrations maintain a mouse perspective filled with library details. This clever presentation of world housing types has three pages of backmatter that describes each style and its location. Not only is the story amusing, but the information will be useful in classrooms." —Kirkus Reviews "Newcomers and fans of the previous titles will welcome this tale, and librarians will put it to good use in their research lessons." —School Library Journal "This is a fine use of light fantasy to teach a little

lesson about building structures, and it will be especially useful to those preparing children for the disruptions that come with home renovations." –Booklist

Home Sweet Anywhere Macmillan

From the widely praised author of the FBI Special Agent Ana Grey series and A Star for Mrs. Blake, this riveting epic drama follows the Kusek family from New York City to America's heartland, where they are caught up in the panic of McCarthyism, a smear campaign, a sensational trial, and, ultimately, murder. In the spring of 1950, Calvin and Betsy Kusek load their family in the station wagon and head west from New York City to relocate to a close-knit town in South Dakota. They settle on a ranch and begin a life in their new state. Betsy becomes a visiting nurse, befriending a quirky assortment of rural characters, and Cal jumps at the chance to serve his community when a seat opens up in the state legislature. Their children, Jo and Lance, grow up caring for animals and riding rodeo. But things change when Cal runs for the U.S. Senate. The FBI investigates Betsy, and a youthful dalliance with the Communist Party surfaces to haunt the Kuseks. Communist hysteria takes over their small town, inflamed by Cal's political enemies. Driven by fear and hate, their neighbors turn on them. Decades later tragedy again strikes the family as the ghosts of their past come back to haunt them.
